ELLE

Seeing Red

Blondes have more fun, and brunettes are more mysterious, but everybody loves a redhead. That's why we're proud to debut Elle Alexandra in the pages of *CHERI*. You've probably seen Elle before in mainstream shoe ads and department store catalogues. Perhaps you beat off to her photo in a newspaper ad (there's no shame in that, unless, you know, you're still standing at the newsstand when you wank and spew.) But you've never seen Elle like this, stripped bare and spread out naked. Elle wants everyone to see her this way. Your stores turn her on. Look at how wet she is. Go ahead, stroke your cock. Wait! Go pay for this magazine first! The guy behind the counter gets pissed when you spunk up the periodicals. 🍆

STAR-CROSSED FUCKERS

Sheet Music Salesman And
Aerobics Instructor Hit A High Note
During XXX Debut

By Jason Danilak

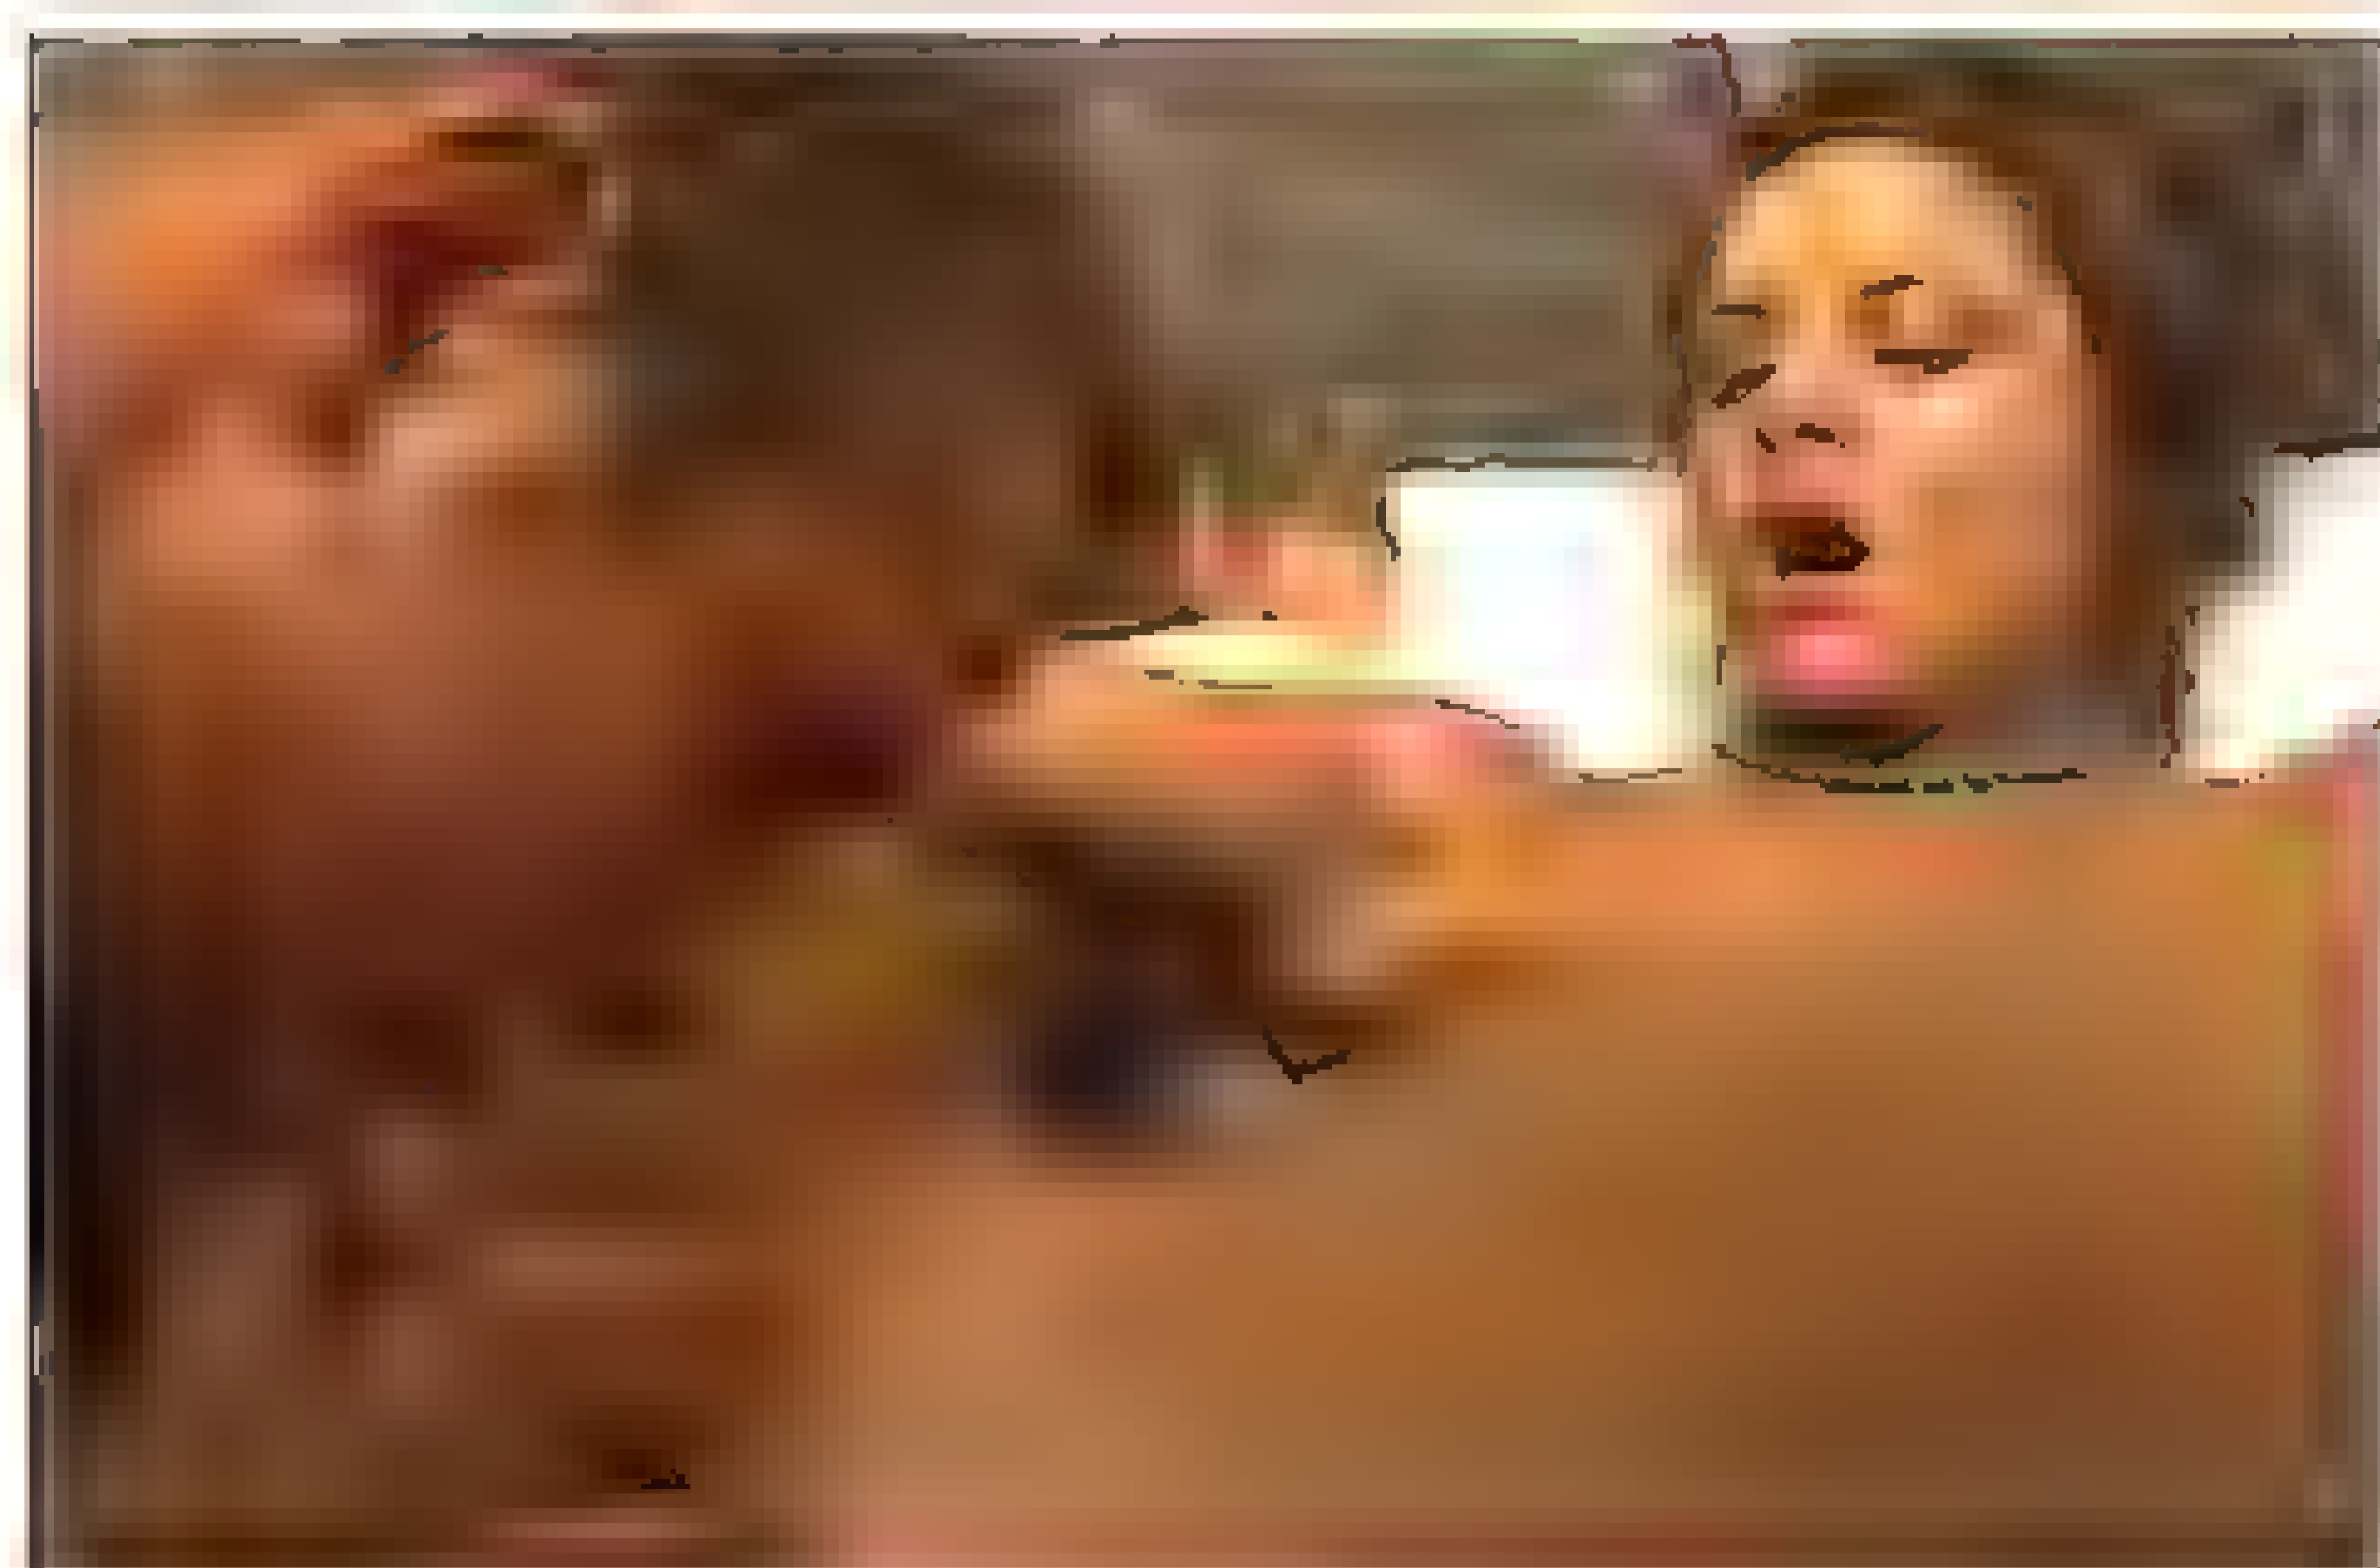

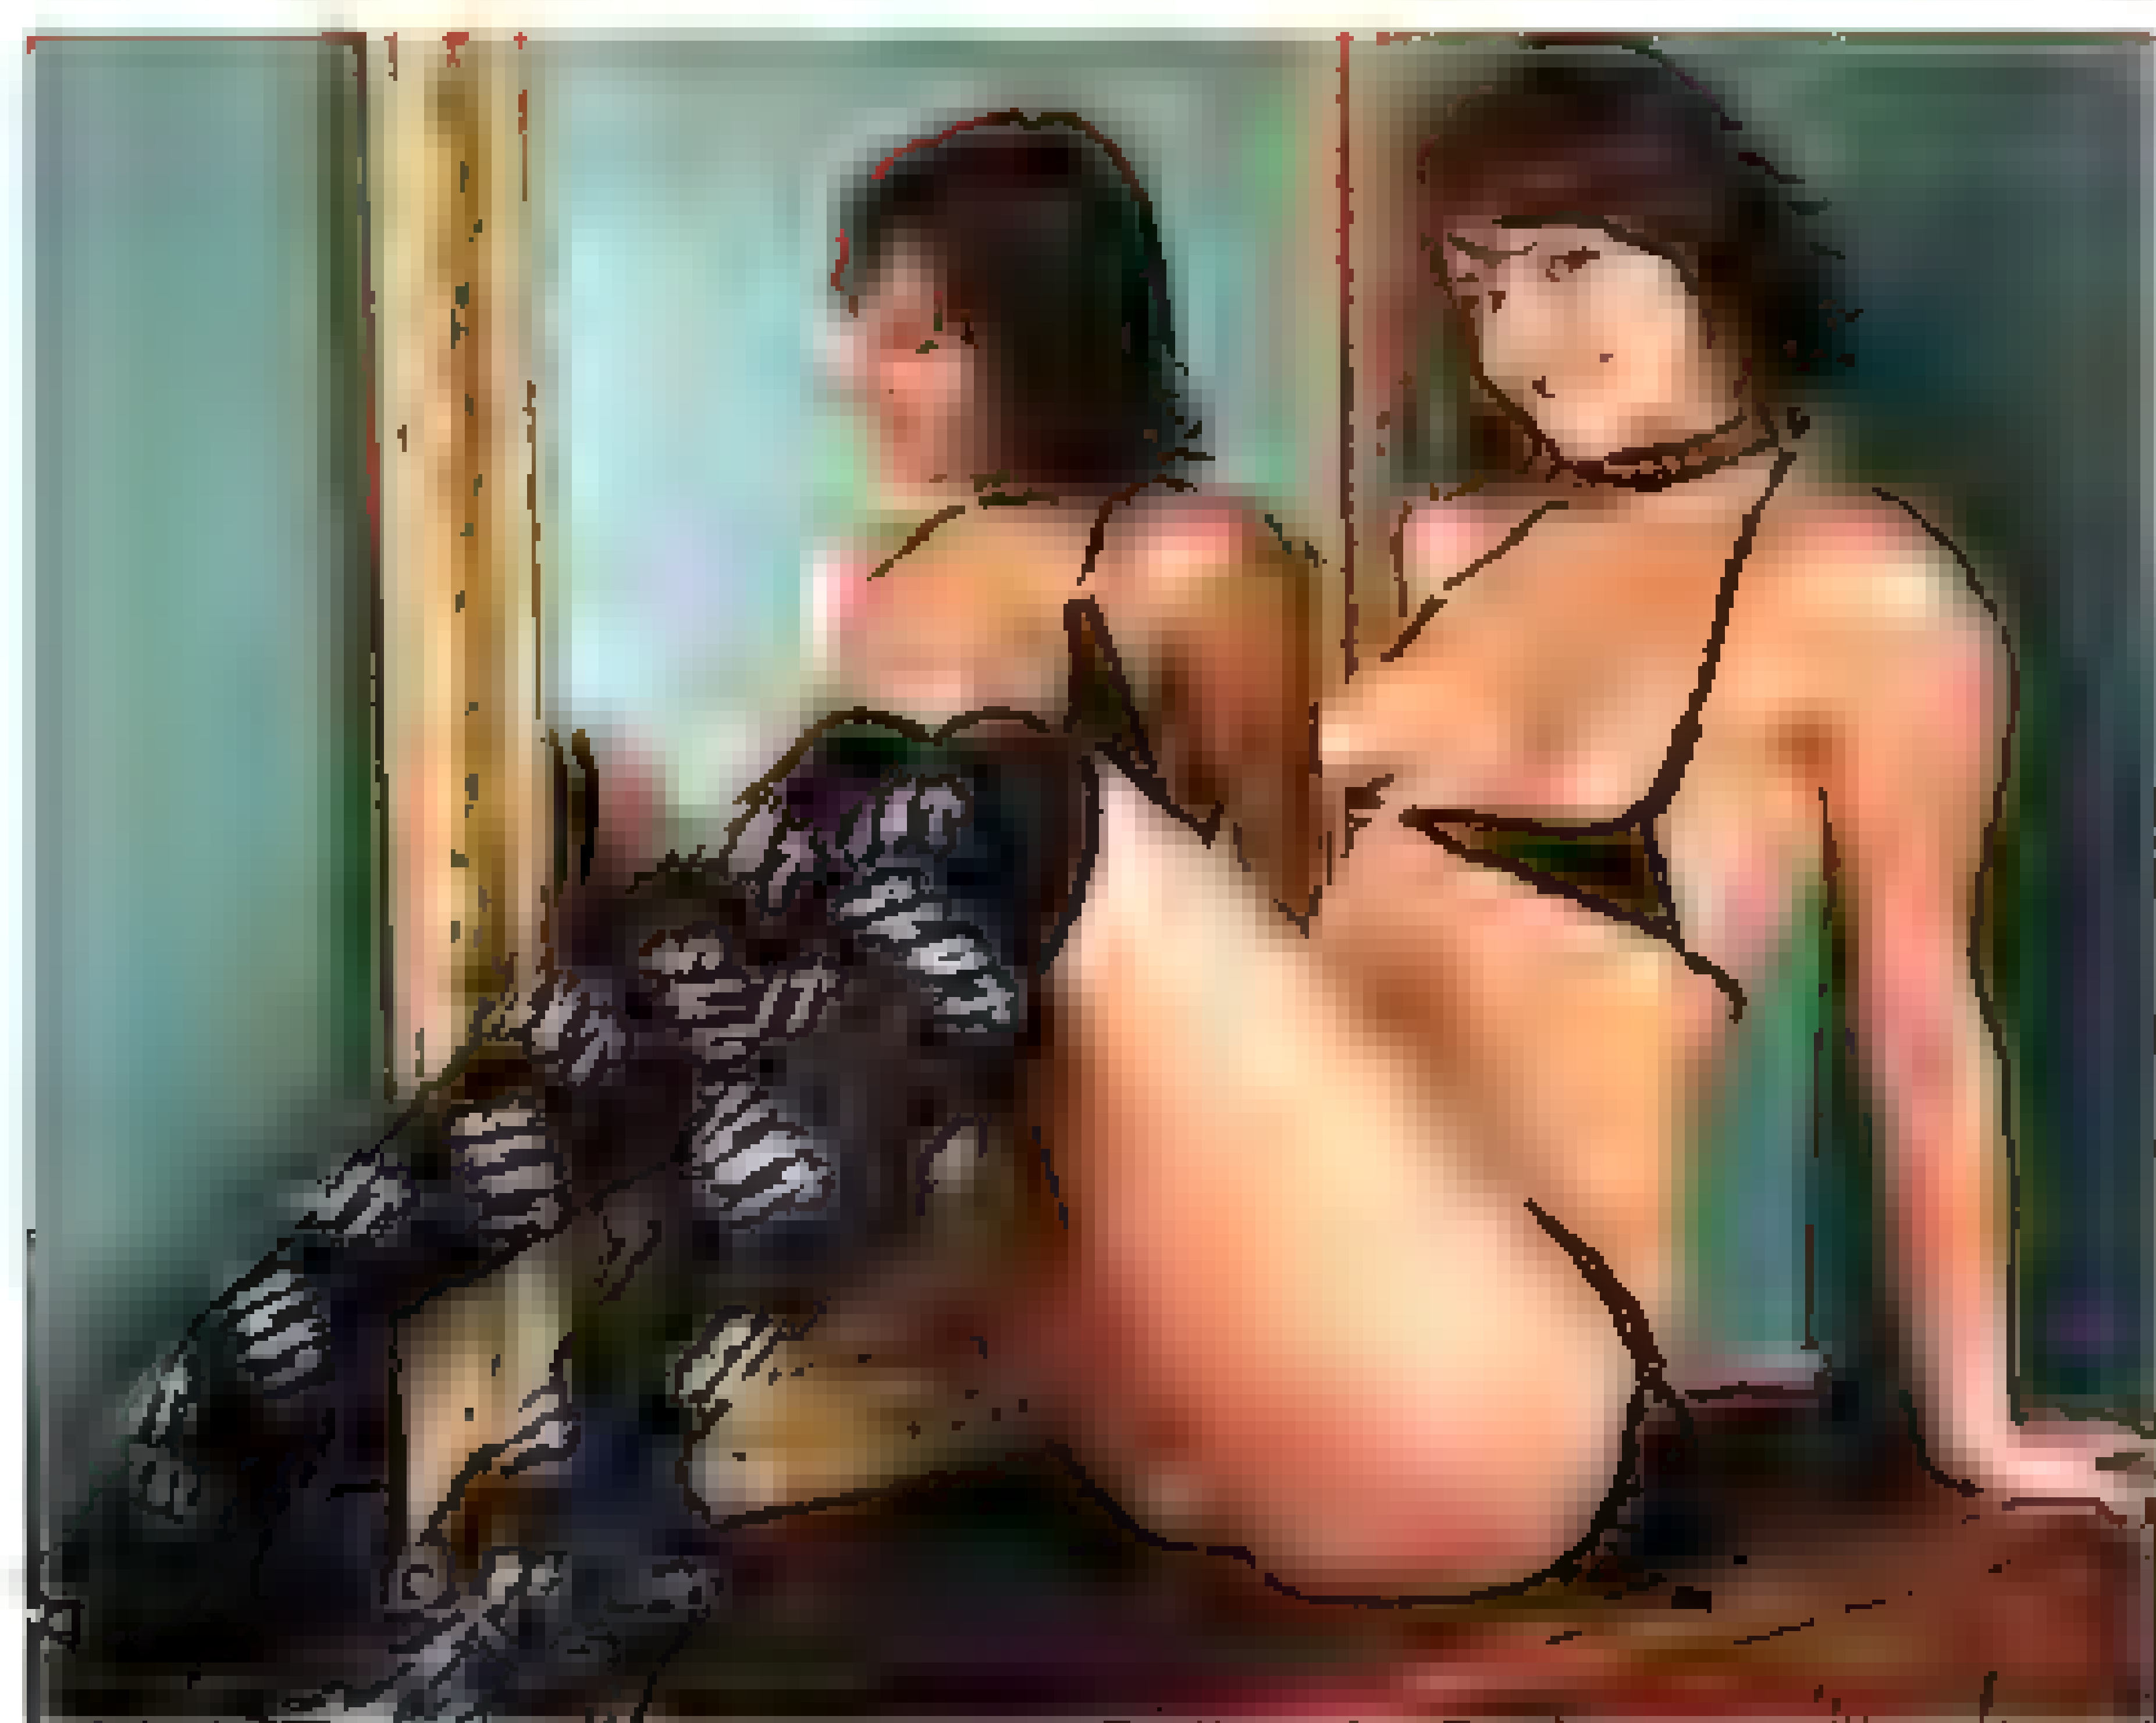

Tom Harris knew he would be a porn star one day. The 22-year-old music store employee believed it was his destiny. So when he saw an advertisement in *CHERI* Magazine recruiting male performers, he wasted no time applying.

In Vancouver, Canada, 21-year-old aerobics instructor Carmen Sayer came across the same ad in her ex-boyfriend's copy of *CHERI*.

"I had never really thought about it before," Sayer admits. "But the girls in the magazine looked so hot and I wanted to see if I could do it too." Thanks to her fanatical workout schedule, Sayer had a body that could rival any centerfold.

Tom applied on-line at www.realproductionsxxx.com while Carmen called the company's casting line. Within a few weeks both had been accepted

and found themselves in Las Vegas where producer Vicki England sized them up.

"They were both exceptionally attractive," recalls the middle-aged British woman. "And you could tell they were attracted to each other right from the start."

In her application, Carmen asked she be paired with a guy who took fitness as seriously as she did. Tom fit the bill perfectly. The Dallas native spent every spare minute working out, and his body reflected it.

"Tom was hot, so I wasn't disappointed," Carmen says. "I don't think I could have gone through with it if he'd been a fat slob."

Meeting the pair in Real Productions' Vegas studio, England went over their applications with them.

"I see you're both very open-minded," she said. Both checked every box on the list of sex acts they were willing to perform, including anal. England immediately decided to cast them in the company's new anal series, *Lord Of The Ass*.

"The only thing you didn't fill out is a screen name, Carmen." Very few porn stars use their real names.

"I couldn't think of one," the sexy Canuck said.

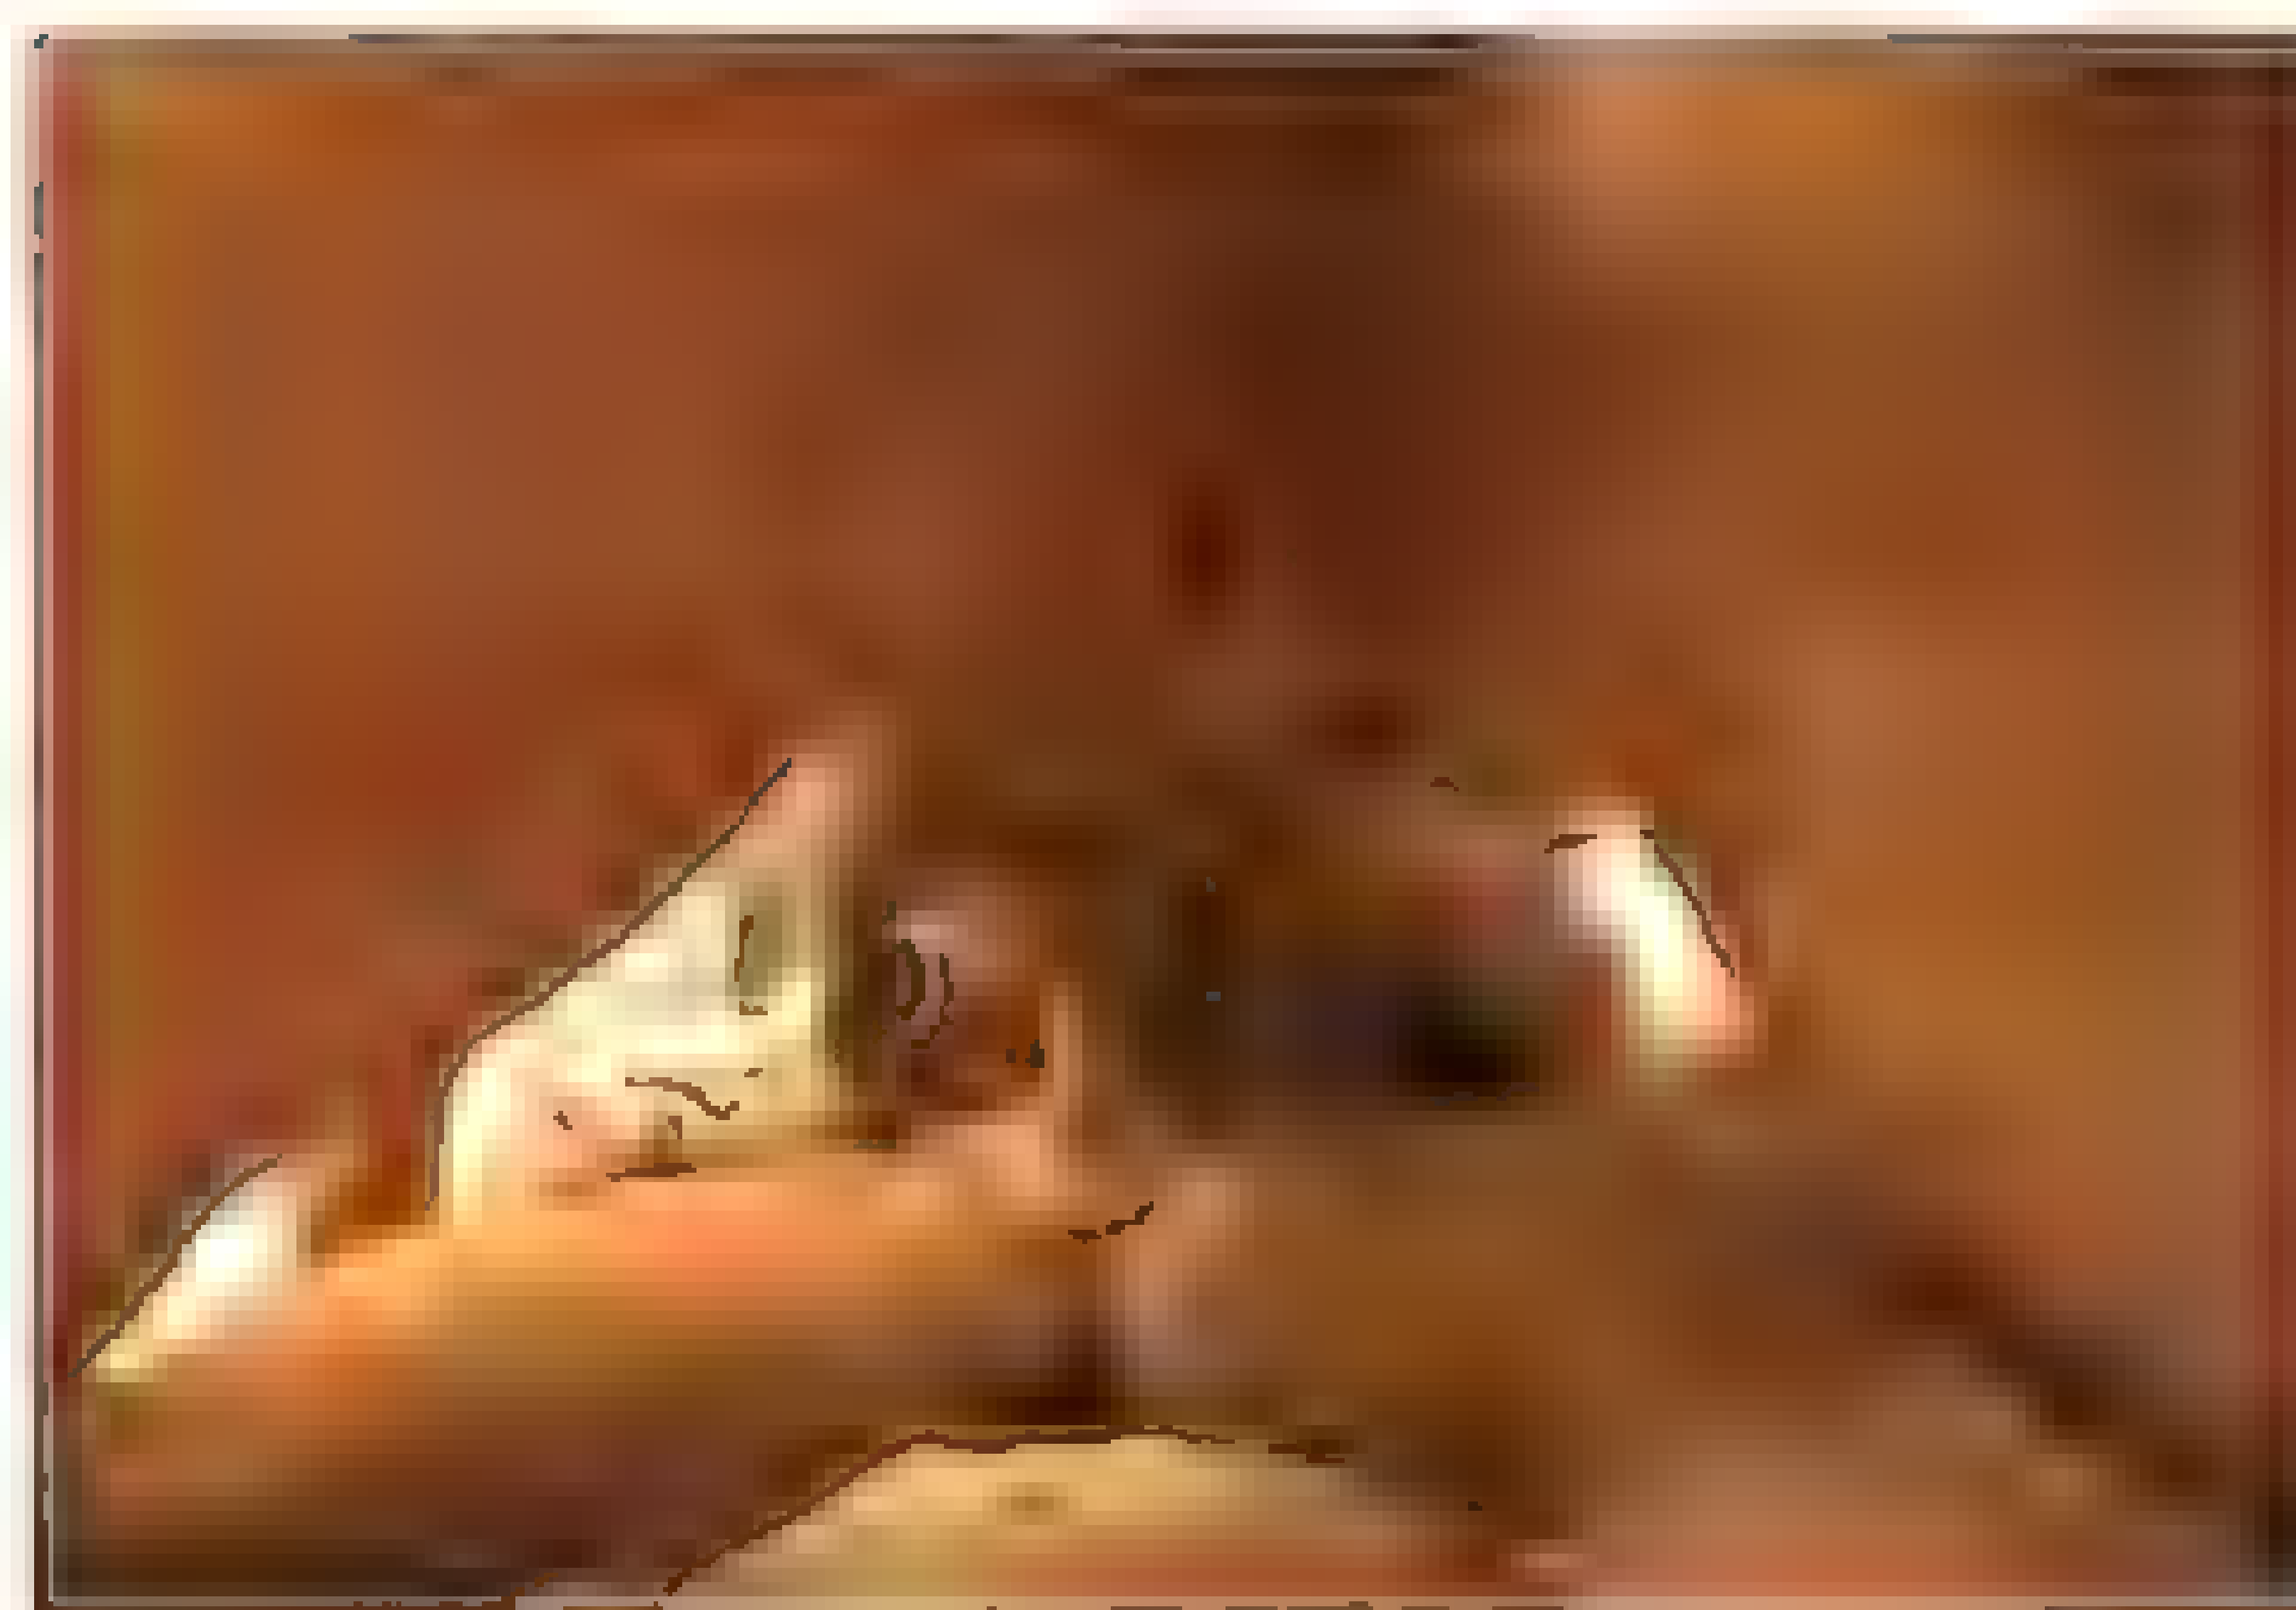

"Why don't you call yourself Karma? Like the fates," Tom suggested. What could be more perfect for a man who believed his destiny was to become a porn star than to do his first scene with a babe named Karma? Both girls loved the name, and a star was born.

Next, England introduced the pair to Simon and Jake, the talented director and cameraman she'd hired to shoot

the scene. The Jamaican natives loved their work and their excitement quickly infused the room.

"Okay, this is an anal scene," Simon announced. "Jake's personal favorite." He grinned at his long-time colleague. "I want lots of energy, a little suck and fuck first, and then on to the main event. Do you do ATM, sweetheart?"

Karma needed Tom to explain that ATM stood for ass-to-mouth.

"Uh, I guess," the beauty replied.

"Good stuff," Simon grinned. "Then bust a nut on her face and afterward we can hit The Strip and celebrate."

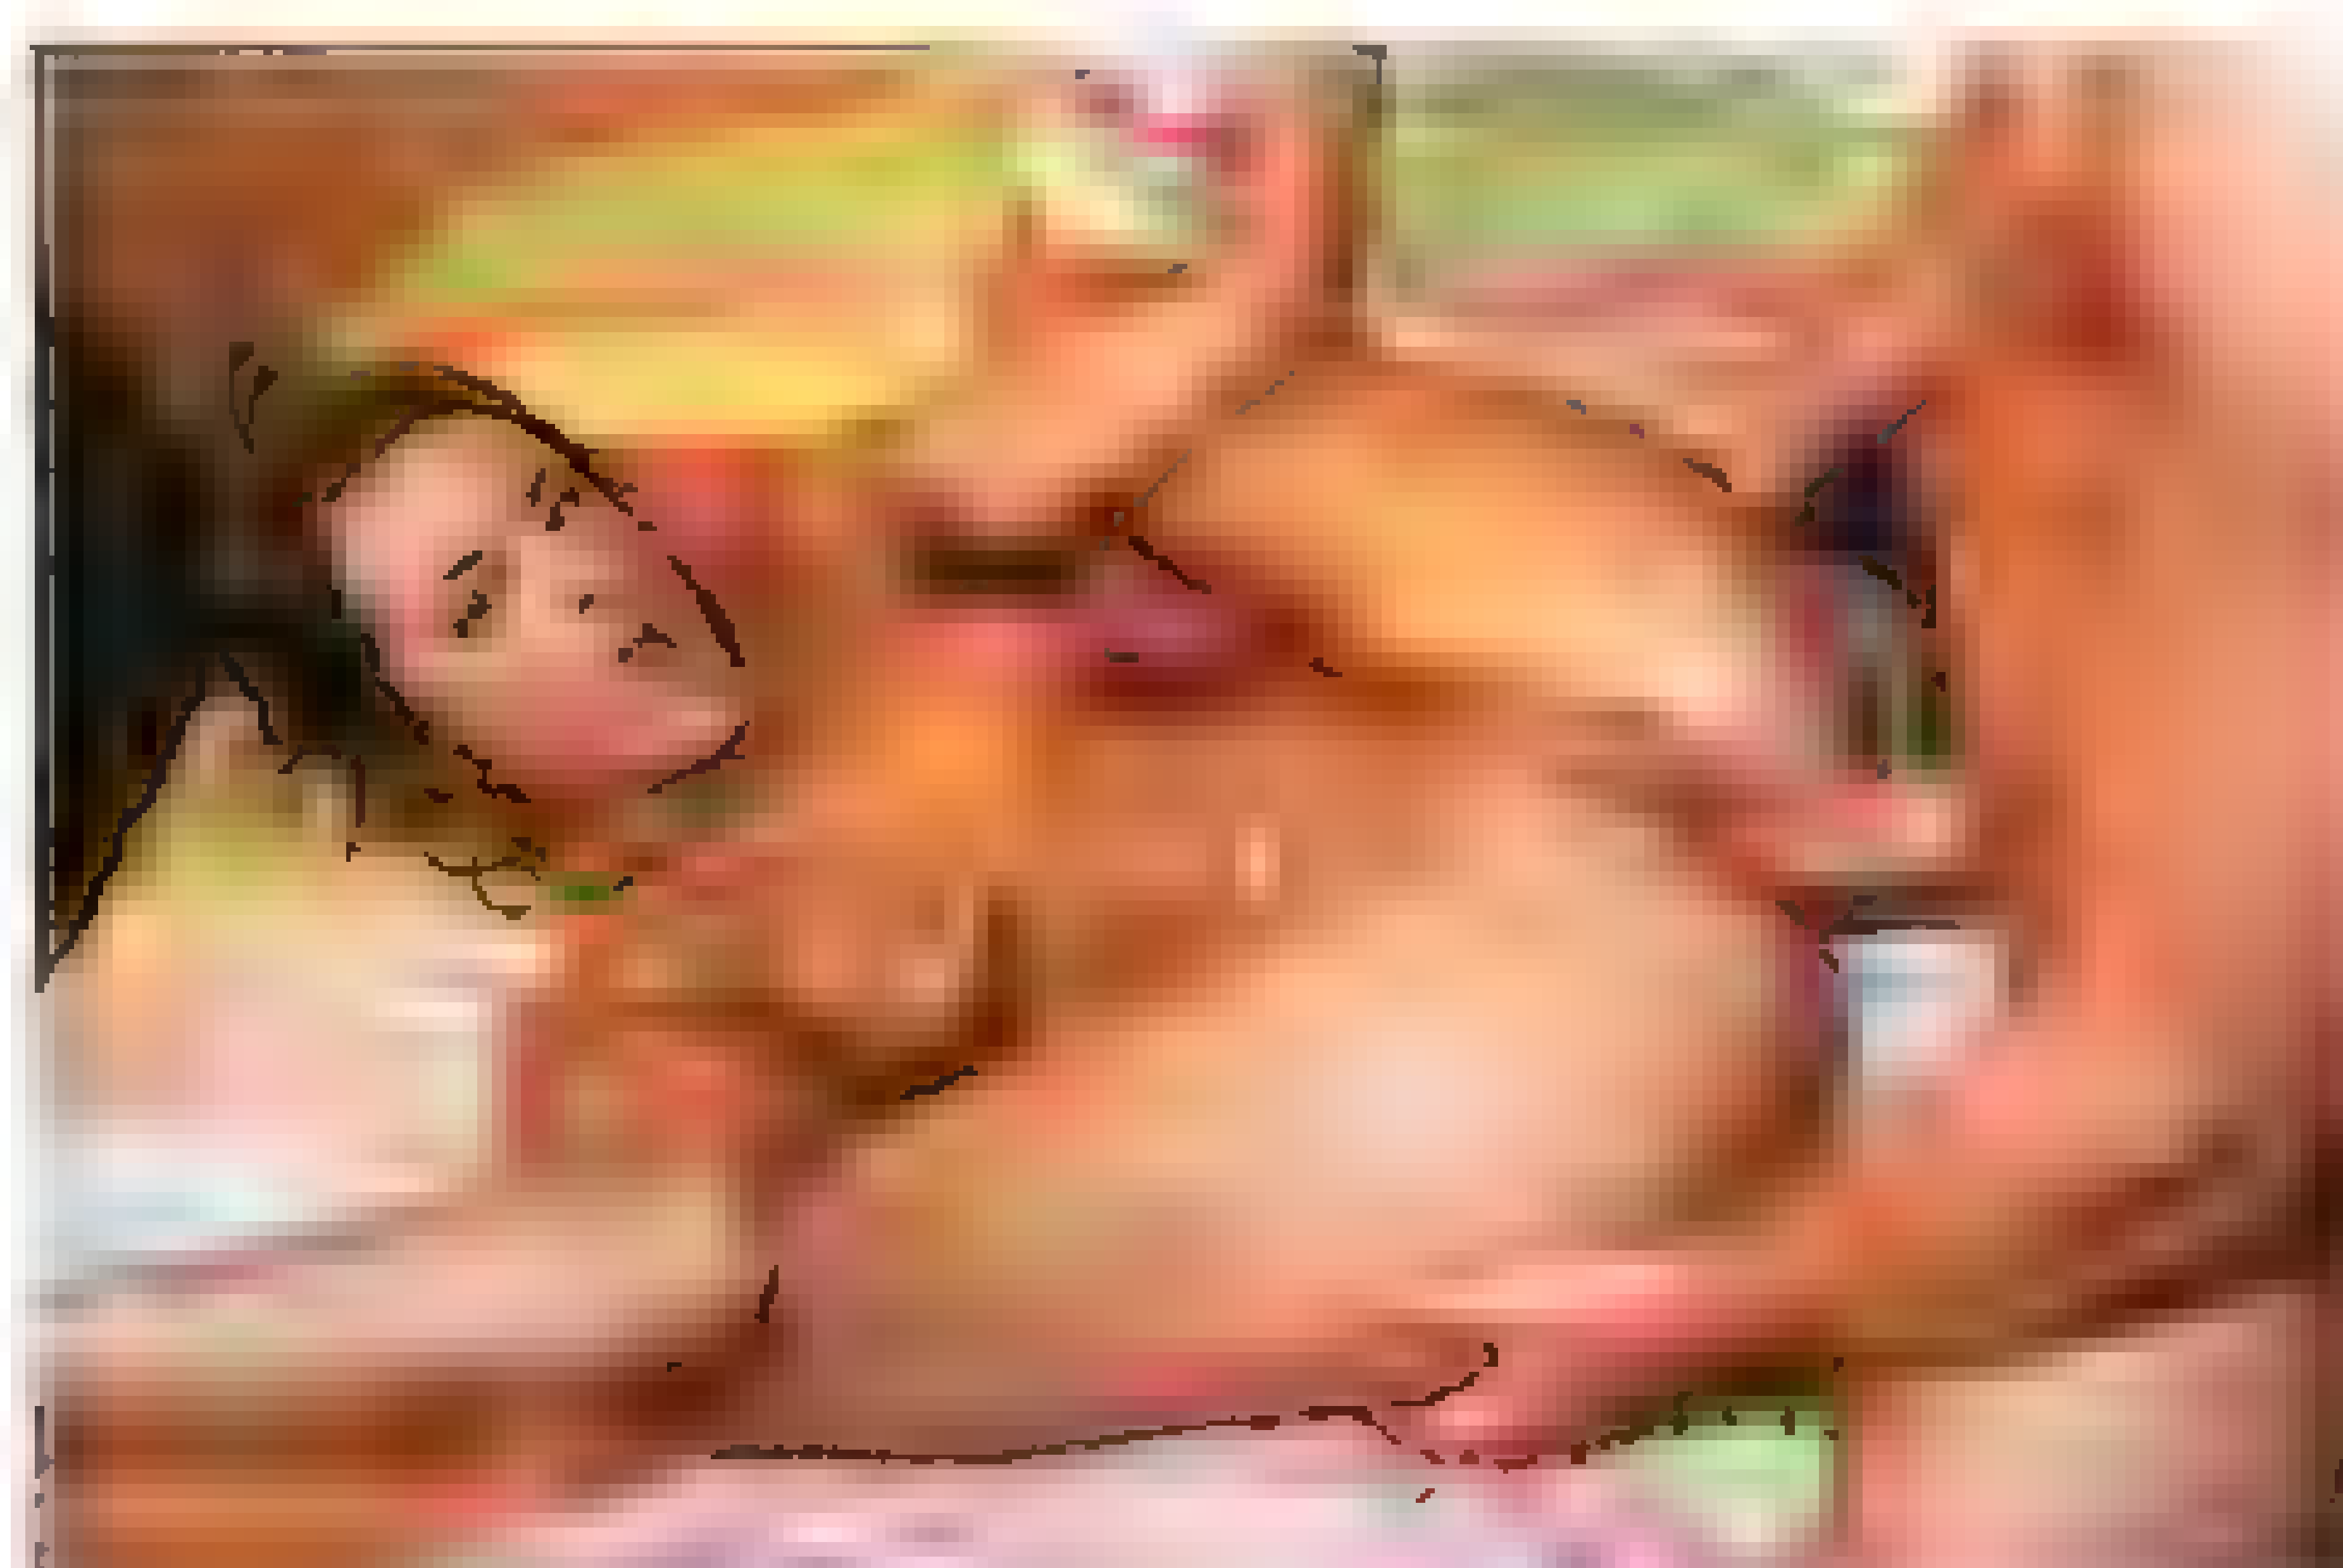

Simon and Jake rolled cameras. Tom led Karma to the bedroom set. He wasted no time getting her out of her clothes, revealing a tight body with small perky tits and a cleanly shaved pussy. Karma quickly returned the favor, pulling down Tom's jeans. He was already rock hard, and Karma gasped at his size.

"Someone's ready," Simon remarked, glancing over his camera's view screen. "Give him a little head to start."

Karma flicked her tongue over the head of Tom's cock, looking up at him with bedroom eyes. Reaching down, Tom grabbed a handful of her hair and gently slid his cock between her plump lips.

"Really work that cock," Simon said, while positioning Jake where he wanted him with hand signals.

Karma began sucking with gusto, taking Tom's entire length inside her mouth. He moaned appreciatively. While she sucked him, Karma's fingers were busy stroking her pussy to a lather. Simon's camera zoomed in on her snatch while Jake focused on her hungry mouth.

"Just a little more like this and then I want you to fuck her," Simon instructed Tom. The horny Texan was happy to oblige and lay Karma on her back with her legs spread wide. He thrust his cock deep inside while Karma licked his shoulder.

The pair fucked missionary, cowgirl, reverse cowgirl and doggie. Simon barely had to direct them at all. The two were so into each other, he simply let them go at it. Watching Karma he counted at least four orgasms. Real ones. Jake noticed too and grinned at his partner.

"Whenever you two are ready let's go to anal," Simon said.

Reaching under the pillow for some lube, Karma prepared her tiny asshole and then swallowed Tom's massive cock for good measure.

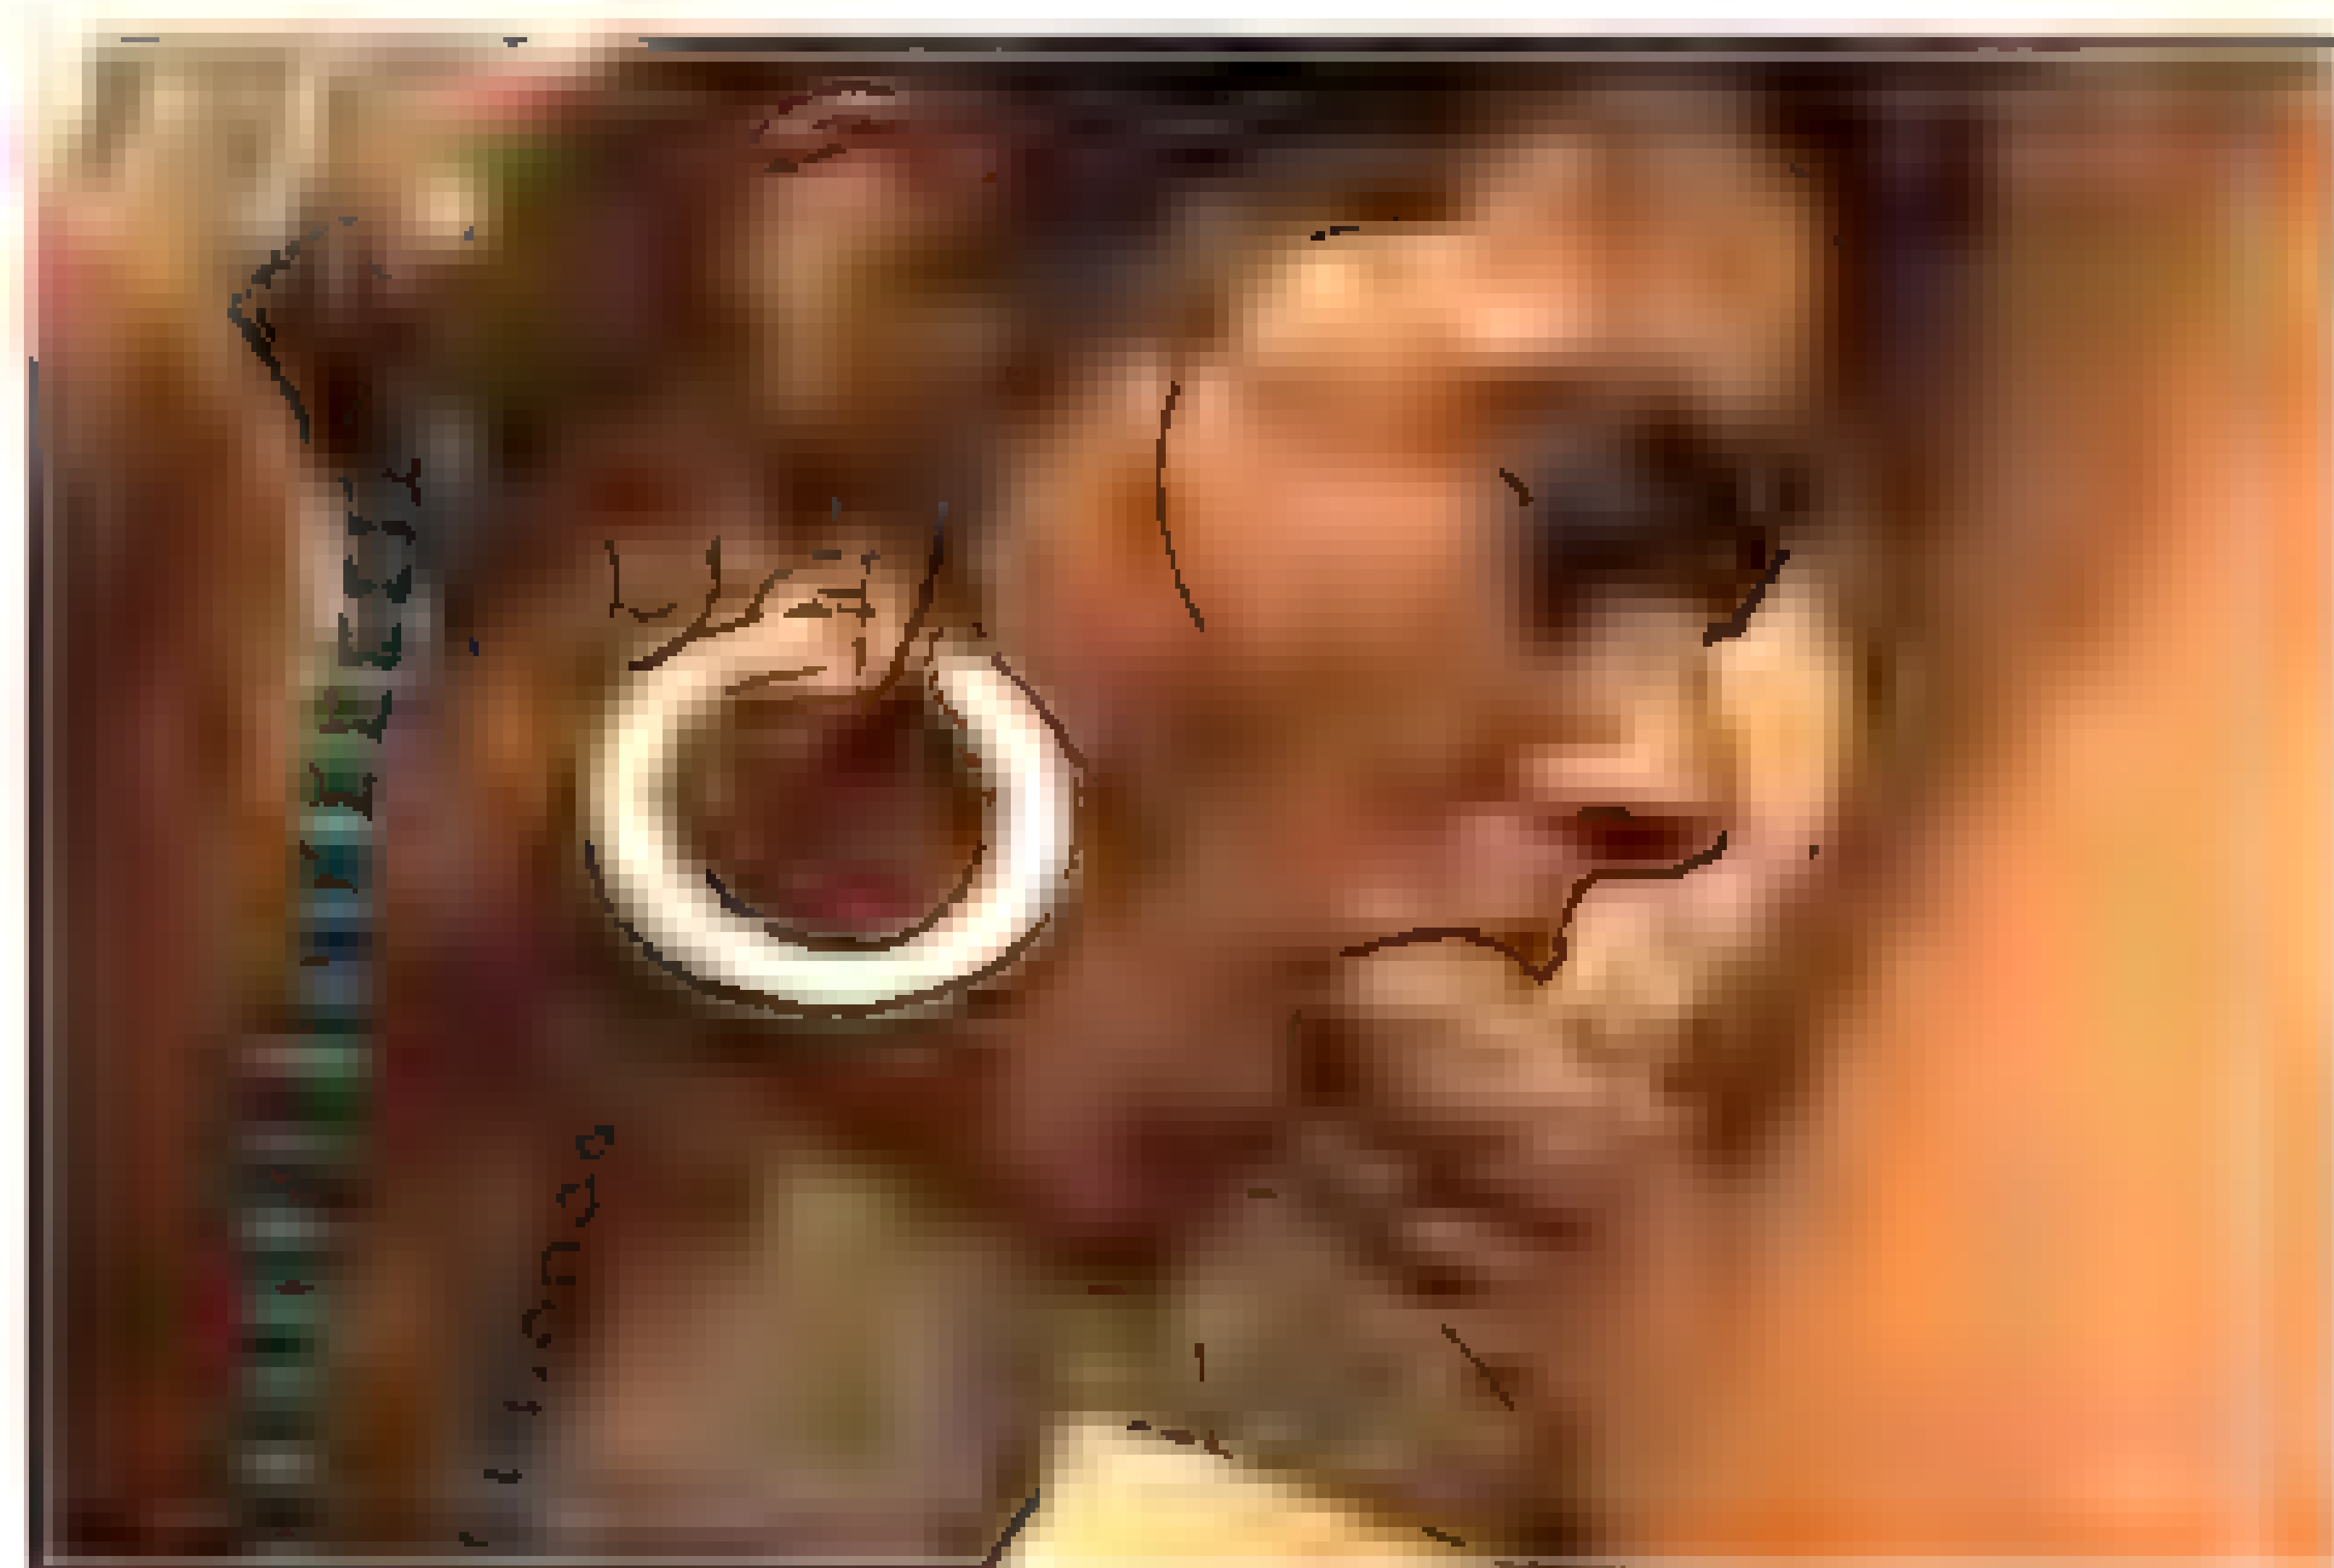

"You'll have to go slowly," she told him, "at least at first."

Lying on her back, Karma spread her legs as wide as she could and braced herself while Tom eased his throbbing cock inside her ass an inch at a time. Soon he had his entire length inside her, and Karma looked up at him in surprise.

"It never goes in that easy."

Simon nodded to Jake. The porn veterans knew this was because Karma was so turned on. They had seen it lots of times, girls who usually struggled with anal taking it like a champ if they were sufficiently aroused by their partner. Of course, they had also seen it go the other way, too...

"Give me another position," Simon instructed.

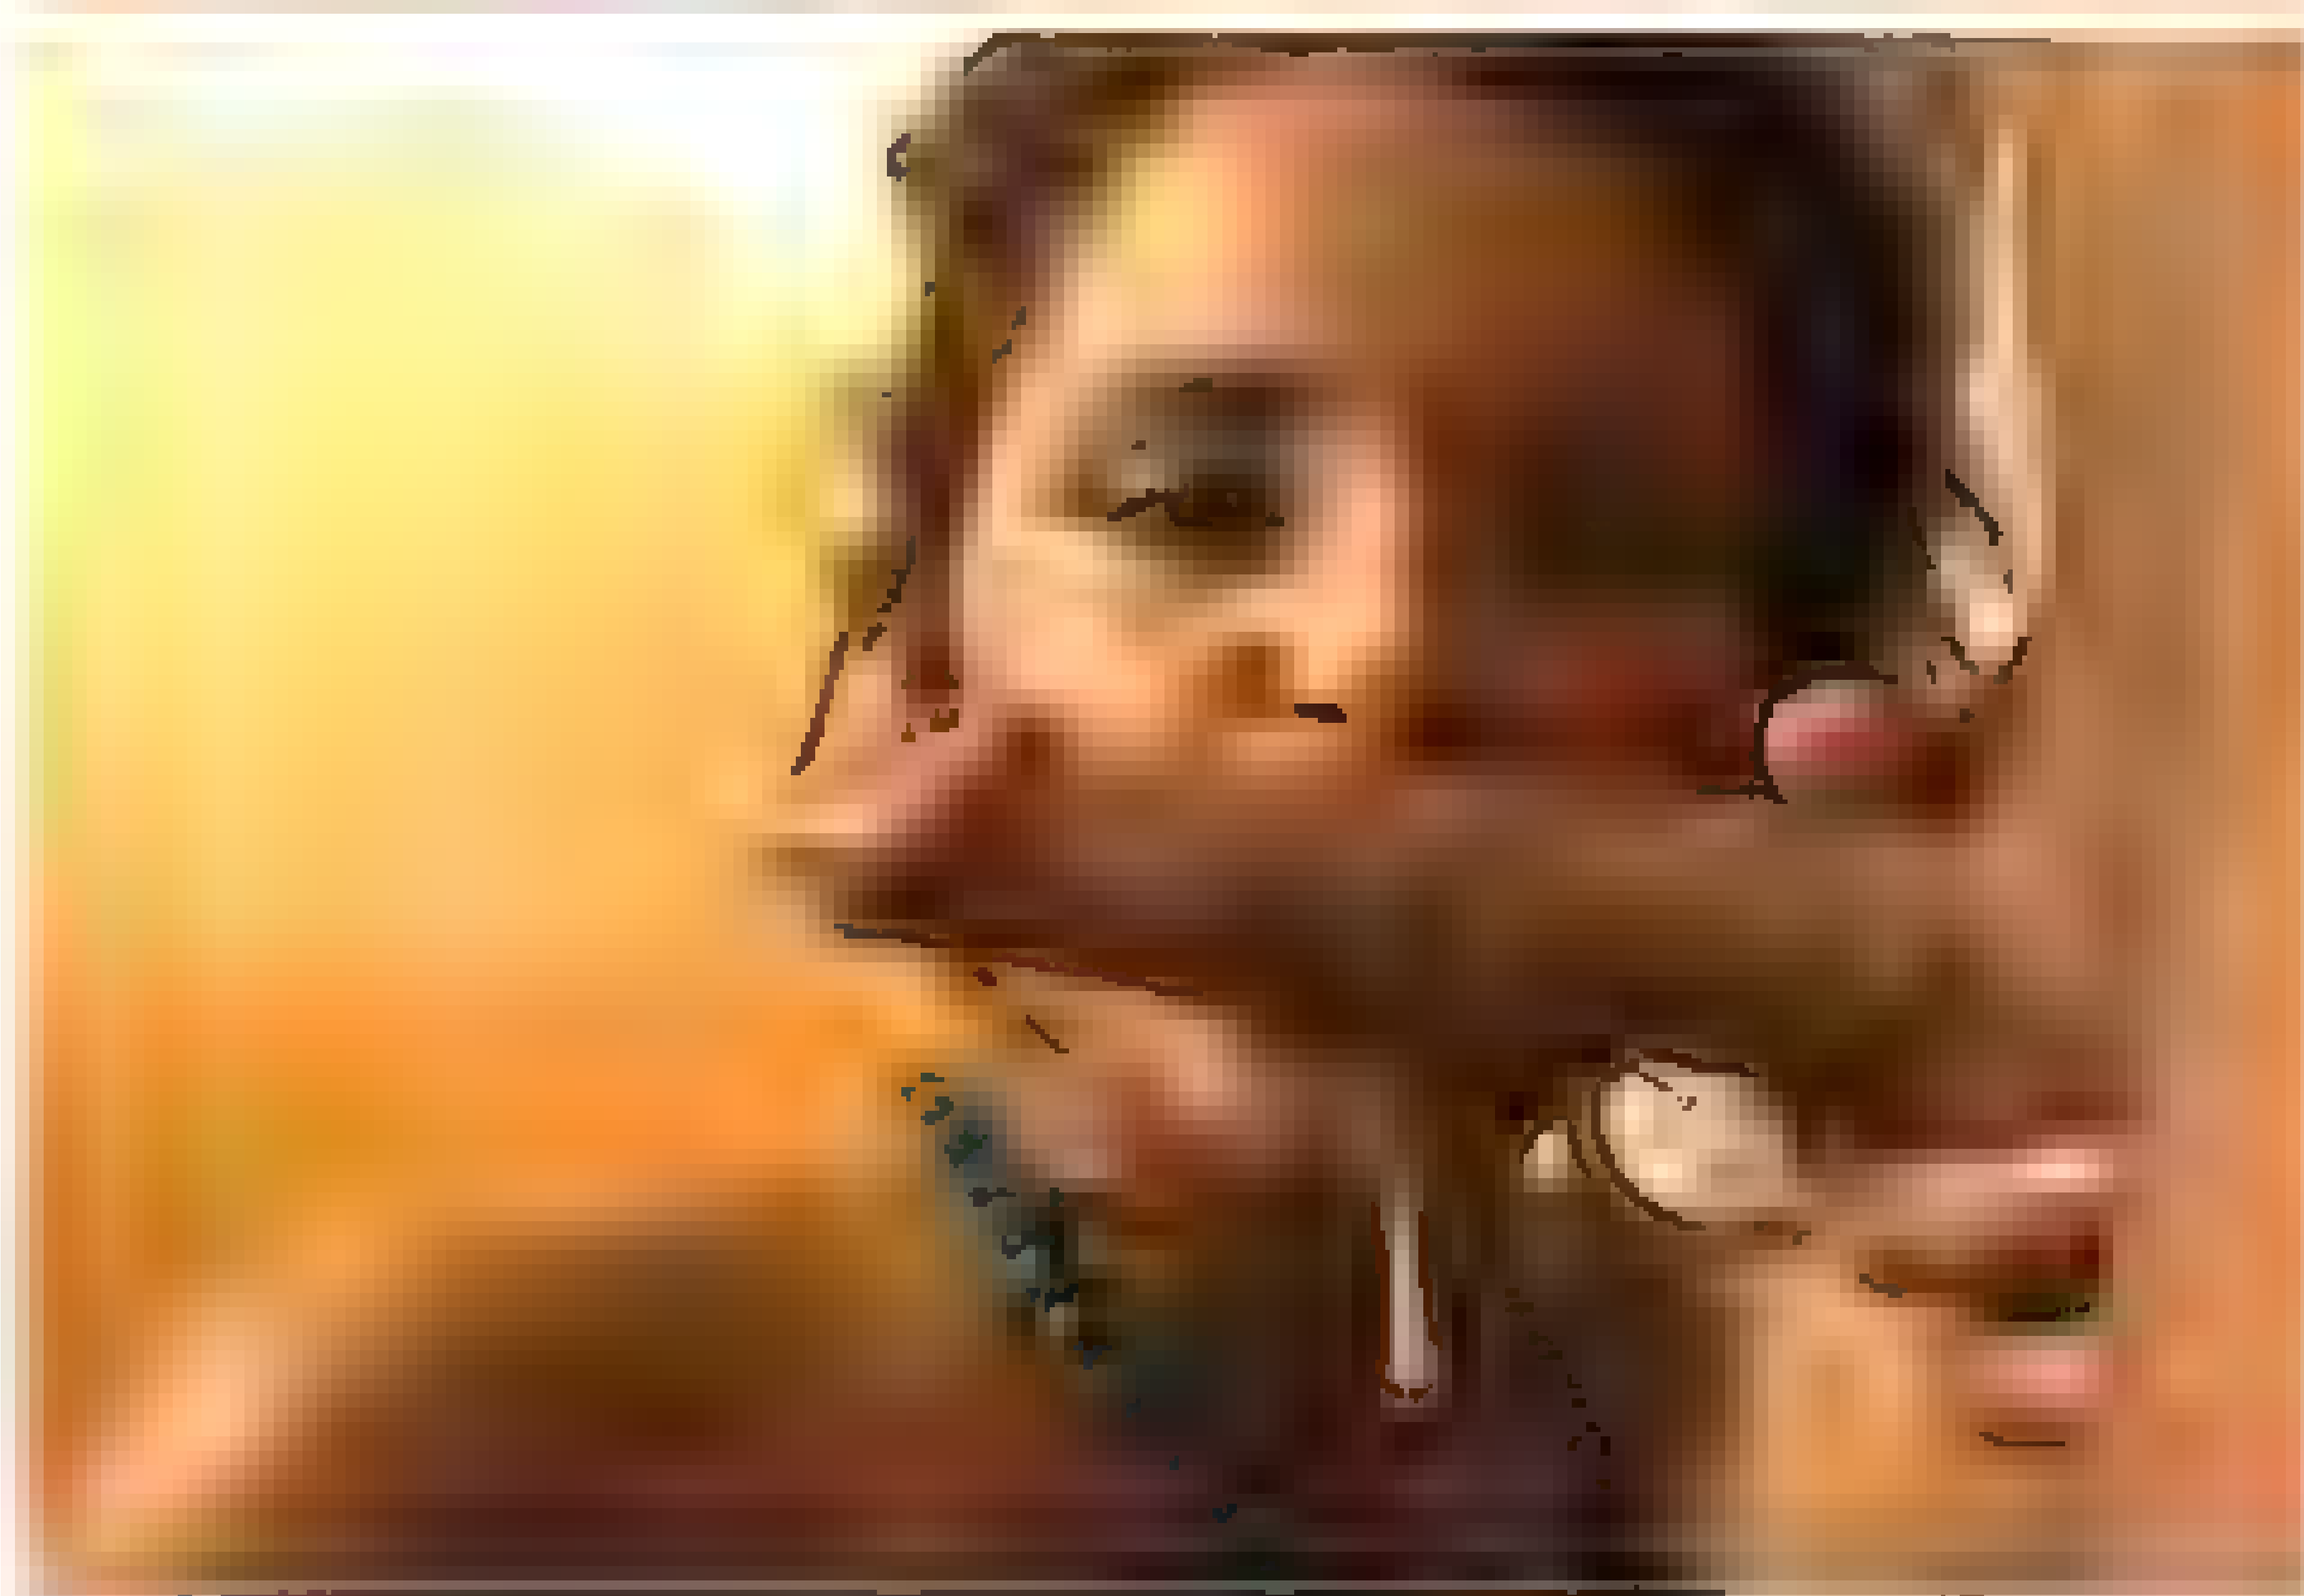

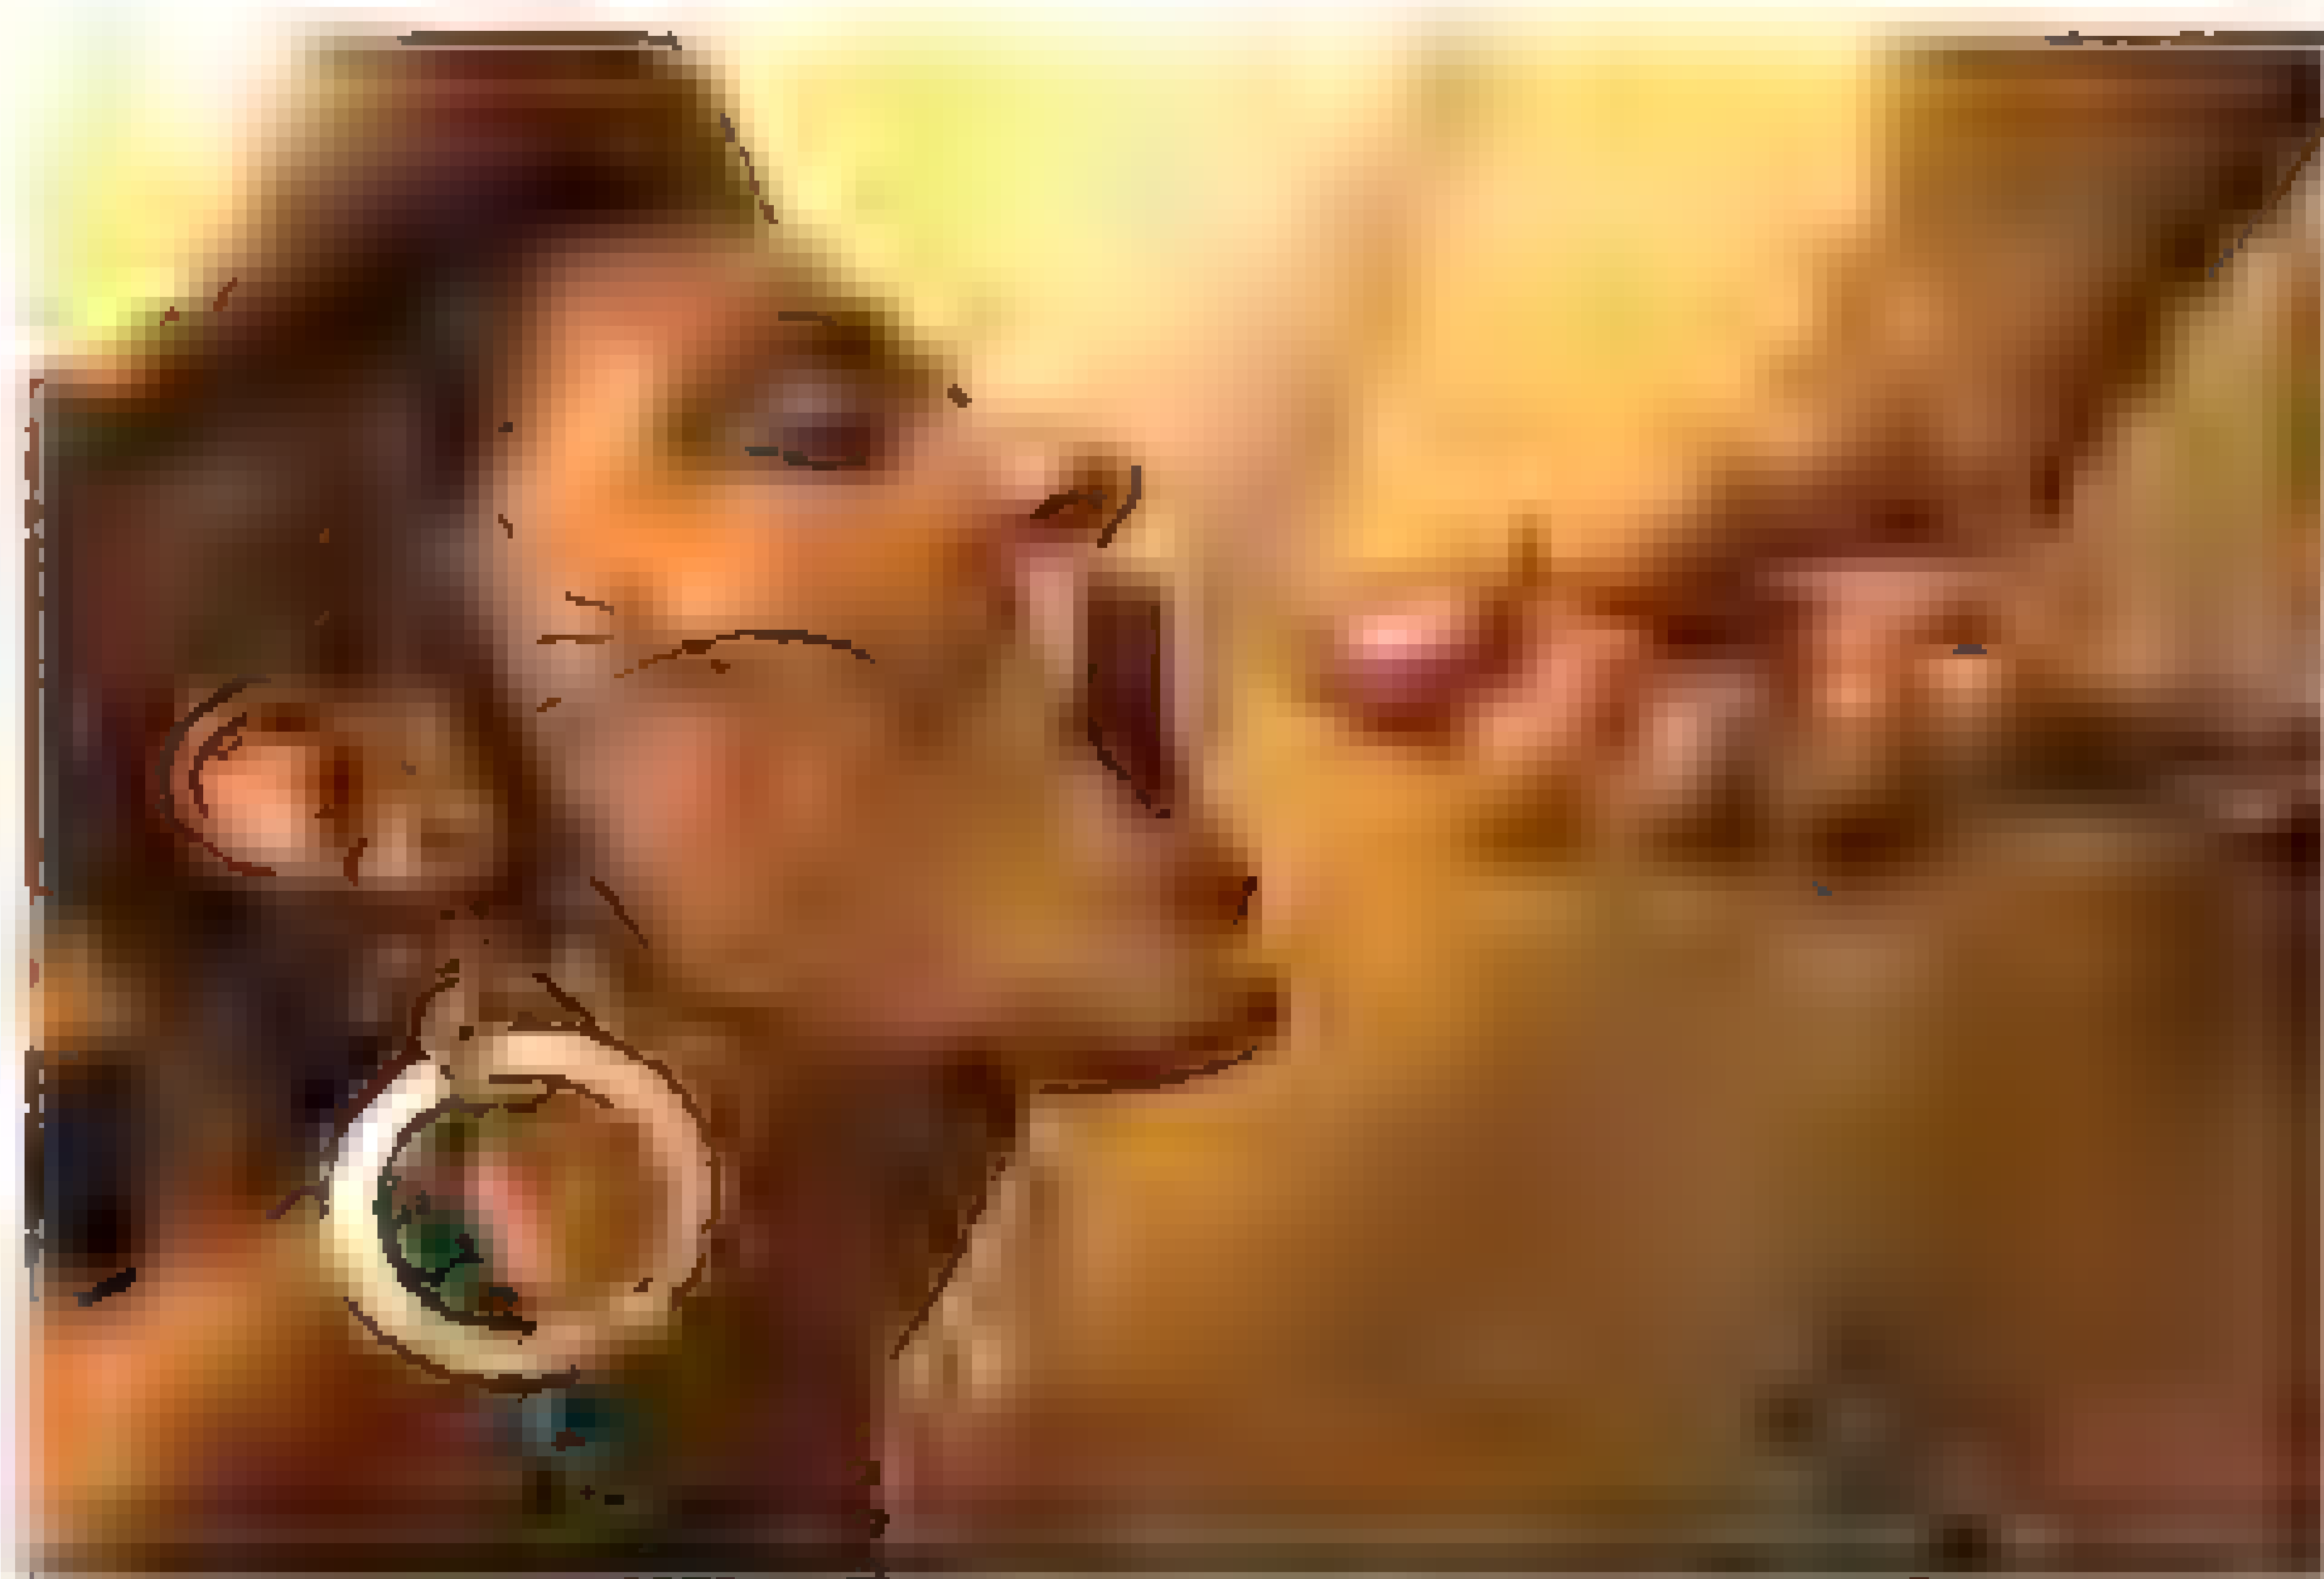

Looking up at Tom, Karma asked, "Want to do me from behind?"

Tom grinned. "Hell, yeah!"

Tom reluctantly pulled his cock out of Karma's ass and watched in awe as the beauty positioned herself so she could suck him. Simon was impressed, he hadn't even needed to remind her to do ATM!

After giving his cock a thorough tongue-ashing, Karma got on her hands and knees and spread her ass cheeks wide. "Fuck me with that big cock," he urged Tom. "Show me who's boss."

There was no need to start slow this time. Tom plunged his aching cock all the way in and ass-fucked her as hard as he could. Karma screamed with ecstasy, pushing back hard against him. "That's it, make me cum, make me cum like a nasty slut!"

Karma's entire body shook with her next orgasm. That was all Tom could take. He pulled out and stood up, positioning himself over Karma's face. The newcummer opened wide and caught the first torrent of jazz on the tip of her tongue. Tilting her head back she let the rest shoot deep inside her mouth.

"Play with his cum," Simon said, zooming in. Karma obliged and sucked Tom's cock while cum dripped out of her mouth. "Mmmm, you taste great," she told Tom.

Simon let them play a little longer and then called "Cut."

It was a great debut. Watching on a nearby monitor, Vicki England couldn't help but smile. Karma and Tom were indeed destined to be porn stars. ♥

Rectal Rooter

ALESKA

Aleska Diamond's all-natural A-cups are capped with super-sensitive nipples, and her flap-heavy vagina is one of the wettest in all of show business. But Aleska's most impressive attribute is down below—her tight tush is like a fuck monster with a mind of its own. "In college, I would fuck my ass with my hand, my vibrator, anything that would fit up there," Aleska admits. "My girlfriends called me crazy, told me I was a slut for loving anal sex so much. Maybe now they will realize how wrong they were. Maybe they'll finally understand there's nothing better than the feel of a cock blasting spunk up your ass!" Maybe, Aleska. Why even go to college if you're not open-minded enough to learn? ☺

INTERVIEW WITH A PORN STAR ALEKTRA BLUE

C

Can you tell me how you feel about AVN Best Actress award?

Yes it does! That's the one award that means the most to me

What was your reaction when your name was called as the winner? Were you hoping to win?

I kind of was thinking, 'My name better be called!' Then when it was called by Jessica Drake of all people, I thought to myself, 'Finally!' I knew my fans would come through. I was extremely excited and especially grateful for my fans. They make me who I am as a performer. And Twitter was a big asset as well. It helped me get the word out there to people and my fans, which really helped me gain those valuable votes. Twitter is amazing. I'm so happy AVN implemented a fan vote. It's about time. (Laughs)

How do you maintain that body?

I go to the gym at least 2-3 times a week when I can. I do heavy weights & very little cardio. To be honest, I don't eat healthy at all. The healthiest thing I eat is sushi, other than that, I live off of fast food and comfort foods. I swear it has to do with growing up in Texas. Wish I had some sort of magical secret but I don't. I actually go to the gym to gain weight because I have a crazy high metabolism. Believe it or not, it's the truth.

What other girls in porn do you see as having great bodies?

All the Wicked girls of course. But I have lost a few body awards to Jesse Jane and Teagan Presley...Lst saying.

Having an all-girl orgy with hot ass bitches was pretty rad. Who can say they've had top-notch orgies? I can! Yum!

Between the awards, have you ever been asked to rate your body on a scale of one to 10?

That's a tough one. Bodywise I'd say 'I'm an eight. (Laughs)

What sort of imperfections, if any, do you feel you have to deal with?

I could use some more ass in my life. It seems I'm always struggling to keep the one I have from deflating. (Laughs)

What's your body part that you're most proud of? Is it your ass, your legs, or are you really proud of how my _____

Usually my legs or my stomach depending on the day. (Laughs)

You've been nominated for Best Actress award and Best Actress award. Can you tell me any other awards you've been nominated for? Have you ever won one, and why?

Yes. I want to win Best Actress. I was nominated at the 2010 AVN Awards for *Educating Allie* and lost. So I'm determined to get my hands on an actress award because if you would have asked me in 2005 if I'd be nominated for Best Actress I would have laughed at you. I like the challenge.

How long have you been a performer in the adult industry?

I've been in the business since 2005. Wow, it sounds like so long ago. When entered I had no idea what I was really getting into. I just figured 'I'll try it out, to myself that if I didn't like it, I could go back to bartending. I never thought in a million years I'd love it as much as I do and make as much progress as I have.

INTERVIEW WITH
**ALEKTRA
BLUE**

**“I love anal...
I genuinely
am one of
those girls
that loves it.”**

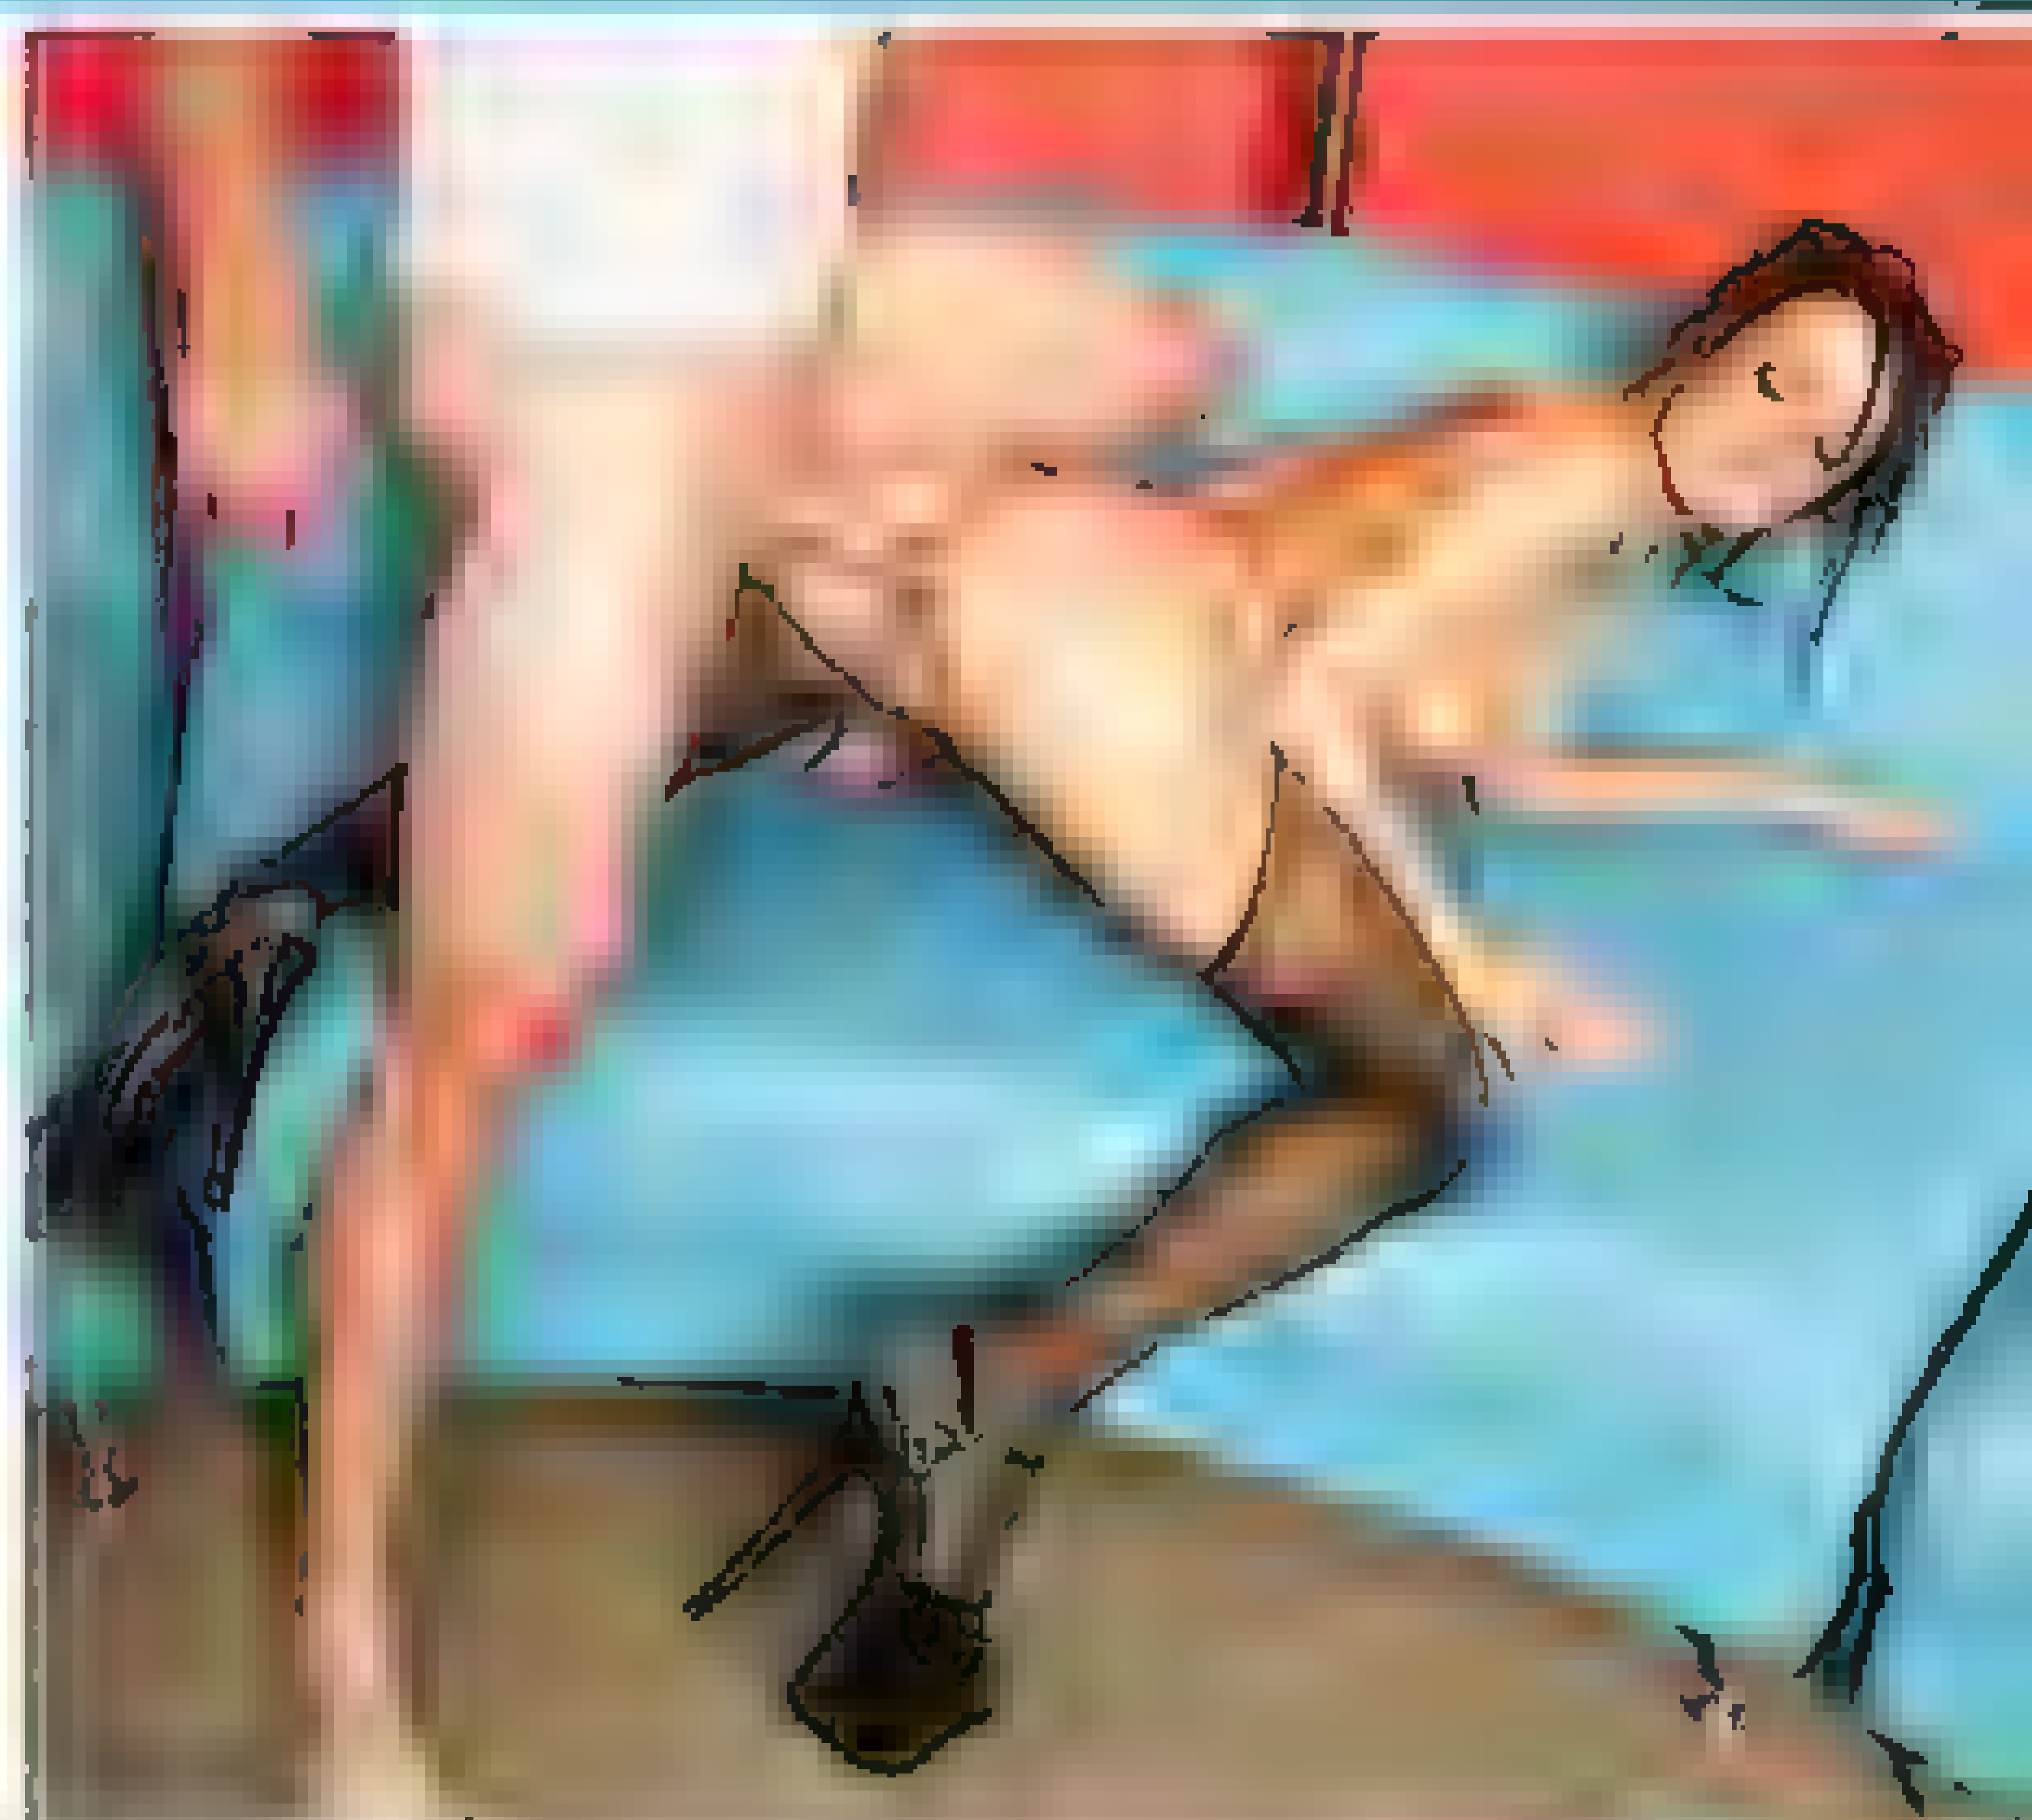

So I was already one of the top gonzo performers in porn. What did you love and not love about being a gonzo girl?

I loved working with all the different crews and being in the know of new girls and guys. On the other hand, I didn't love sometimes showing up and the job would be different from what I was informed. But I didn't have to deal with that too much working with 3rd Degree.

Why did you decide to join Wicked?

Well, I was only doing G/G for other companies and B/G with my ex-husband for 3rd Degree/Zero Tolerance. I decided I was ready to start working with other guys since I was on every 3rd Degree box cover possible anyway. I was working on the set of *Fallen* and I was telling Brad Armstrong and Jessica Drake that I was going to start doing B/G with other companies and they said, "Hold that thought," then Wicked met with me shortly after that. I was completely caught off guard that they wanted to sign me knowing how much gonzo I had already produced. I'm truly honored for the opportunities Wicked has given me.

Which Wicked girl are you closest to and do you love having sex with?

I'm close with Jessica, Kayani Lei, and Kirsten Price. I love fucking Kirsten.

Of all the films you've done for Wicked, which films are among your favorites you've appeared in?

Alektra-fied because it was my first Wicked title. *Educating Alivi*, *2040*, *Dreamgirl*, *Studio 69*, *Lust*, and *Speed*.

What big Wicked movies will you be appearing in 2011?

We just finished shooting *The Rock! Whore Picture Show XXX* parody in which I played Columbia's character in the movie. It should be a big hit. I also have a movie coming out called *Alektra's Anarchy* directed by Barrett Blade, which is going to be awesome!

Which non-Wicked moves are you most proud of?

Total Interactive Control of Alektra Blue by 3rd Degree. I put a lot of work and effort into that movie just for my fans.

How did you come up with the name Alektra Blue? I always thought it was one of the best porn names ever.

Aww, thank you! Well, I was trying to figure out a name and having a bit of a hard time. I told a friend that I wanted a normal but sexy name, kind of like Carmen Electra. My friend suggested "Why don't you just go by Electra?" So I went with it but spelled it my own way. Then later I added the Blue, so it would be easier to find me on the web.

Are you a very dominant or submissive person?

I'm both. I'm very dominant on camera and with girls. I'm submissive to men in bed off camera.

How often do you masturbate?

Every day! At least twice a day.

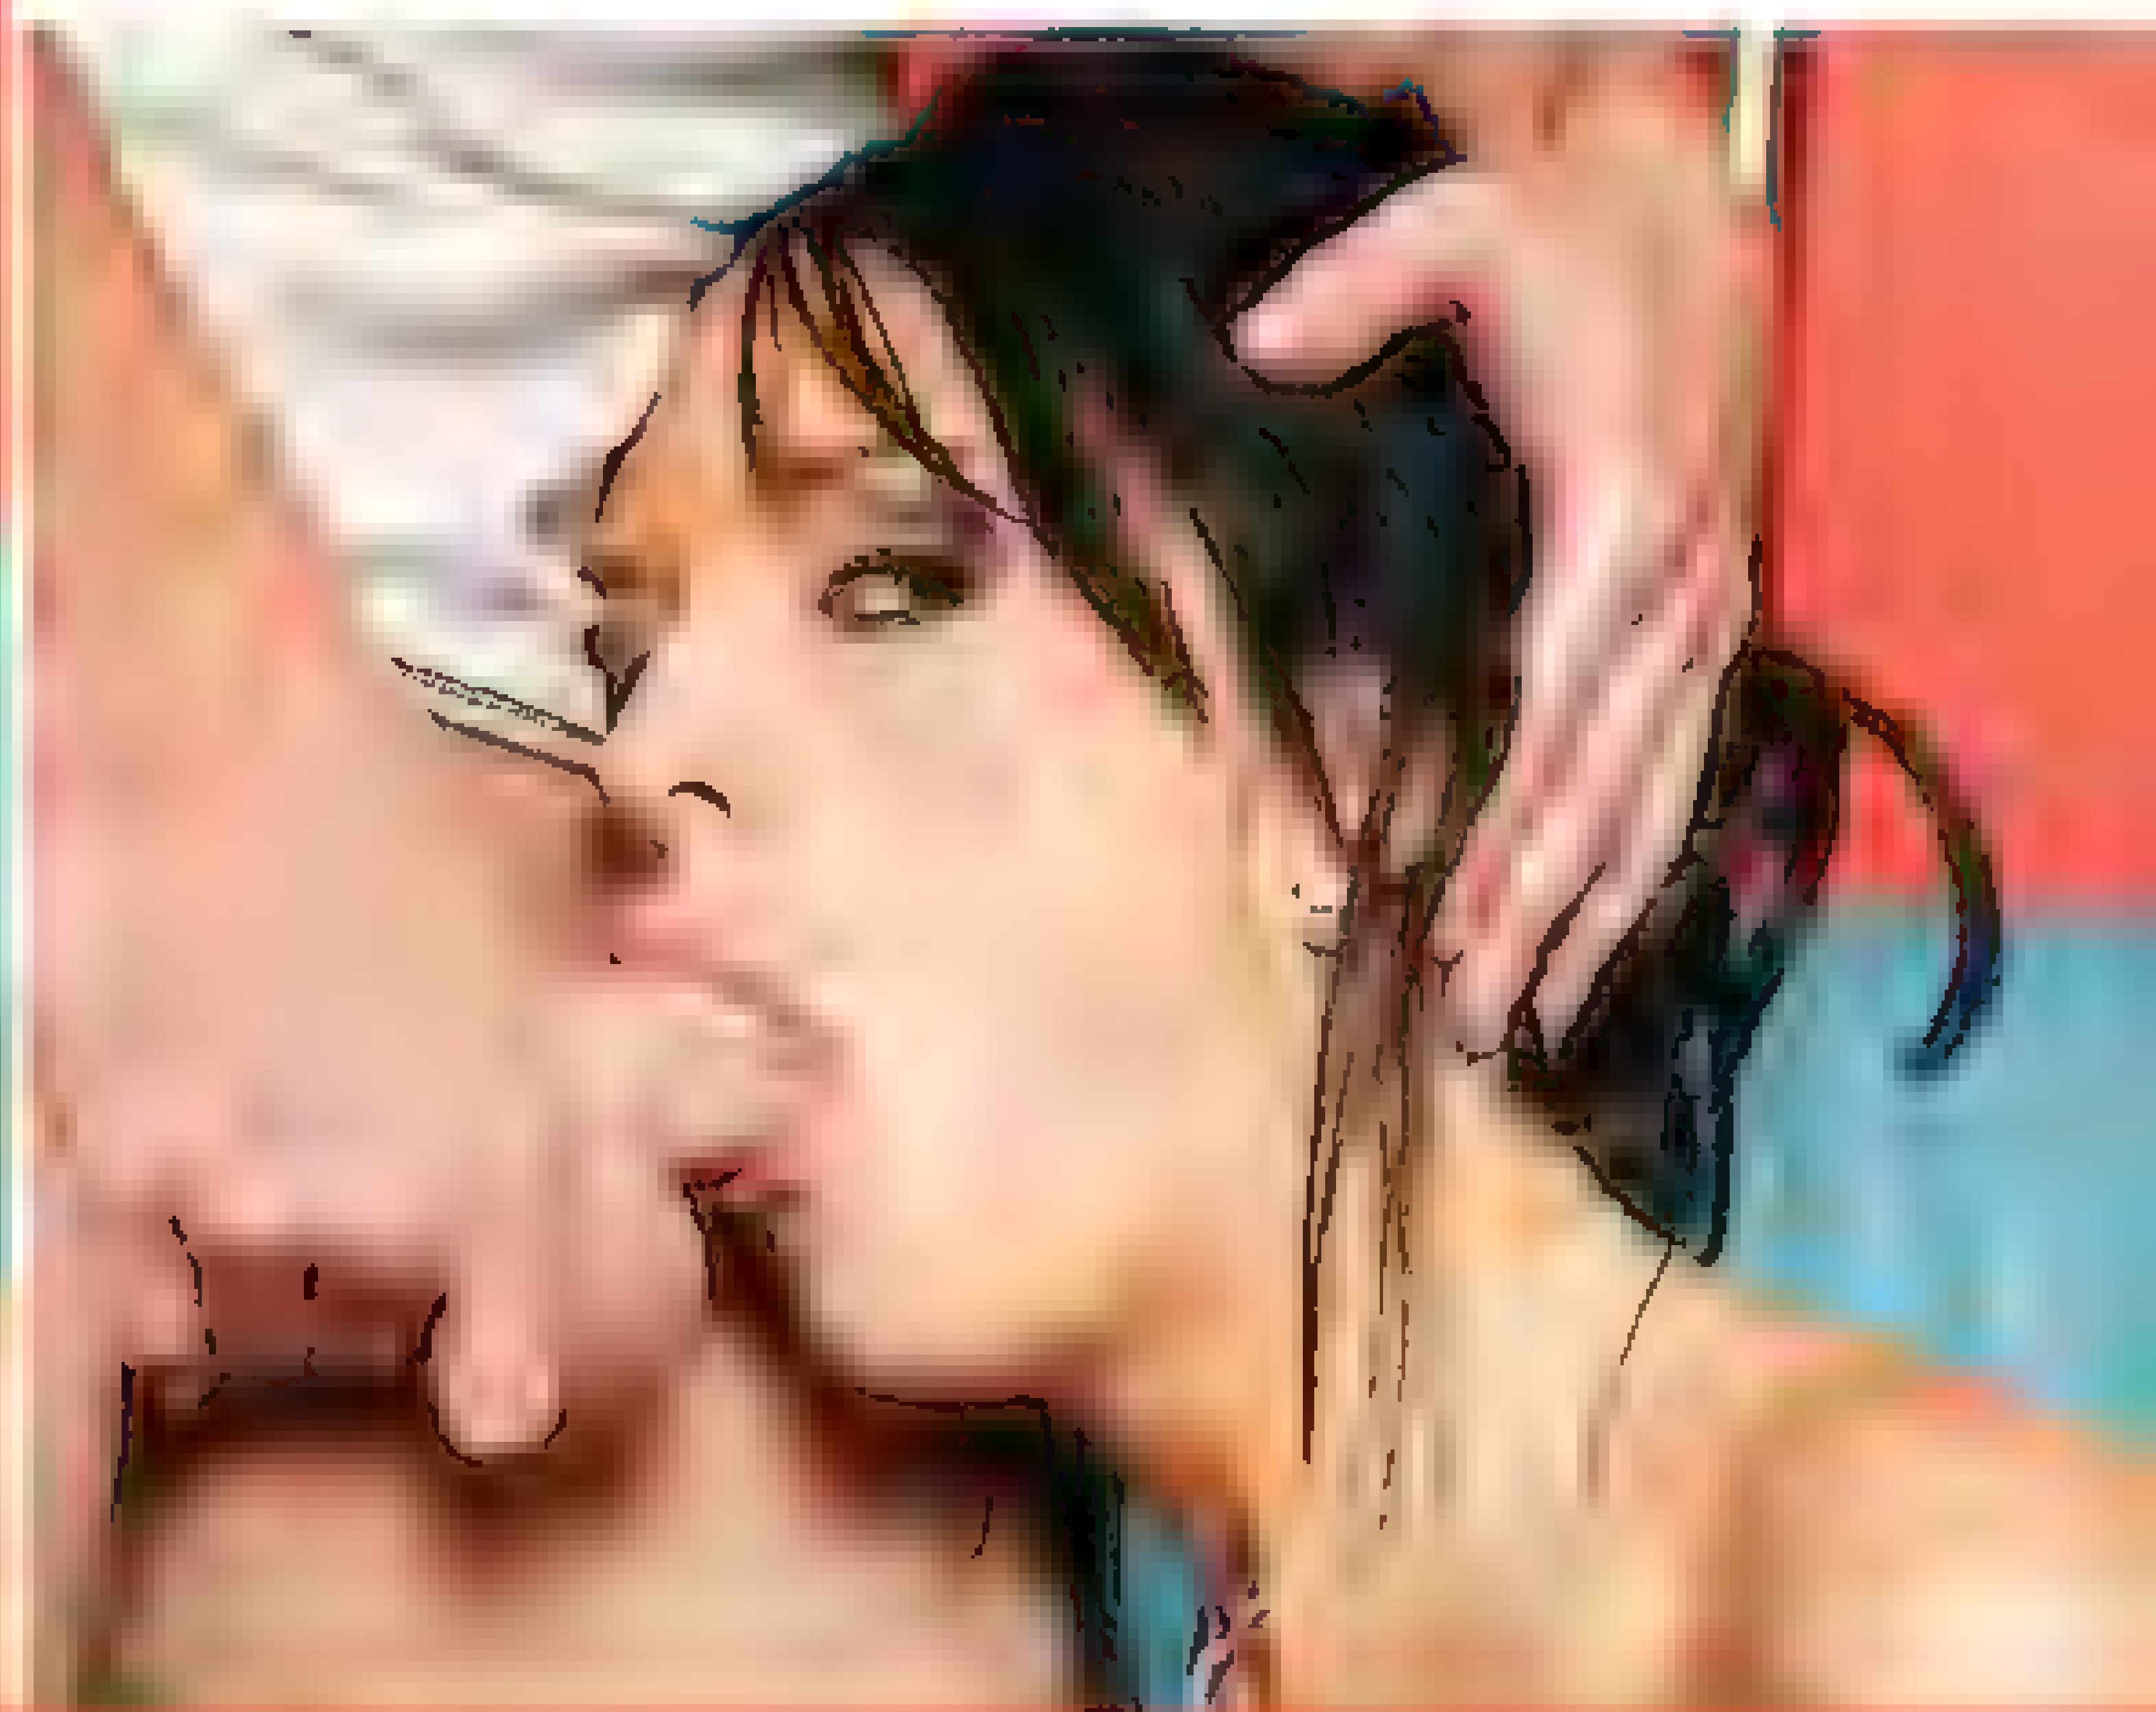

What do you think about when you masturbate?

I think about guys that I've fucked or want to fuck. I also think about guys that I've fucked fucking girls that I know.

What are your favorite fantasies? I love to be a slut.

Hmmm, my fantasies are a little far fetched. (Laughs) Having an all-girl orgy with hot ass bitches was pretty rad. Who can say they've had top-notch orgies? I can! Yum!

**He was fucking me
doggie style and just
shoved it in my ass
without asking...
I really liked it... Anal is
awesome!**

INTERVIEW WITH ALEKTRA BLUE

A: Would you consider yourself a size queen?

No, I'm not actually. It's all in how you work it if there's chemistry. If there is no chemistry then yes you need to bring something to the table. (Laughs)

Q: What's the biggest sexual fantasy you have?

Love and it's never been difficult for me. I do it in my personal life all the time. I genuinely am one of those girls that loves it. That's why I do it on camera.

A: What was your first anal experience like?

My first anal experience... was fucking a friend outside by the pool. He was fucking me doggie style and just shoved it in my ass without asking. At first I was shocked and it was uncomfortable but a few minutes into it I discovered that I really liked it, so I just kept going with it and came so hard! Anal is awesome! (Laughs)

A: What's one sex toy you can't live without?

I call it my buzzer. (Laughs) It's a back massager (not a Hitachi) from Brookstone that's actually kind of big. It has this little metal plate on it that warms up. Absolutely genius.

Q: What's one superpower you wish you could have?
To be invisible.

A: What does the future hold for you?

Hopefully more awards and awesome sex in my movies for my fans. Maybe one day I'll direct but I like my position right

now. I'm also hoping to do some sort of crossover move this year. We will see. I'm working on getting into the fashion business as well. Big things for Alektra are coming. In 2011, can feel it.

Anything you'd like to say in closing to the CHERI readers?

I love you all to pieces! I wouldn't be here without my fans! Follow me on www.clubalektrablue.com, www.wicked.com and www.twitter.com/clubalektrablue. ♥

Present in HOT BOX

SASHA & KRYSTAL

Sasha's Dad just turned 40, so they threw a big party for him. But the old fart got wasted on three beers and had to be carried up to bed. Now Sasha and her girlfriend, Krystal, are left to clean up the mess. "Look, there's still a bottle of champagne left," Krystal says. "I'm crackin' this bad boy open!" Sasha gets two glasses and offers a toast. "To being young, sexy and horny!" she says. "Do you think we'll still be horny all the time when we're old like your Dad?" Krystal asks. "Probably not," Sasha says. "He falls asleep in front of the TV every night. People don't think about sex anymore once they turn 40. That's why we've got to get it now, while we're young!" Half-a-bottle of bubbly later, and Sasha is "getting it"—Krystal's licking her ass as she fingers Sasha's juicy snatch. "Don't make me squirt. Come on, Krystal, let's fuck all night long!" Great, now Dad's gotta clean girl-goo off the sofa tomorrow. Damn those irresponsible kids. 🍷

*Sale to minors prohibited. All our adult products and services are 18 years of age and over.

Every hetero male has tried looking up a girl's skirt at some point. The old classroom trick involves dropping a pen on the floor so you can peek beneath the desk of the girl sitting next to you. Other up-skirt opportunities occur around stairways (the space beneath the bleachers is our personal favorite) and whenever a skirt-wearing babe sits, stands, or bends to pick something off the ground. Hell, we've spent hours staring at a girl across the room, waiting for her to cross her legs. We take our up-skirts seriously here at CHER.

But not as seriously as Director Miles Long and the crew of pervs over at Zero Tolerance. These guys do a lot more than look beneath the skirts of these dames: Blue Angel, McKenzie Miles, Andy San Dimas, Amy Brooke and Danica Di An are girls who love to give a guy a good fash, but their ultimate goal is to get their gashes stuffed with big cocks.

In *Up Skirts 2*, the girls don't have to try too hard. It's pretty easy to get these guys to drop their drawers and fuck their tasty holes. A couple of the guys even get anal access. It's a lesson to us all that looking up skirts isn't a bad thing. In fact, it's entirely natural and sometimes leads to situations where we get to bow a load in, on, or around a hot chick. Not bad. *by Acme Anderson*

Blue Angel with Erik Everhard

Times were tough not so long ago in Hungary, but Blue Angel is set to fuck her way up to the next social level—as well as to the next mental and physical levels, too. It starts when she gets her foreign tongue on Erik's prick and picks up when she presents her flap-heavy snatch for him to obliterate.

She grinds on him for money and bal' honey, but all she can think of as he diadles her clit while banging her is that she can't stop cumming. The sweet ass tightens as she cums and her breathing sputters. Loud, crazed sounds soon escape her, and it's obvious she loves climbing the social ladder.

As Erik comes in from behind, we can see the way her fingers work her clit and how her pussy lips have opened wide for the massive cock of her American benefactor. He rides relentlessly, giving her pussy a banging it will feel for days and one she will remember during sleepless nights for the rest of her life. Giving her a break from her multiple orgasms, Erik sucks on her twat, but the hungry Hungarian demands he keep fucking her. She spreads her legs, pulling them back by her ears and letting him ram and cram until he's ready to pop. When that time comes, he simply pulls out, pushes her head down and unloads on her face and into her mouth. Blue looks lovely with a thick, white line of jizz running up her face and she's one load closer to achieving the status she desires in her new country.

McKenzie Myles with Denis Marti

Today we see McKenzie doing her best to impress her neighbor, going over to his house to show off her barely-there skirt. Denis is almost speechless, but she's not really looking for a conversation.

Soon she's grinding on top of him, telling the new guy how much she wanted to come by and welcome him to the neighborhood. She gets his cock in her mouth—all of his cock—and suddenly Denis is damn happy with his mortgage. She pops her fittles out of her tiny top and he takes care of the rest, getting her skirt and panties gone so can feel her up. Next thing she's bent over on the couch, he's balls-deep in her cooch and she's telling him that if she knew his cock was so good, she'd have been over there a week ago. He rals her until she gapes, fucks her some more, then switches things up, getting her young body on top, sliding up and down as she slides a couple fingers into her asshole.

Soon the well-hung neighbor discovers she wants more than his fingers in her ass and she tells him to try the rear entrance, but "be easy, I'm just a little girl." She may be small but her holes are big enough to accommodate Denis and his huge rod. "You're so big I can feel you in my pussy, too!" she moans. She does a little reverse cowgirl, showing him how loosened up she is, and then Denis gives her a huge splash to the face. Sure beats Welcome Wagon.

Andy San Dimas with John Strong

Andy catalogs her day's chosen garments and tells us why she wears them. No surprise, all of it is meant to arouse guys—especially her boyfriend. She goes over to John's in her short little skirt, pink panties and half-top, John likes it, but soon everything but the tiny skirt are gone and she is sucking his cock while giving him a two-handed blowjob then switching to one hand, using the other to play with her pussy.

He tells her he wants that pussy on his cock and she climbs on, riding his dick while continuing the dirty talk, going from high-pitched howls to deep grunts. Her pussy slips turn a darker shade of pink the longer his cock slams her snapper. She cleans his cock off and then he takes her from behind. He finds one of Ms. San Dimas' sweet spots and soon she's turned back to look him in the eye, demanding "keep fucking my hot pussy, and spank my fucking ass!" She cums again, her cunt squeezing his cock.

They go into a spoon, which allows us to see her little muff and pussy, its lips swollen around his stick. She watches and gives a play-by-play to John ("Bust your nut on my hairy fucking cunt!" she tells him) and apparently it does something for him because out of nowhere he pulls out and blows his load all over the little muff she has kept so well-tended.

Amy Brooke with Pat Myne

Life hasn't turned out the way old Pat the poo boy planned. But luck is trying to come his way, if only he'd look up to the second-floor balcony where Amy is putting on a show, trying to lure him up to fuck her. Pat's oblivious, so Amy finally goes down to the poo and tells him she'd like to play with his pole. Without bothering to go back up to her apartment, she sucks on Pat's prick, plays with her pussy and then it's time to head upstairs.

She sucks him on the couch, but that's just a warm-up. She bends over on the couch, her pink panties still on but pulled to the side and out of the way. Pat nips her fresh, soaking-wet cunt. The young lustie is loud and they better finish before her parents get home, because they will not hear anyone coming. It's a long, intense doggie style that has her wanting to push her limits.

She gets up to reverse cowgirl him, but shocks him by shoving his cock into her ass. Her bald snatch is left to finger play and mindless smacks as he lands his stiff one deep into her bumper. She turns around and Pat adds a couple fingers to her ass and it not only stretches her out, it gets her cumming on his meat. Soon he's cumming, too, and she gets the brunt of it in mouth, with just a little landing on her chin. Just in time, too...here comes Dad!

Danica Dillon with Mark Wood

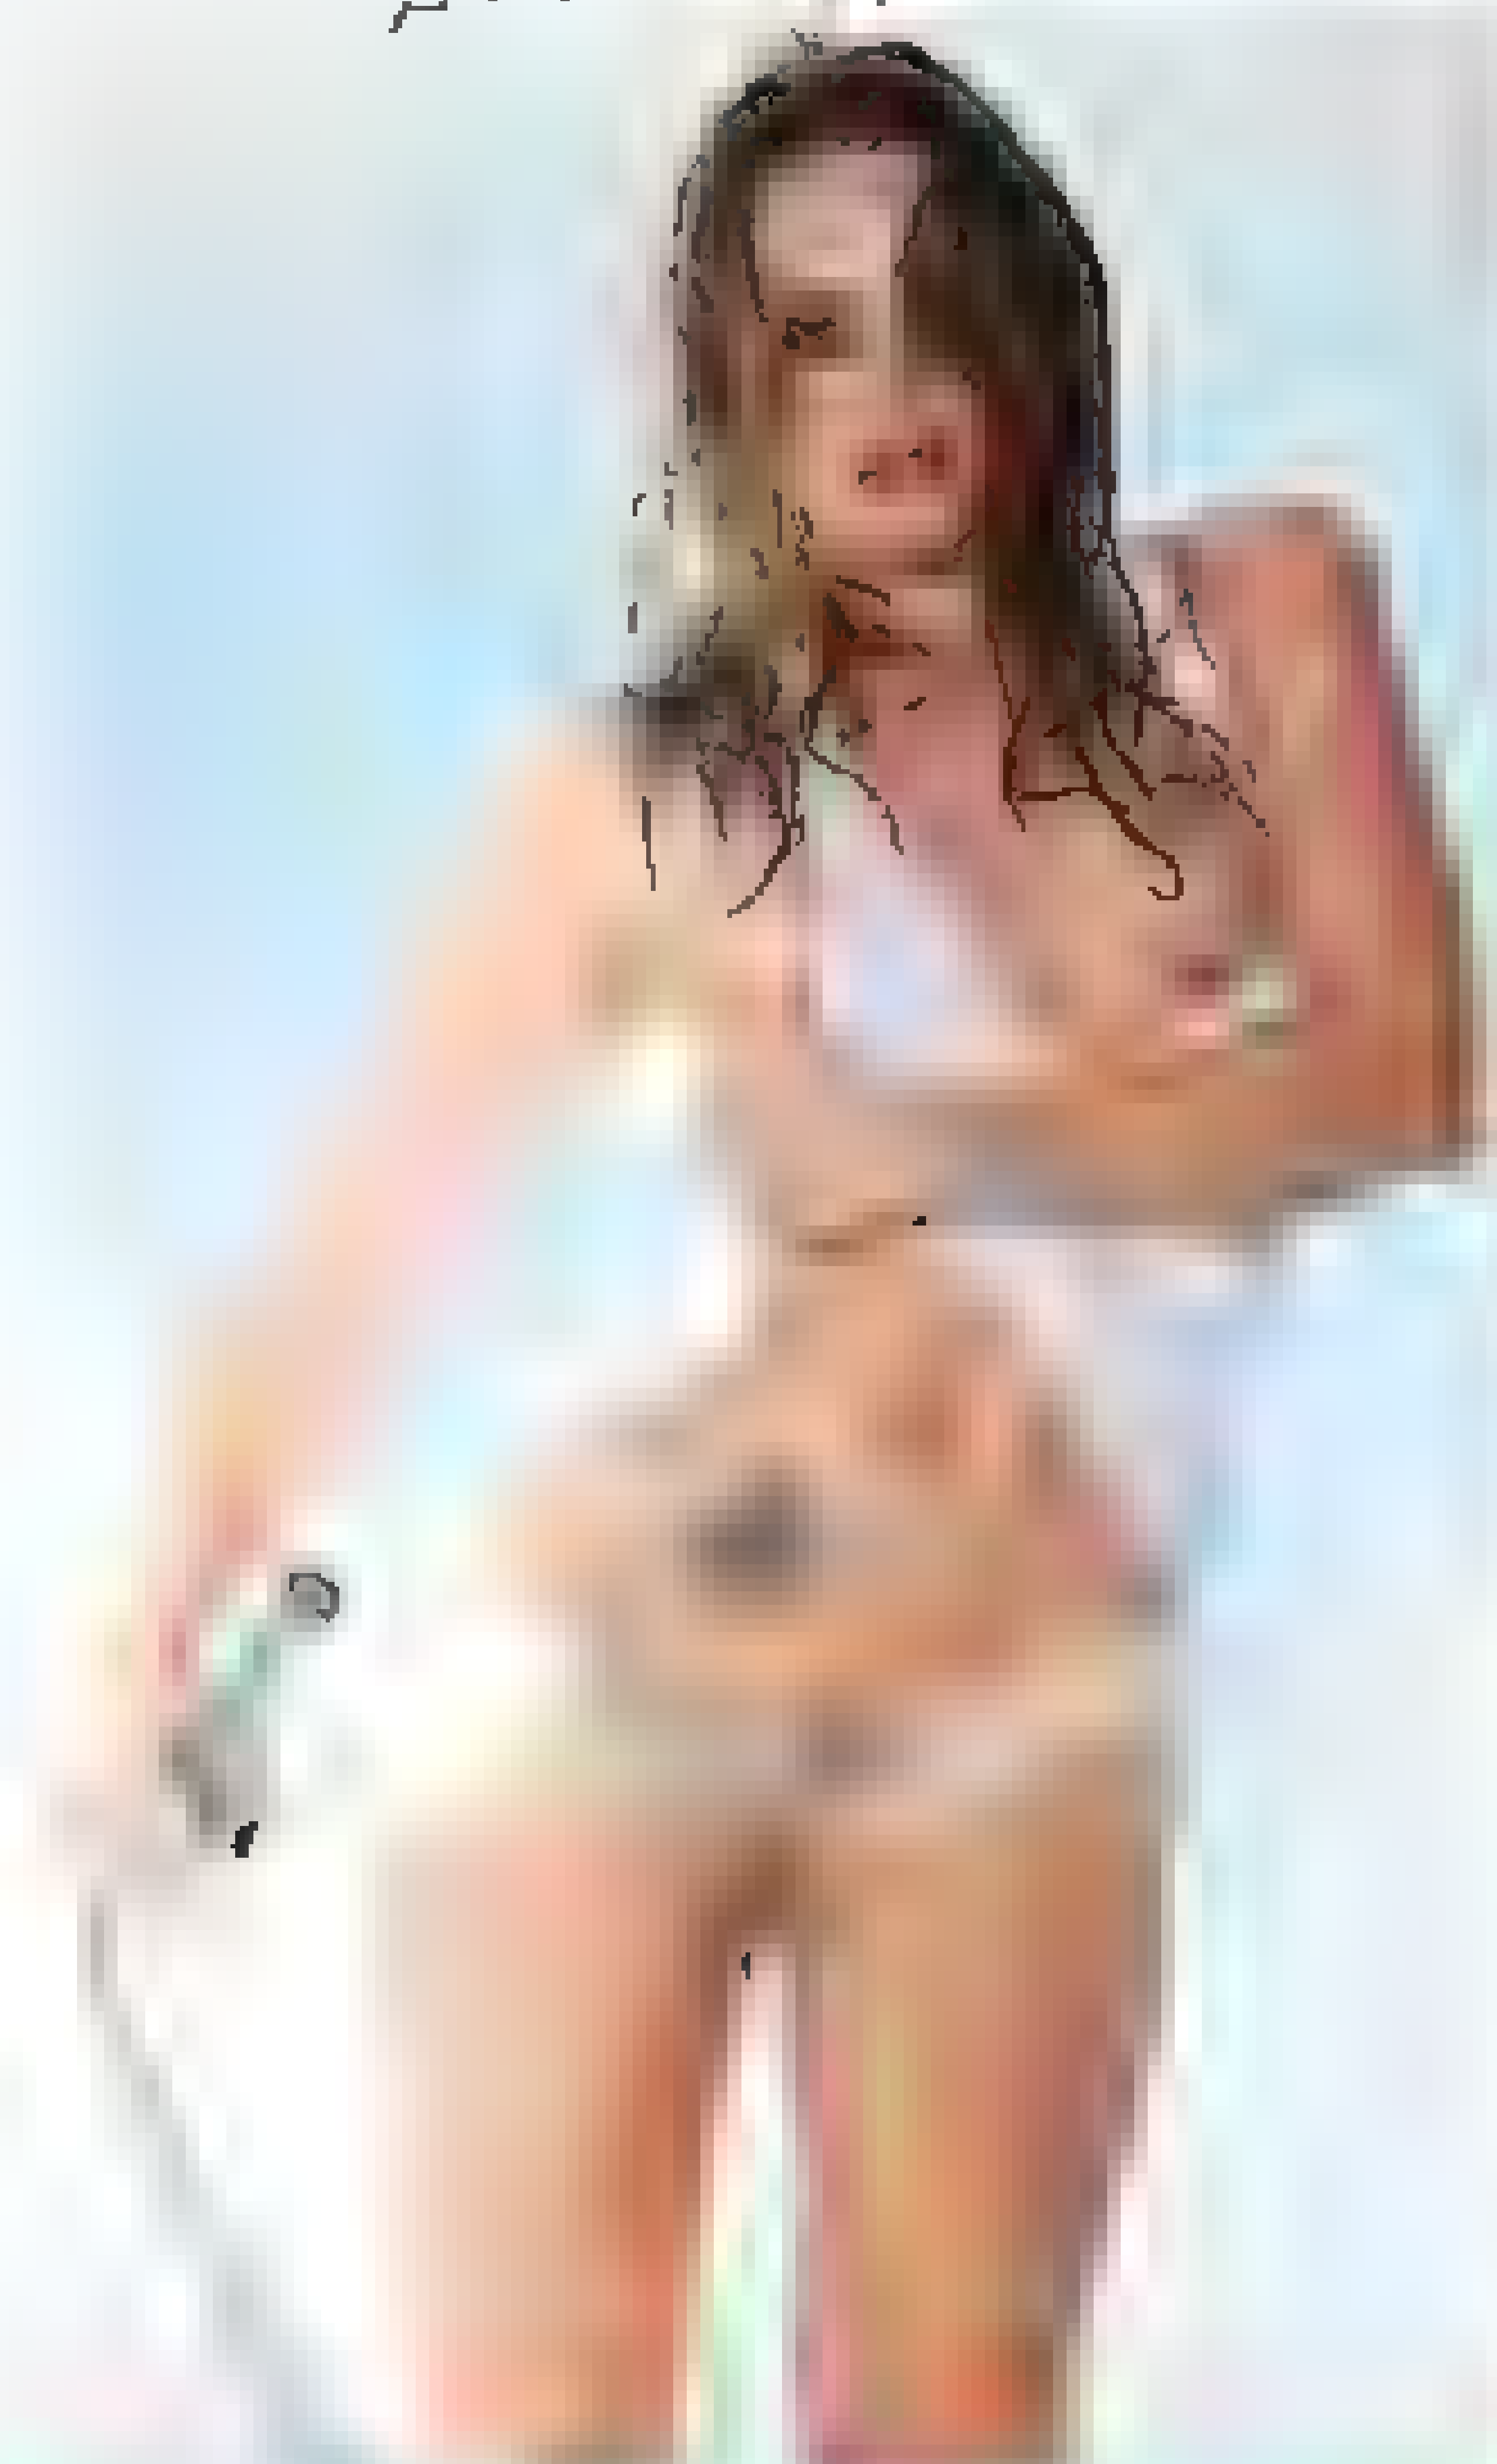

It all started for Danica when she realized she liked wearing skirts, short skirts. Then she realized she like flashing. The reaction, not surprisingly, has been overwhelmingly positive. It certainly caught Mark's attention and she was pleased to get his tongue beneath her hood, spreading her big hole like the Pink Sea before shoving his dick in her mouth and then into that vast opening she calls her taco.

"I'm such a dirty fucking whore," she tells him, up on all fours as he tears into her, howling filling the room. "Fuck me! Fuck me like a dirty whore! Fuck me harder." Mark picks up steam and soon she's a hot blur of screams as Mark keeps his rhythm and delights in how he's getting to fuck this young girl. Knowing that he has full ownership, he declares the positions, leading her around, making her cum, smacking her ass and pleasuring himself by pleasuring her. "Want me to cum for you?" she purrs at one point, her body tensing up as she orgasms again. Mark slows for a second, then resumes, making her cum again.

As Mark nears his big release, she waits patiently, lapping up his load when it finally blasts out, most of it ending up in her pretty mouth. As she cleans up her face she looks at the camera.

"You should try wearing short skirts, too," she says. "Then you'd get fucked more, like me." Words to live by. 🍆

TORI BLACK

Guess who was named Female Performer Of The Year for the second year in a row at the Adult Video News Awards? That's right, current CHERI Tart Of The Year Tor Black. Know who else won the Female Performer Of The Year Award two years in a row? No one. Tor is the only girl in the history of porn to nab the coveted award in back-to-back years. Tor's also been named one of the 2 most popular performers in porn by CNBC. Well, *duh*, CNBC. You only had to pick up a copy of CHERI to know that. Tor's made nearly a dozen appearances in our pages since 2007, and we're happy she's back, showering up in this month's centerfold. CHERI's where the porn stars come to play, and occasionally, wash their privates. It's also where the staff masturbates daily. No biggie. We're pretty sure they're jerking off over at CNBC, too.

ROOSTER

Pulled Pork Sandwich

Rose tries to be a good person. She donates to several charities, brings canned goods to the local food bank, and volunteers at the animal shelter. Seems like a good person to us. But Rosie lives with a dark, depraved compulsion. She likes to be taken by men, sometimes two or three at a time, men with thick, hard cocks and cold, leering smiles. She doesn't want conversation or companionship. She wants to get bent over and fucked. She wants to suck a stiff dick while another plows her asshole. She wants to shove both boners in her mouth at the same time. She wants to be fucked until she's a sweaty, quivering mess, splattered with hot cum. Rosie's desires fill her with shame, but they make us like her even more. Quit the goodie two-shoes crap and just be a whore, Rosie! You're a natural! ♡

AMERICA THE BEAUTIFUL

America is the greatest country in the world. It's a land where freedom rings, and nowhere does it chime more loudly than at a nude dance pageant. What cries freedom more than a nude chick gyrating to bass-heavy dance tunes? What represents our liberties better than a naked babe climbing a brass pole using only her thigh muscles? This is what makes this nation great. This is what we're fighting for.

GALLERY SHOWING

The Miss Nude United States Pageant was held in late January at The Gallery, in the southern Illinois community of DeSoto. DeSoto's usually a pretty quiet place, but in late January it was transformed into a hotbed of erotic dance decadence. Dozens of dancers from all over the country came out to compete for more than 25 different trophies, from Hottest Body, to Pole Champion to Best Props, all while keeping an eye on the top prize, the coveted Miss Nude United States title.

HERE CUMS DA JUDGE

Miss Nude World 2011 Krystle Cummings hosted the week-long event. When she wasn't handing out prizes, Krystle heated up the stage with her own scorching dance act. Twelve judges had the difficult task of picking the best of the best in categories that included Miss Redhead/Brunette/Blonde/Petite/Rising Star, Performer of the Year, Entertainer of the Year, Midwest Entertainer of the Year, Midwest Pole Champion, Miss Nude Midwest, and North American Pole Champion. Tough job, but somebody's gotta do it!

The next time you're in DeSoto, Illinois, get yourself over to **The Gallery** out on Highway 51 (five miles north of Carbondale) and tell 'em CHERI sent you!

KEY:	POWER OUTAGE completely limp and flaccid	⚡ a little tingle, that's about it	⚡⚡ semi-erect
	⚡⚡⚡ not bad, boner-inspiring	⚡⚡⚡⚡ above average, hard and throbbing	⚡⚡⚡⚡⚡ classic! ready to spew!

JESSE JANE: RECKLESS ⚡⚡⚡⚡⚡ (Digital Playground)

Starring: Jesse Jane, Angelica Sage, Alyssa Reece, Vanessa Leon, Cindy Hope

From the Digital Playground vault comes the long awaited release of *Jesse Jane: Reckless*, directed by Celeste. It's a light bondage number from one of the best at crafting softcore with an edge. Jesse Jane is always the best thing about any film she appears in, and *Reckless* is no different. She brings the jerk off factor here and we promise you the stroke levels will be high after watching her scorching scenes with Scott Nails and Manuel Ferrara. But for some serious jerk off action, her girl/girl tryst with Alyssa Reece will leave wrists sore. The rest of the comely female cast lives on in your freaky imagination long after viewing this title. Vanessa Leon is a sexy, spicy Latina vixen. Cindy Hope is a European tramp who takes on two dicks. For fans of soft-edged kink or if you're looking for a few scorching Jesse Jane scenes, this is a good one to check out...your gay friends will like it, too!

RACHEL STARR IS BAD ASS

Starring: Rachel Starr, Madison Ivy, Celeste Star, Kimberly Kane, Asa Akira

Rachel Starr's kick-ass in this DVD! One of the finest pieces of ass in the business, Rachel lets us watch that ass get plundered in her anal debut. From the first moments, when the camera zooms in on Rachel's crotch and ass, we were mesmerized. Our boners got even harder when Madison Ivy arrived on screen. Hot lesbianism ensues, broken up when Erik Everhard enters the scene to nail these two fine beauties. Nice job Erik! Anal deflowering with Michael Stefano follows. Mike squeezes gently into Rachel's virgin butt, but before long he's pounding away as Rachel hangs on for dear life. Welcome to butt sex, darlin'. Ain't it fun? Rachel returns for a sizzling three-way dyke session with Celeste Star and Kimberly Kane. Rachel shows she can fuck the babes as well as the boys, dropping a few loads of her sweet pussy juice all over her girlfriends. Mick Blue gets the honor of nailing both Rachel and Asa Akira, and we find out how much Rachel loves to eat Japanese. *Rachel Starr Is Bad Ass* may be director Mason's erotic masterpiece!

SEX FILES 2: A DARK XXX PARODY

★★★★

(New Sensations)

Starring: Kimberly Kane, Dani Jensen, India Summer, April O'Neil, Bree Daniels, Nikki Benz, Bobbi Starr

You know what geeky dudes love more than *The X-Files*, *Star Trek*, *Tron*, and *Star Wars*? Hardcore porn! That's one of the reasons the first XXX parody *Sex Files* was popular enough to warrant a sequel. The other reason is the strong casting of Kimberly Kane and Anthony Rosano as Scully and Mulder. Either way, *The Sex Files 2* continues the first film's blueprint of engaging story, quality acting, and scorching sex scenes. Lots of films have that last one, and *Sex Files 2* more than delivers, with dick-stroking performances from Kane, Nikki Benz, Bobbi Starr, Bree Daniels, Dani Jensen, India Summer, and mega-hot newbie, April O'Neil. The sex is awesome, but the story and the acting keep you watching, and might even be this film's strongest selling point. This is *Citizen Kane* for erection-rubbing nerds.

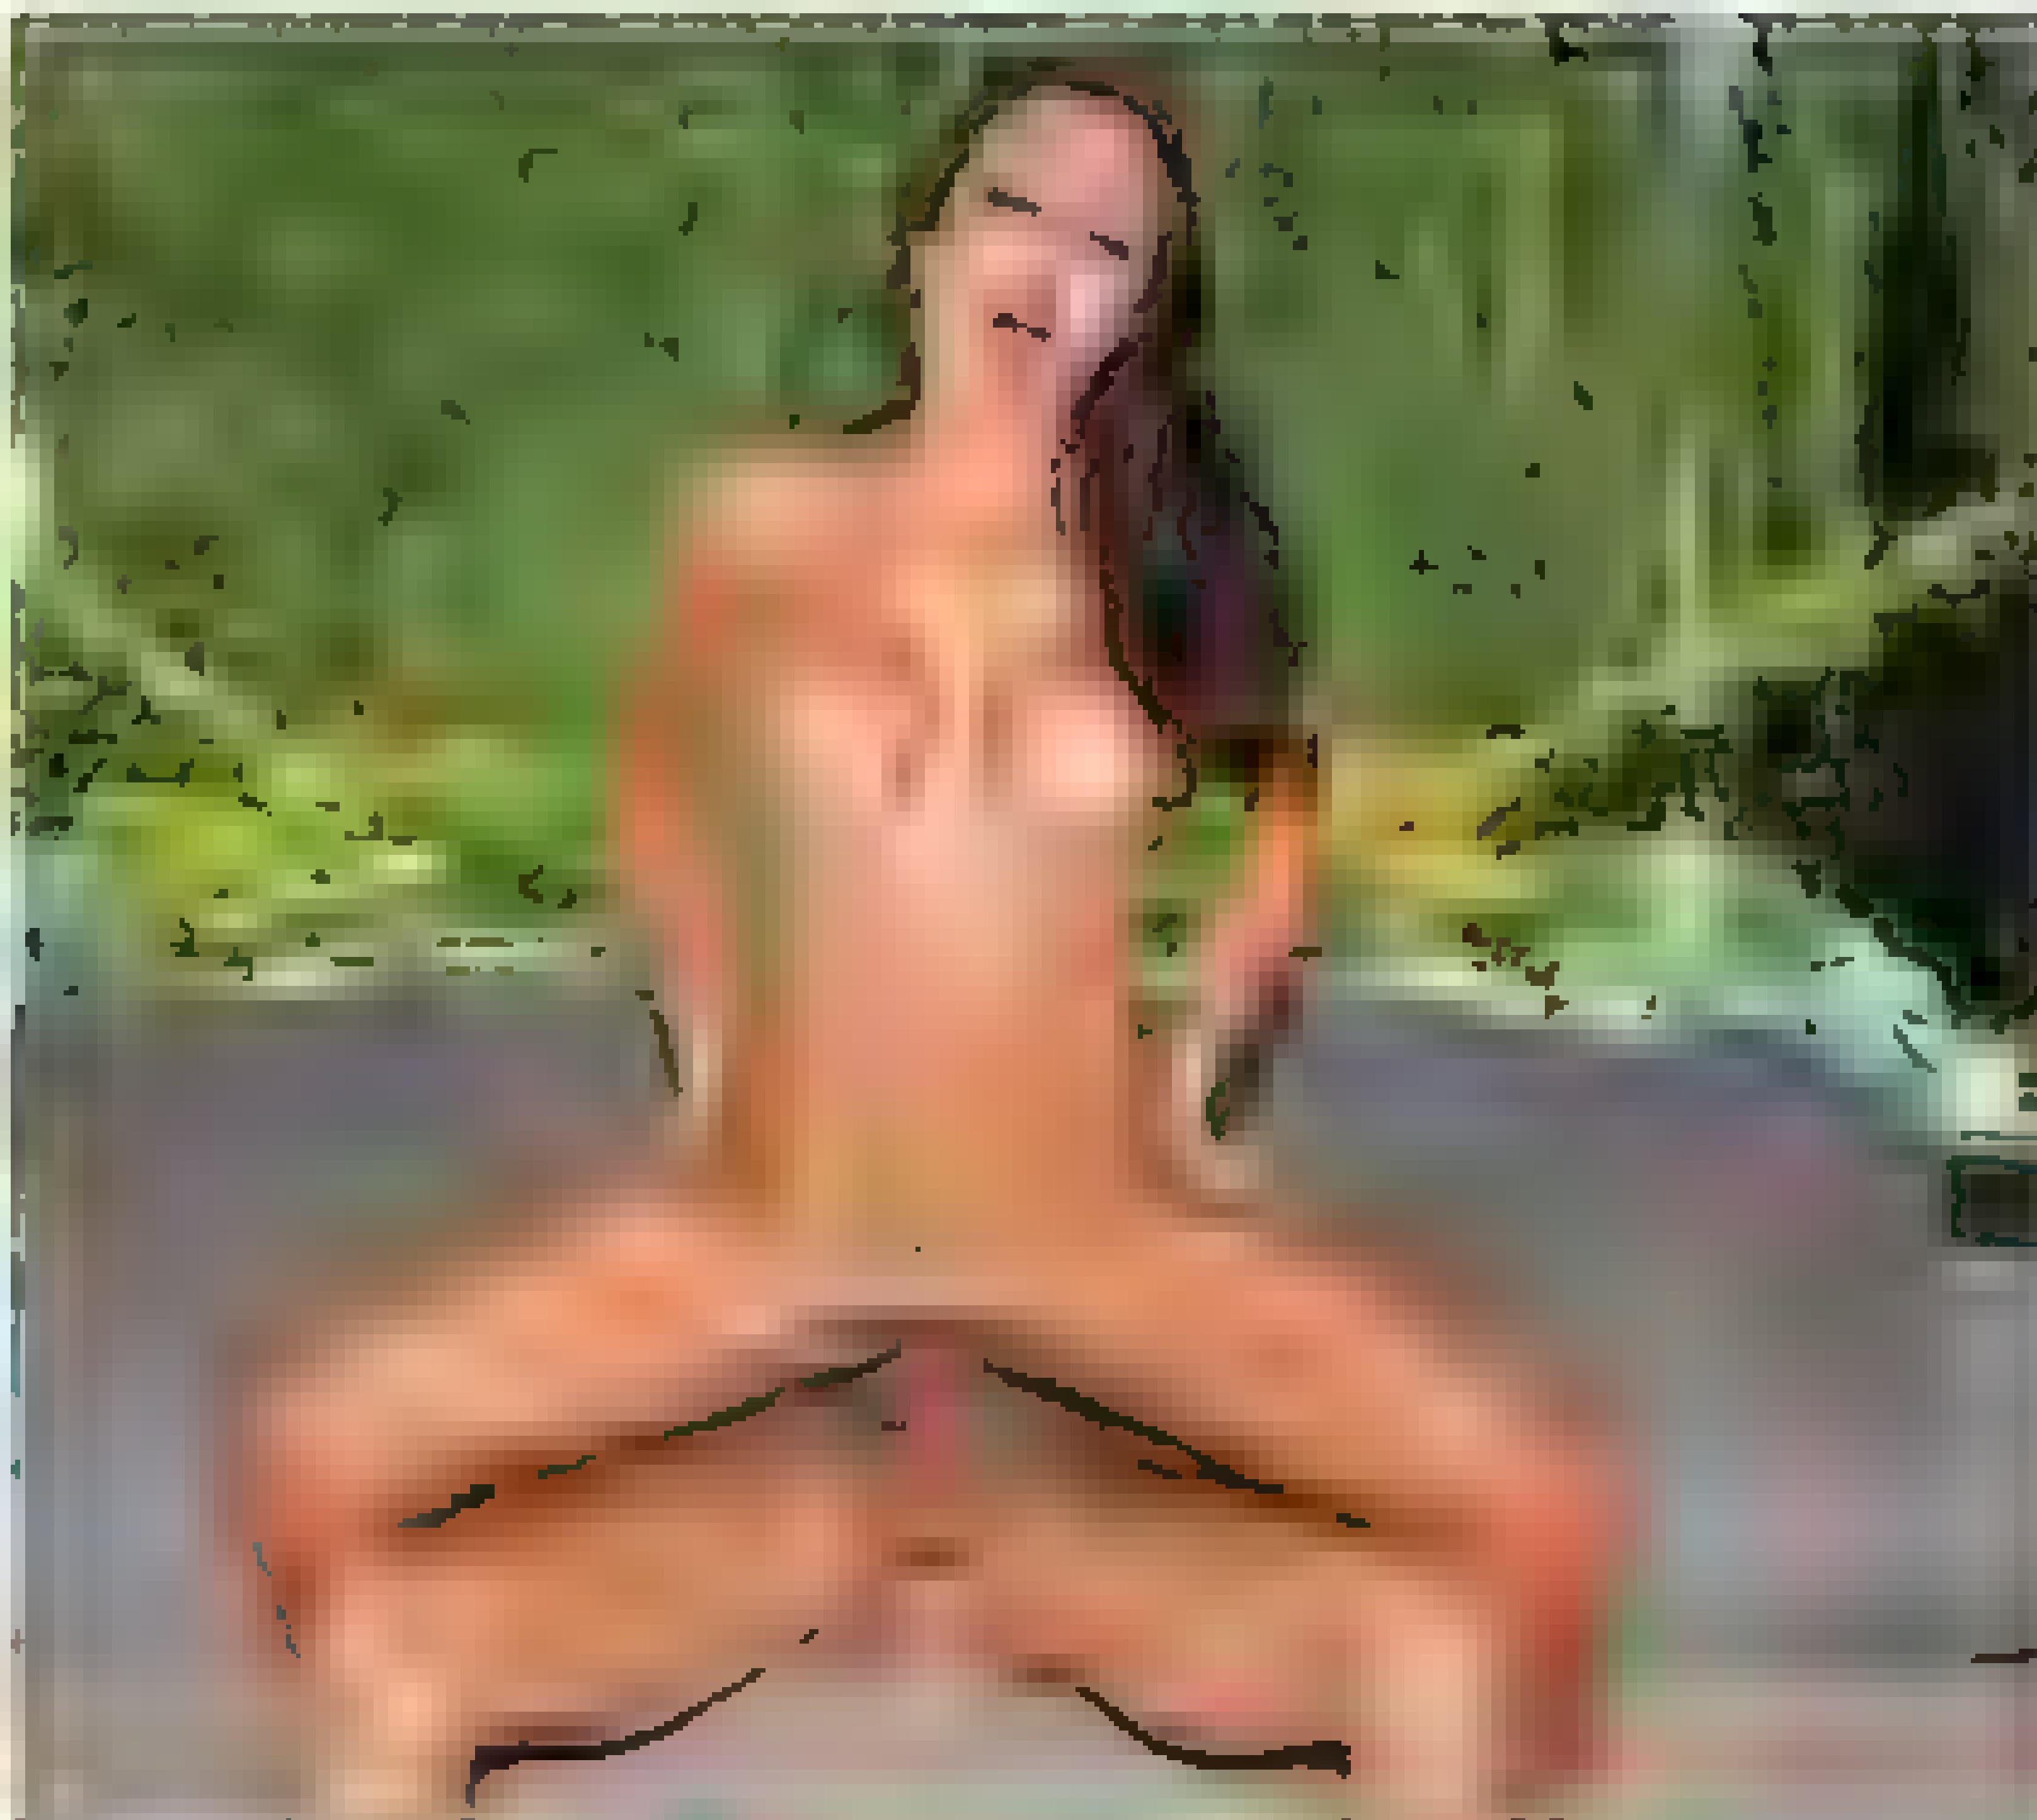

MALIBU MASSAGE PARLOR (Smash Pictures)

Starring: Kristina Rose, Kelly Divine, Emma Mae, Nina Hartley, Katie Summers

Welcome to the Malibu Massage Parlor, a full-service establishment where hot babes go for a rubdown and a happy ending. Any porn featuring naked, oiled up girls automatically gets two bolts. *Malibu Massage Parlor* earns the other two by showing some of XXX's top talent getting fingered and fucked. Kristina Rose needs a deep tissue massage plus Evan Stone's big cock deep inside her juicy pussy. We love the way Kristina moans and squeals with each pump. Katie Summers also needs to get lubed up and her therapist goes out of his way to please his sexy client. Nina Hartley is more than happy to give her client some extra tender loving care and deep throats his cock and spreads her twat to help him relieve some pressure. Kelly Divine relieves us of some pressure building up in our balls as she gets a serious rubdown and a good fuck, while Emma Mae's tender young body needs a more gentle rubdown that ends with a big facial blast at the end of her session. The *Malibu Massage Parlor* might be an even better place to work than CHER!!

DEEP INSIDE AMY FISHER

(Dream Zone Entertainment)

Starring: Amy Fisher, Lisa Ann

Last time we saw Amy Fisher she was the reluctant star of her husband's homemade sex tape, which "mysteriously" found its way to Porn Valley. Now Amy's back on her own terms in *Deep Inside Amy Fisher*. There are a bunch of interviews with Amy and her co-stars, talking about her reasons for getting back in the business, but feel free to fast forward to the four well-shot, boner-inducing sex scenes. There's no dialogue during the sex - Amy has other uses for her mouth once the action starts. Amy looks hot, with standard-issue plastic tits, and her sex skills are on par with most rookie performers. She makes the mistake of going over the top with her moans and groans, which sound a bit unreal, but she knows enough to let her veteran porn co-stars take control. Lisa Ann takes Amy's lesbian cherry (on film, anyway - who knows what Amy did while locked in a woman's prison). Overall, this is a solid first effort for Ms. Fisher. Porn Valley welcomes you, Amy! Spread yourself open and stay a while.

CASSANDRA

See Dick Fuck

CASSANDRA

Dick Delaware is having a good day. Latina hottie Cassandra Cruz invites him over for lunch, but when he arrives there's no food. "Lunch is in my panties," Cassandra says. "I hope you're hungry." Dick's famished. He chows down on Cassandra's box lunch like it's the last meal he'll ever eat. He's thirsty, too, but fortunately Cassandra's gushing fuck fluids help him re-hydrate. "What about you?" Dick says, slipping off his jeans. "Would you like a beef stick for lunch?" Cassandra shakes her head. "No. I'm a vegan," she replies. "So, pretend this is humus." Dick rubs the spongy head of his erect on against Cassandra's cheek until she can resist no longer and swallows the meat wand down to the root. Mmm, it's yummy. Maybe she should rethink the whole "vegan thing." She sucks harder and pumps her fist. She needs protein. 🍌

OIL OVERLOAD 4

Director Chris Streams knows gonzo. His all-sex romps are some of the finest the industry has to offer. His latest release, *Oil Overload 4 Special Edition*, further solidifies why Streams is the master of the oil movie. In terms of tease, oiled-up hotties, and heated sexual trysts, Streams once again tops himself. The cast includes 2010's hottest new performer Chane Preston in one of her first anal scenes, the new y curvy Rebecca Linares, busty Jenna Presley, and porn's most prolific performer, Andy San Dimas. The oil overload ideology stays the same: lots of tease, lots of oil, and lots of ladies having slippery fun. What is it about a coat of oil that brings out the sexiness in a woman? Is it the way the light catches their slick, gleaming curves? The glistening wetness? The ease with which you could slip inside these girls? We're not sure. But Chris Streams certainly seems to know.

By Rob Perez

Chanel Preston

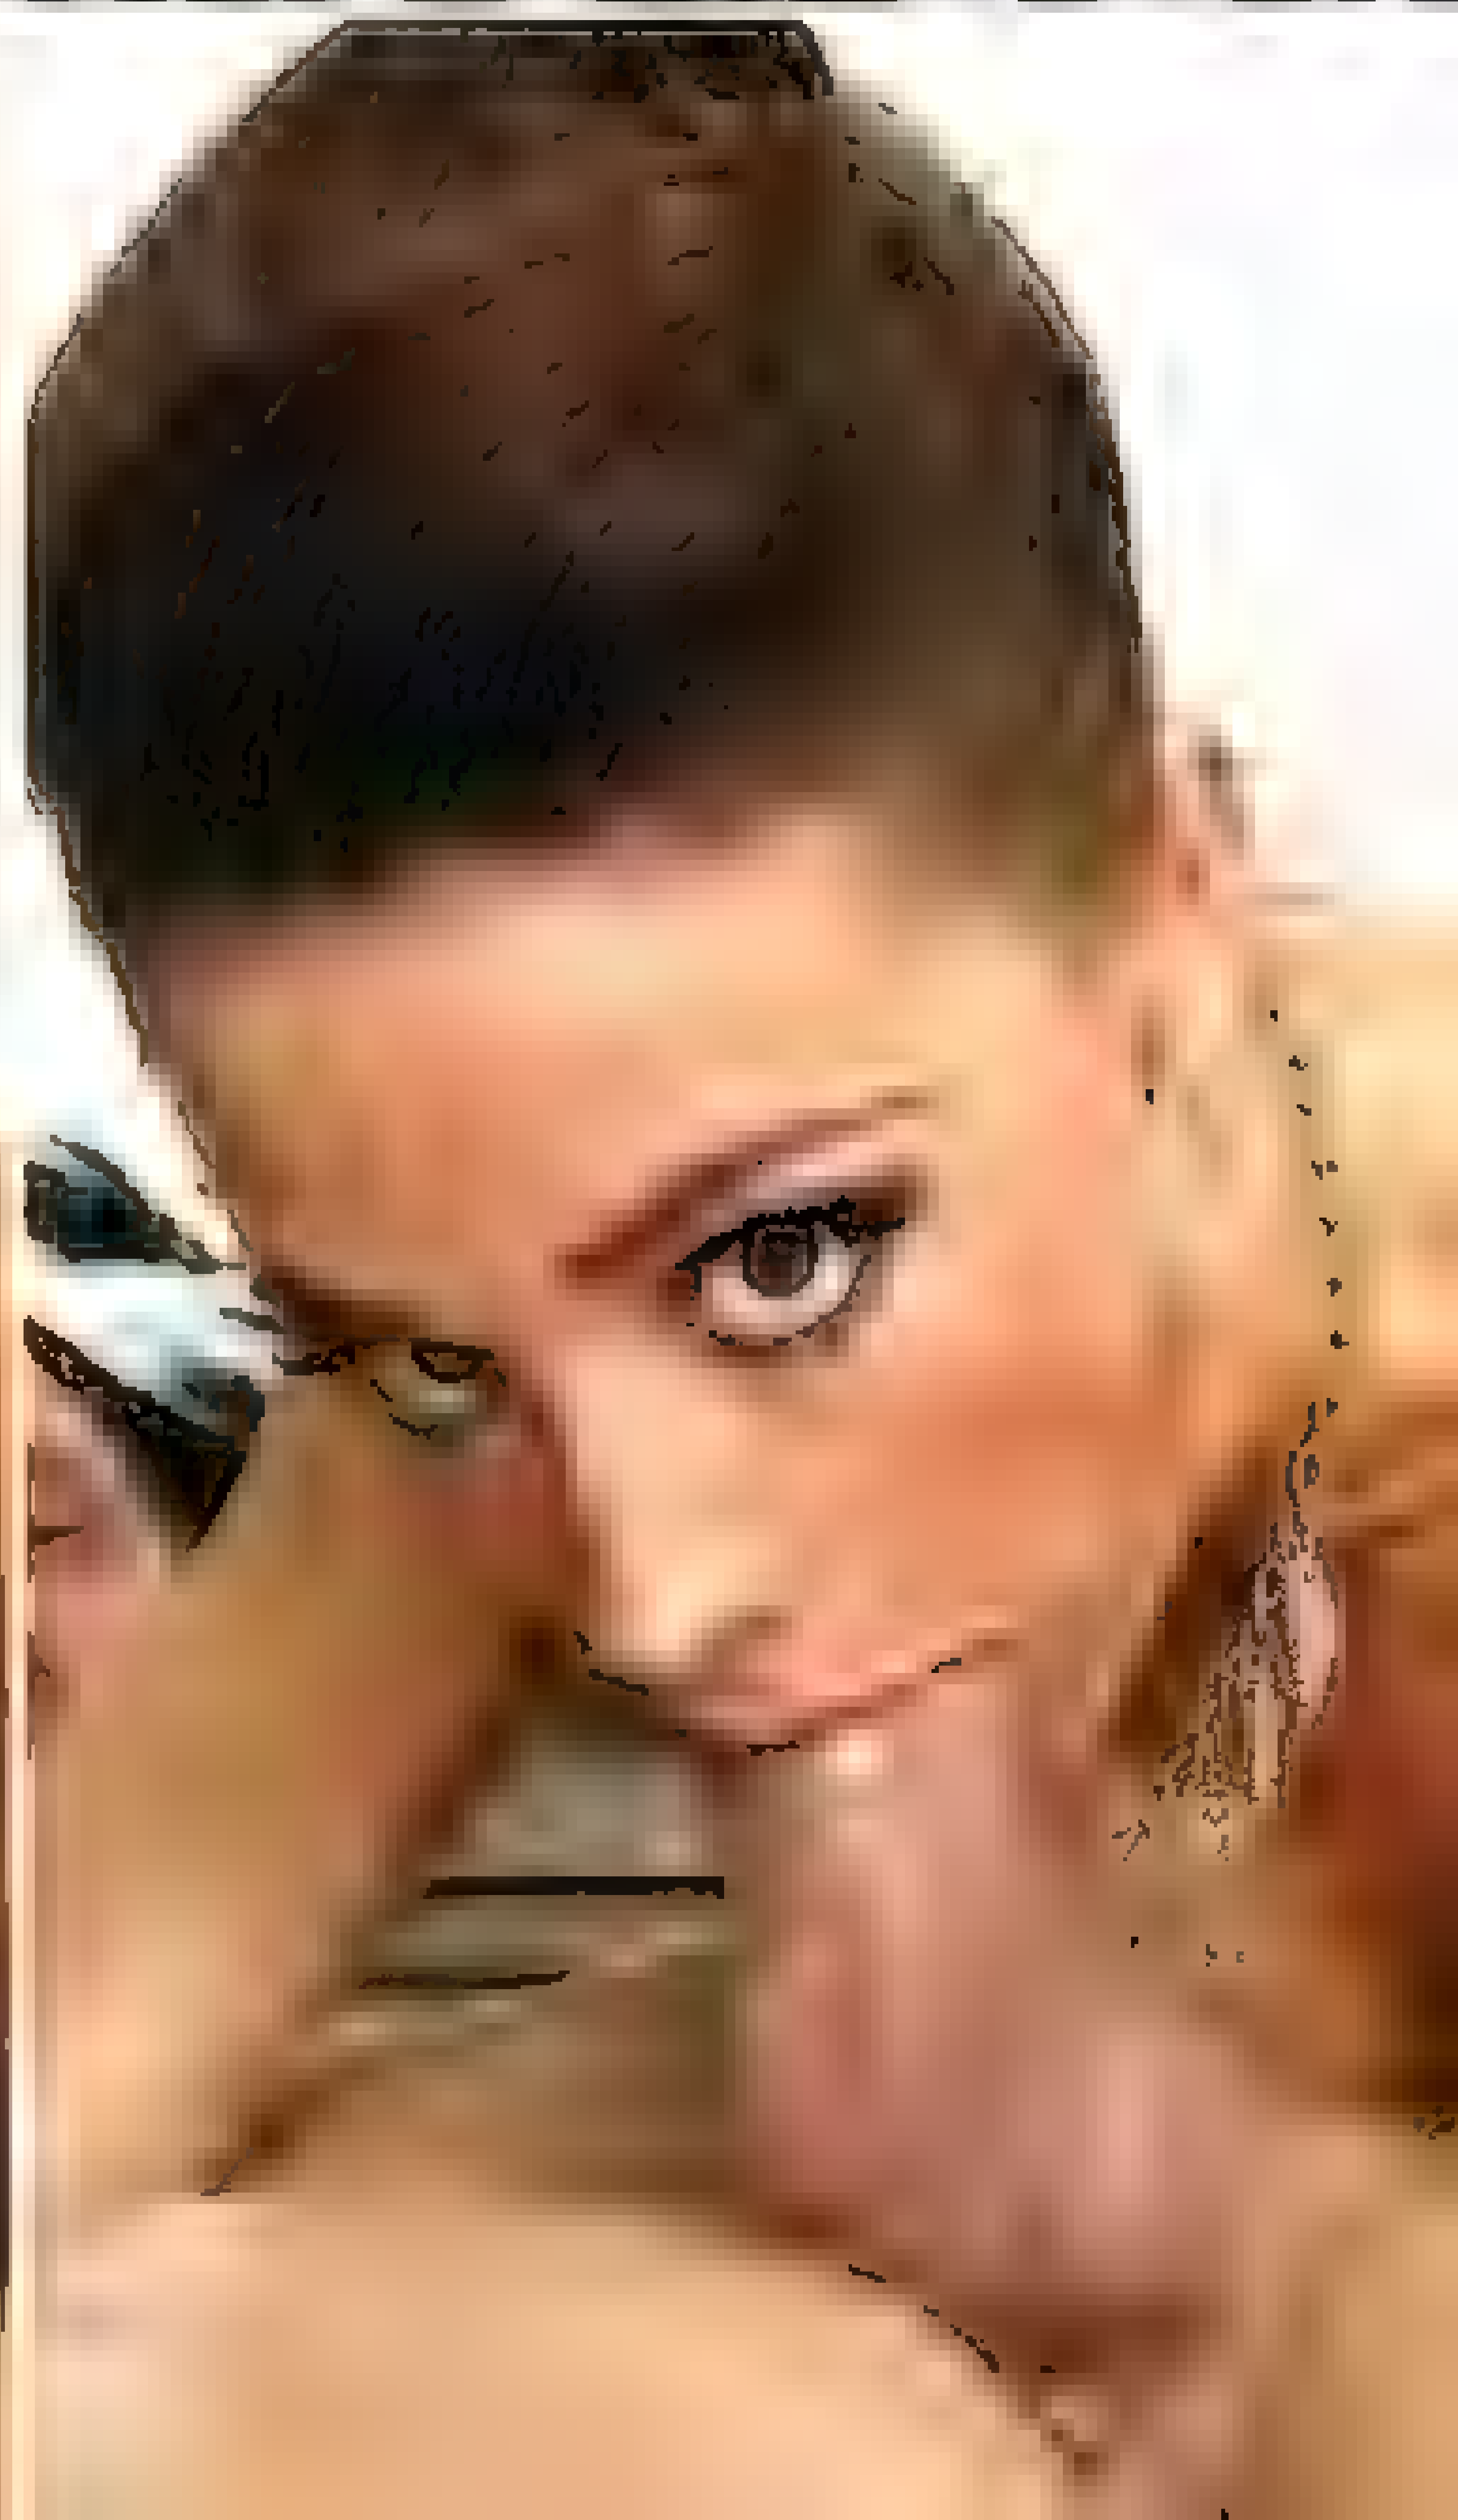

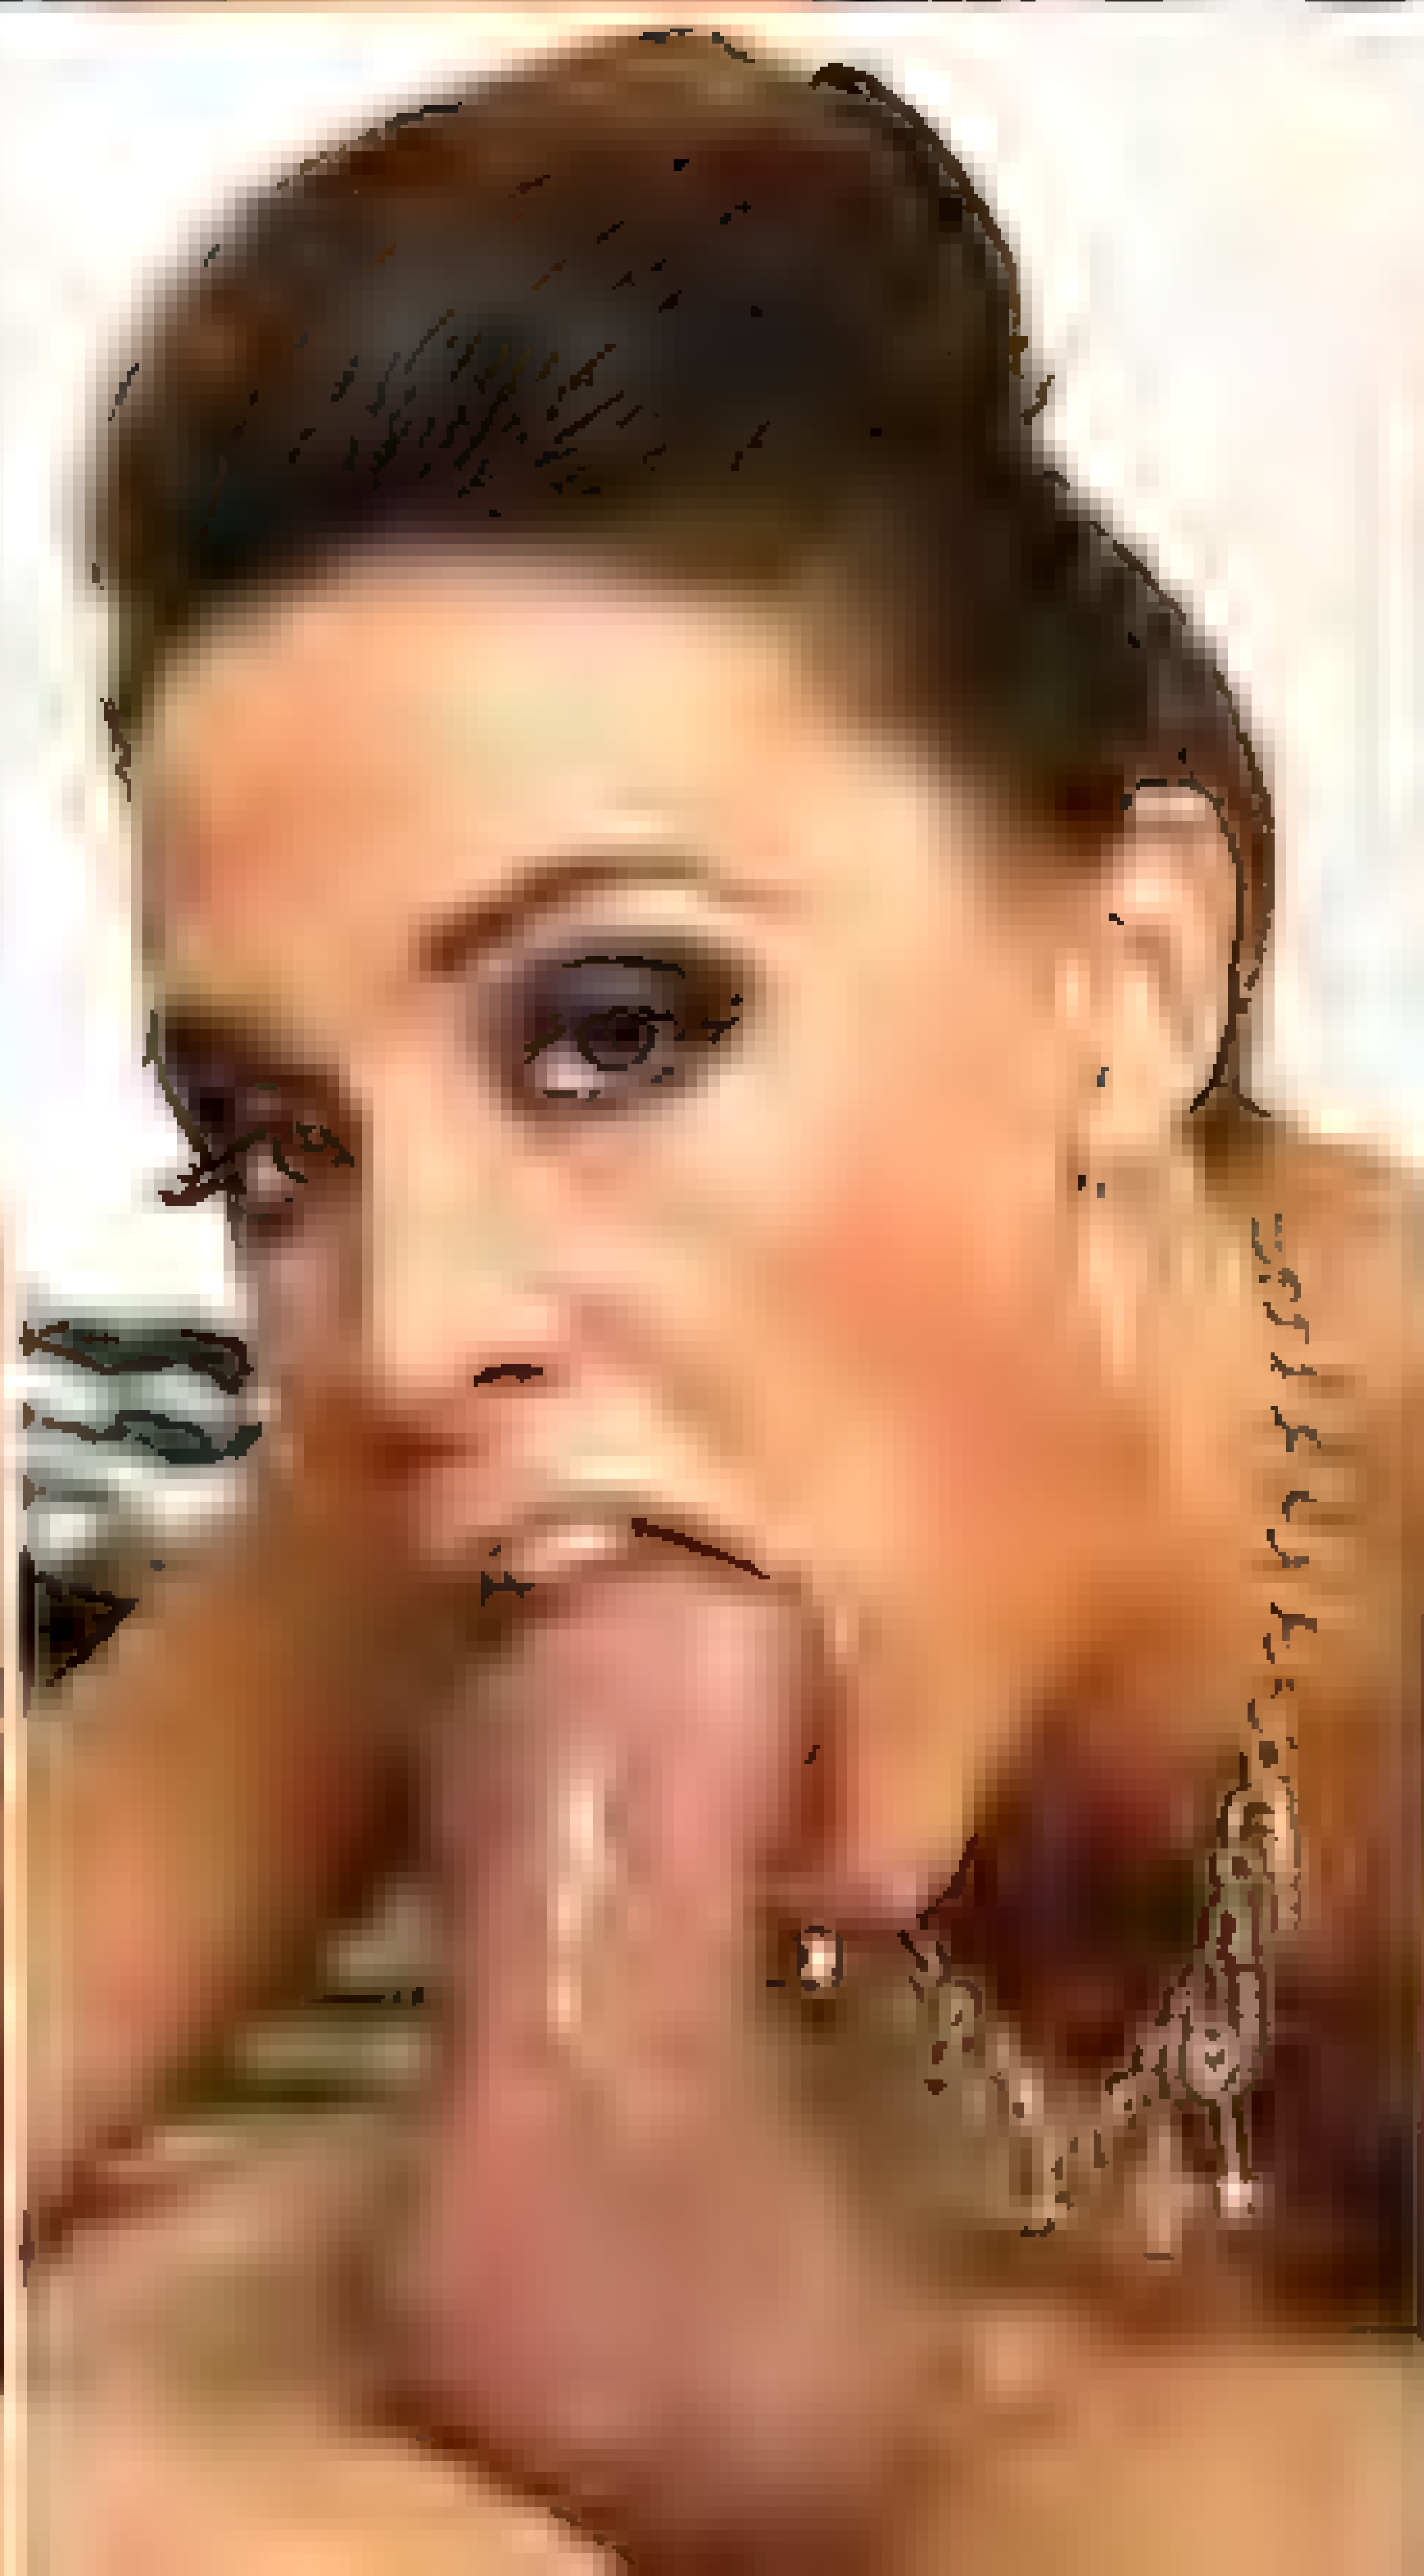

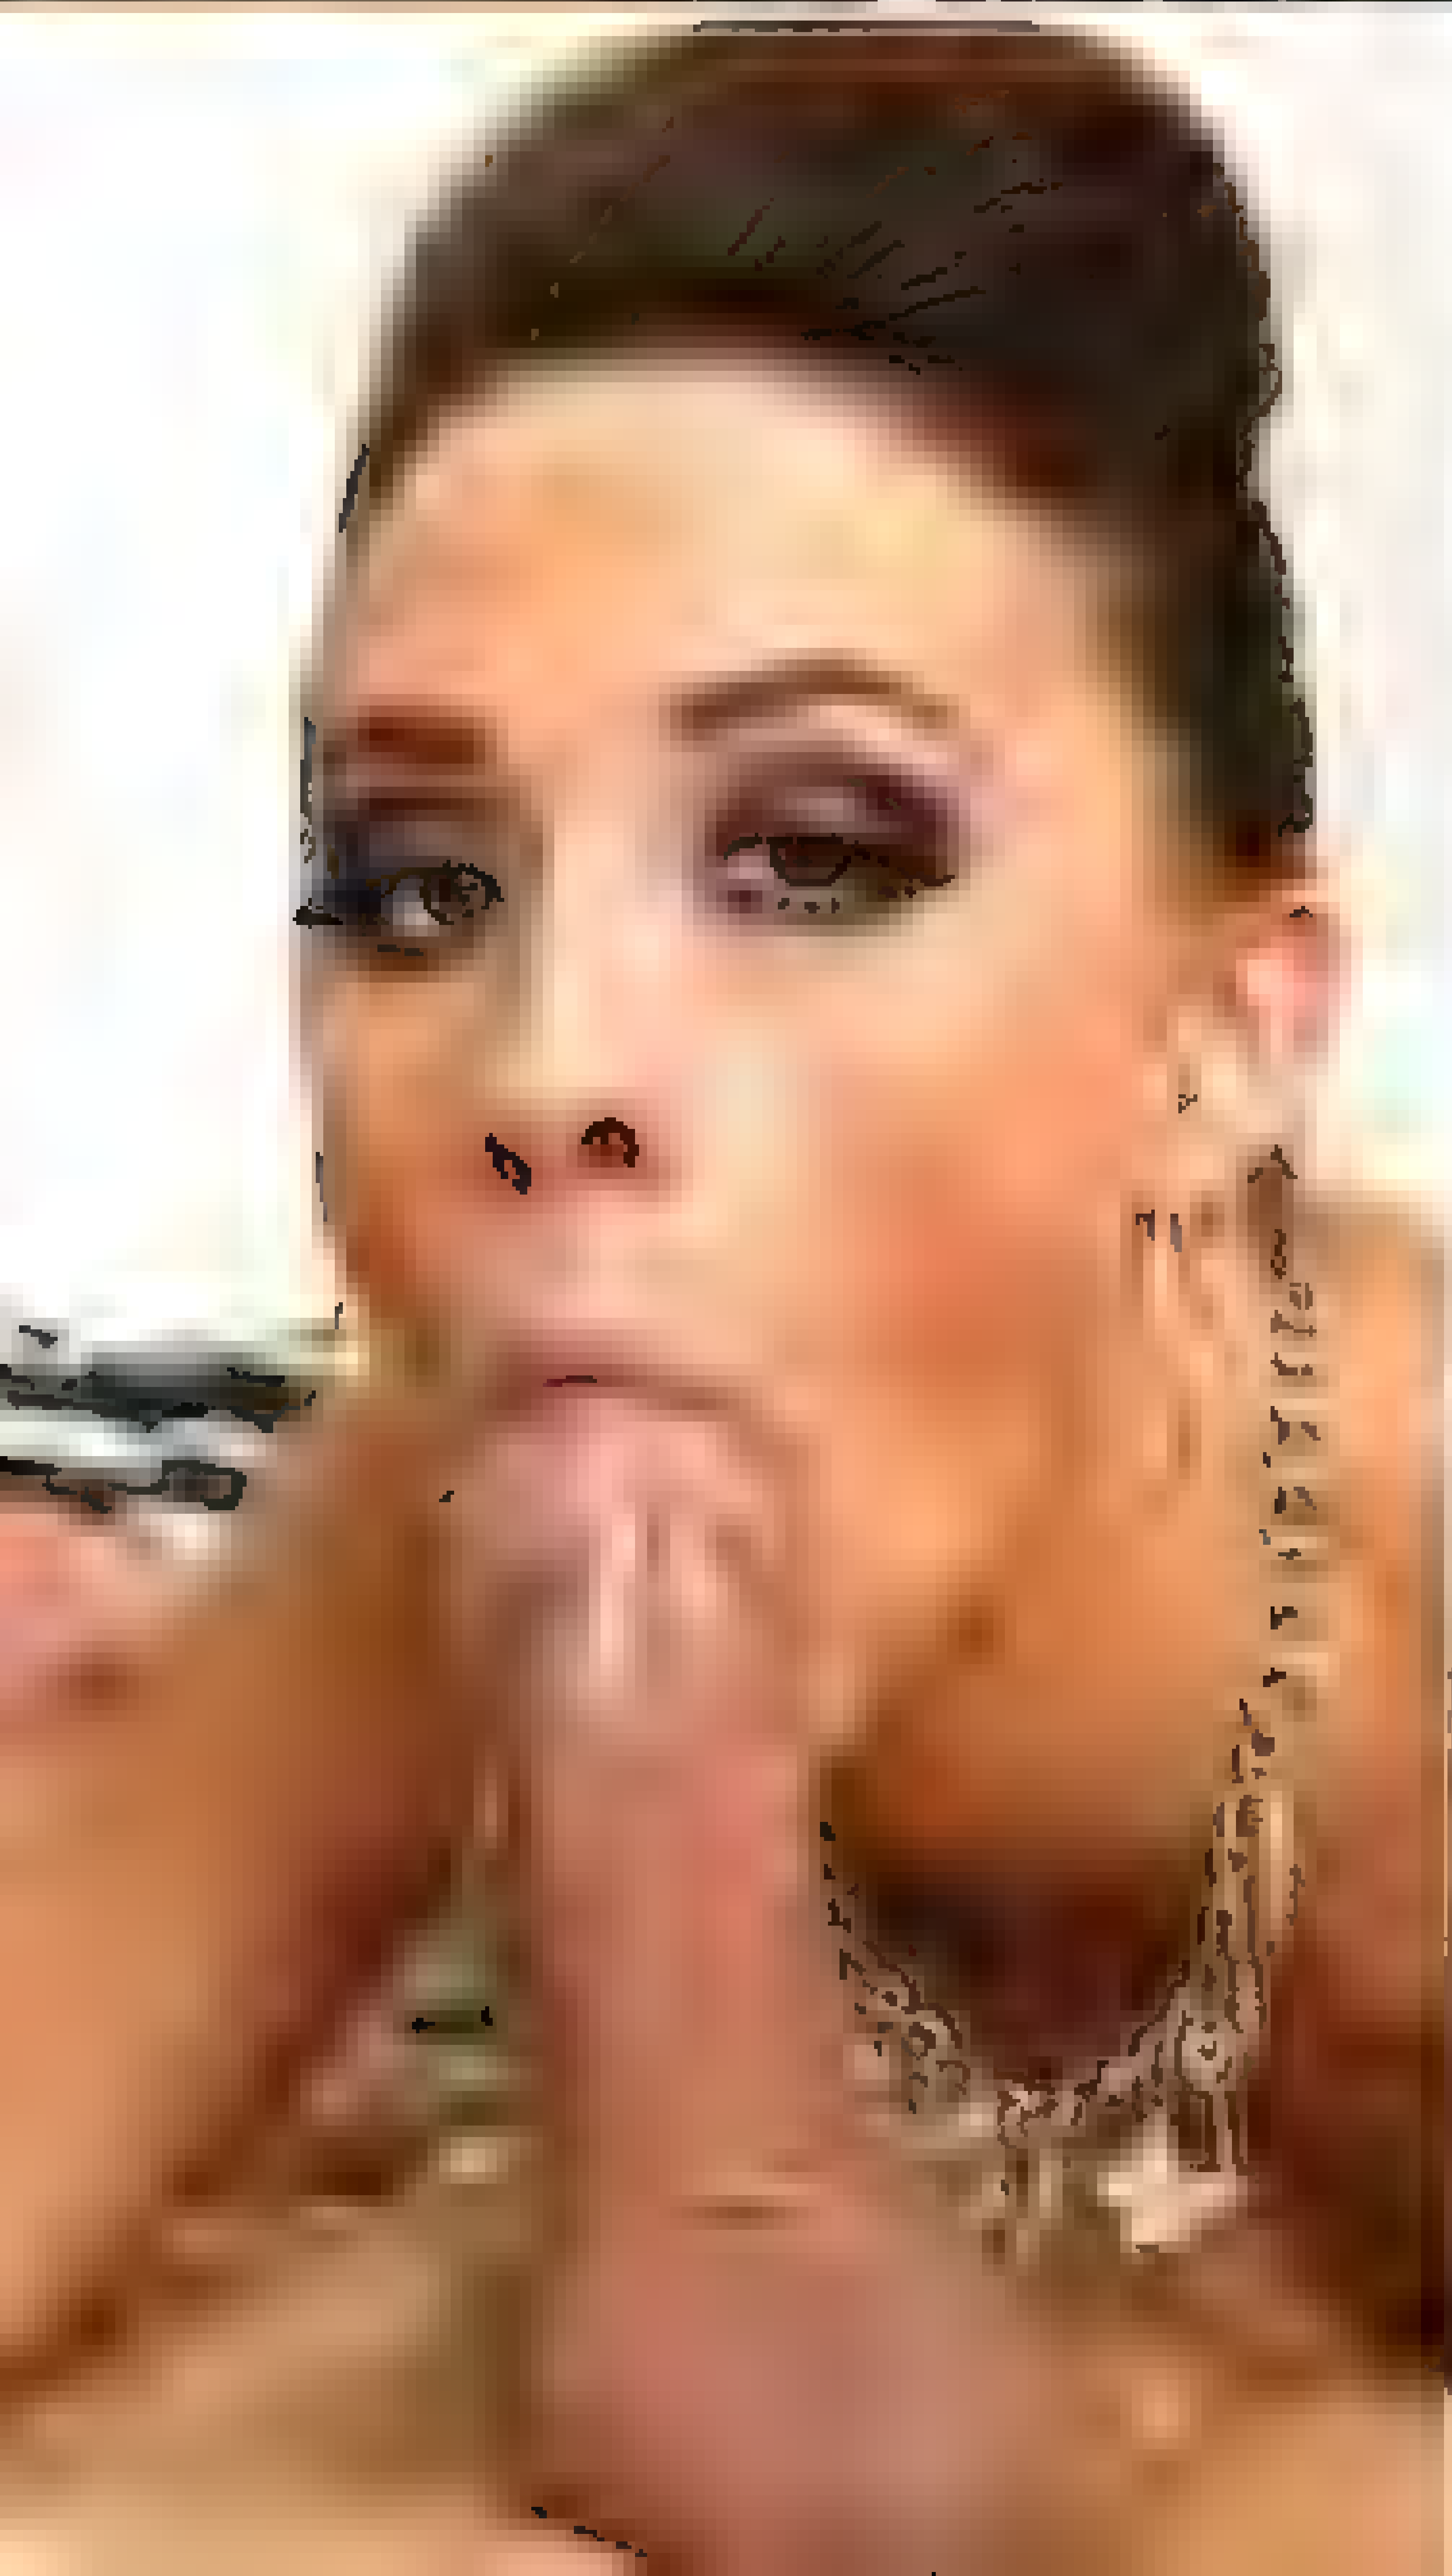

Chane Preston is up first, stretching in her skimpy black lingerie. Chane has an incredible body, which she shows off on a deck overlooking the valley. The fishnet stockings and black bikini look great, her muscle tone enhanced by the sunlight—and oil—pouring down on her. She moves into the living room and proceeds to give Mark Ashley an aggressive hummer. He eats her pussy and slides a butt plug into her perfectly puckered bunghole. Time to fuck. Mark pows Chane spoon and doggie style, but he can't stop thinking about that ass. Neither can we. Mark pulls out of Chane's hot spot and crams his cock in Chanel's oiled-up dumper. Ah, that's the ticket. Mark ass-fucks her doggie, cowgirl, spoon, and reverse cowgirl, re-oiling Chane as needed. Mark unloads on Chane's face and in her mouth. She swallows with a smile. Fantastic opening scene!

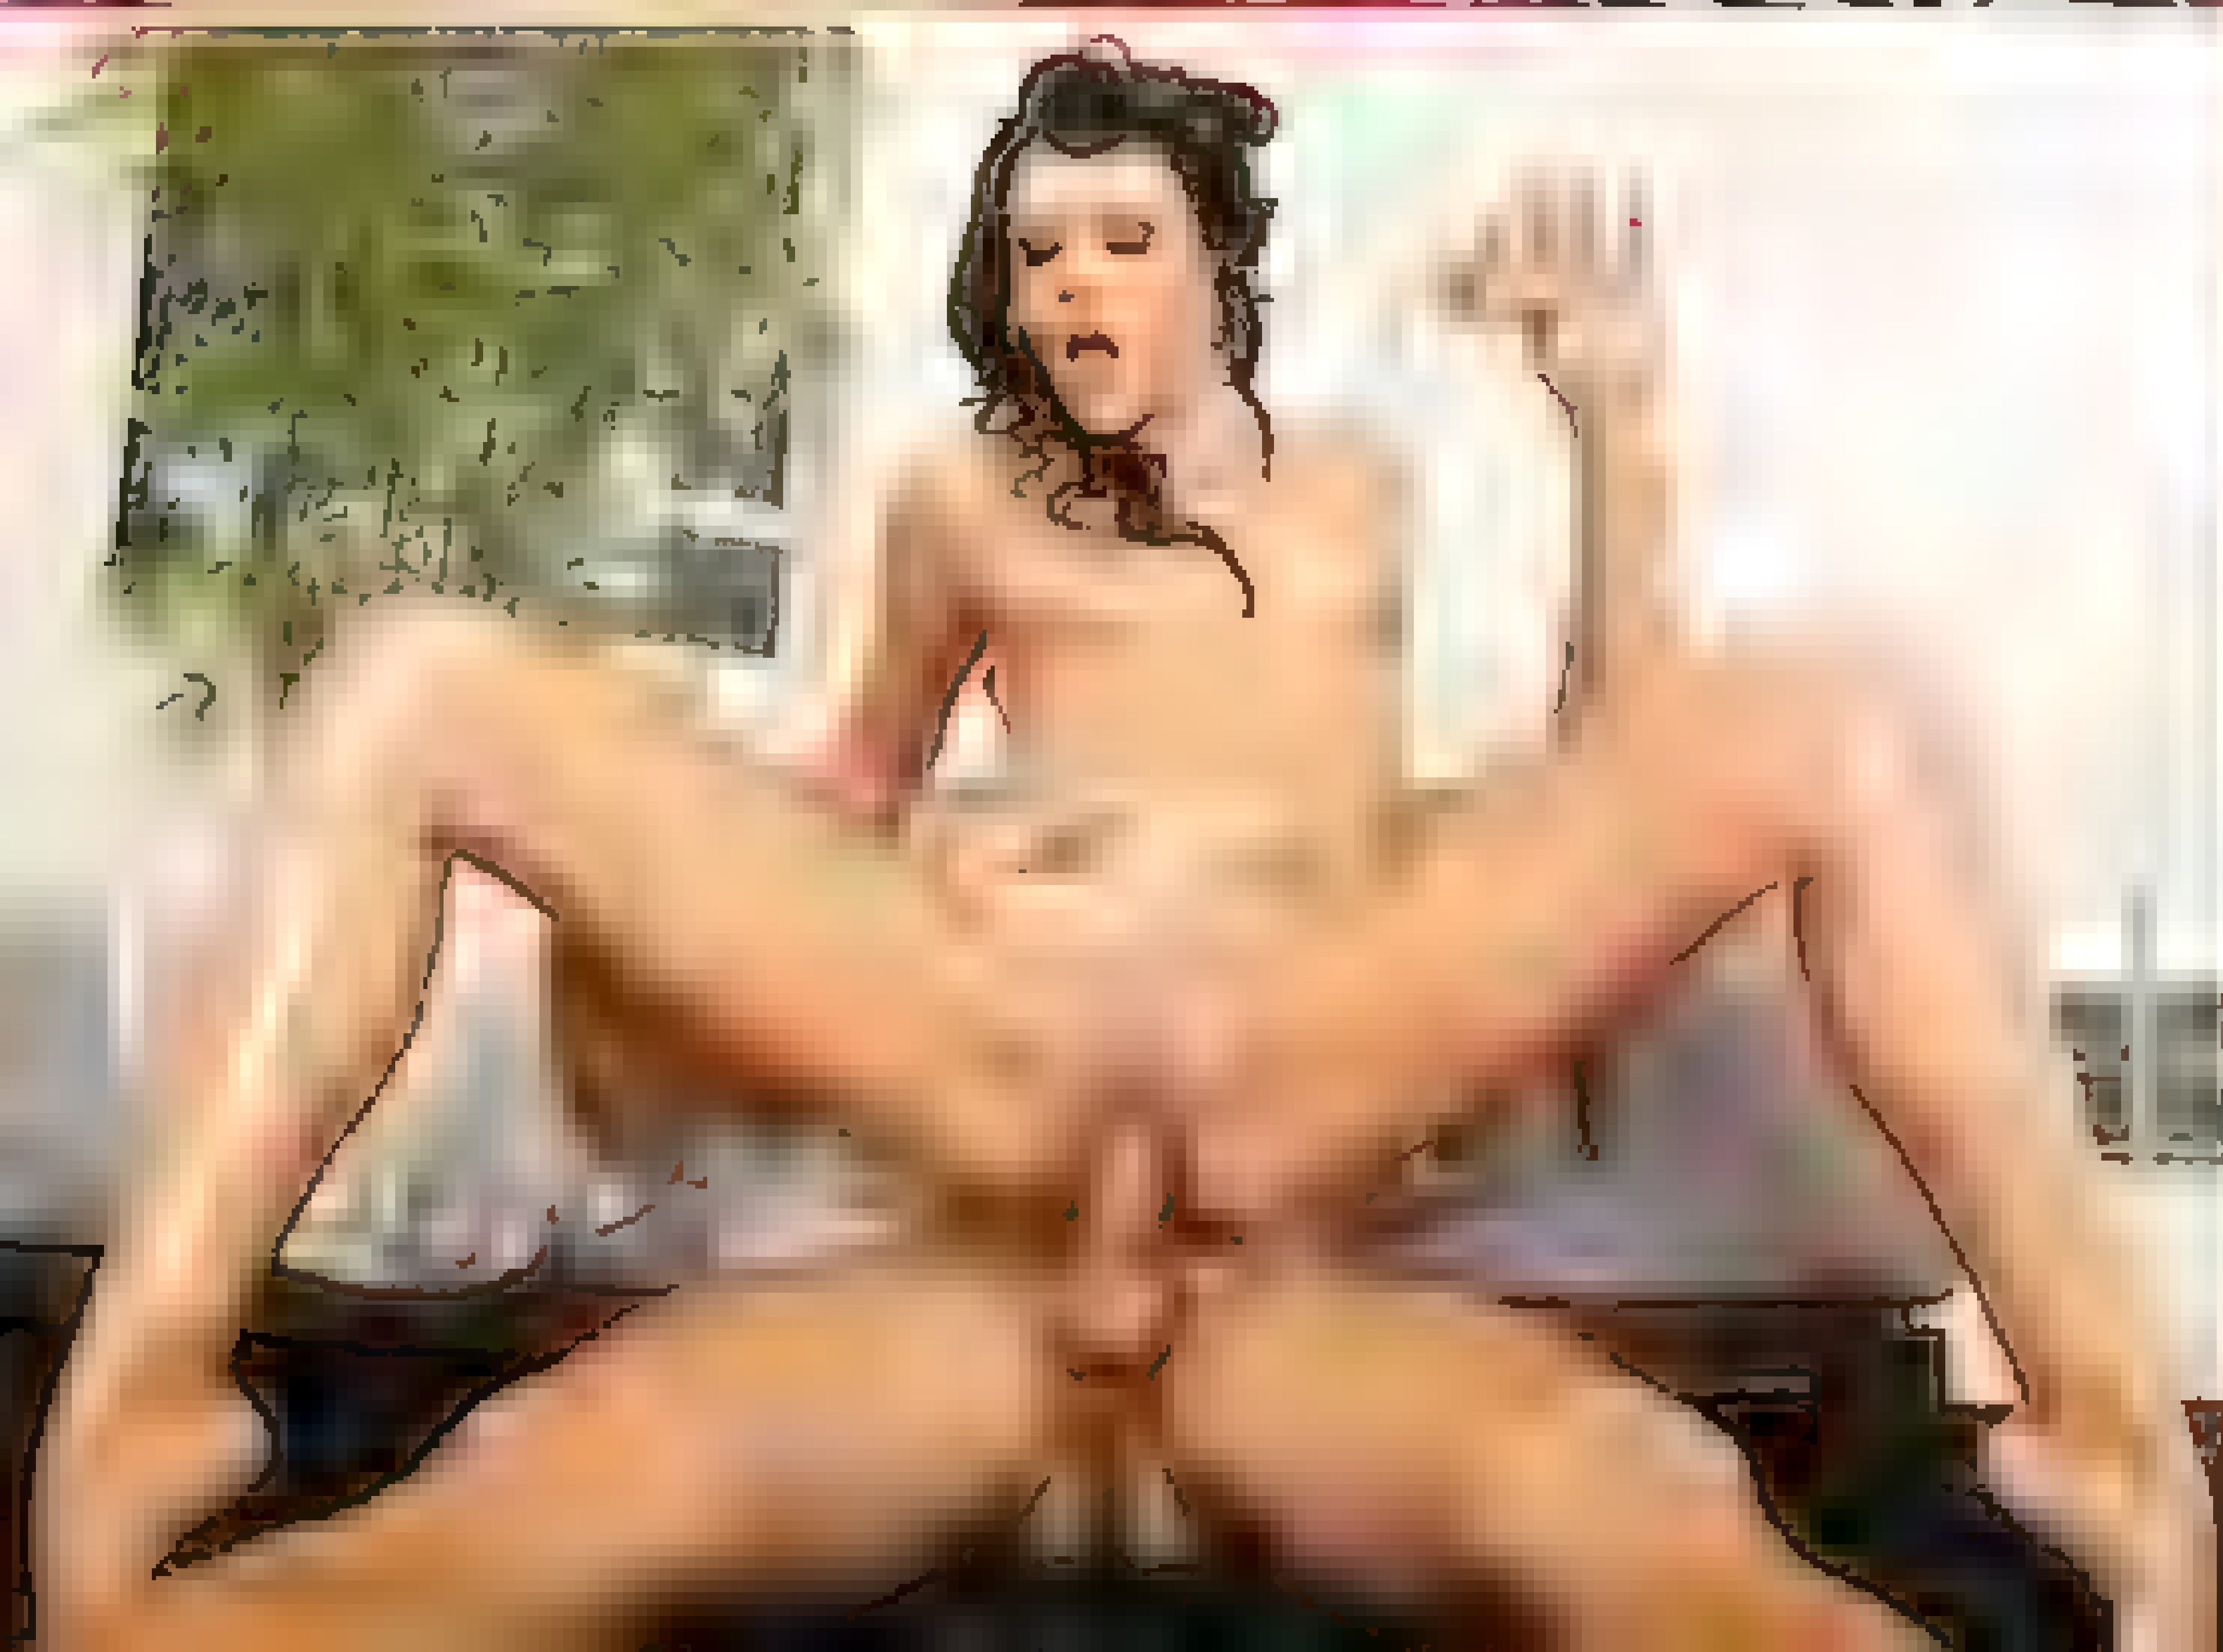

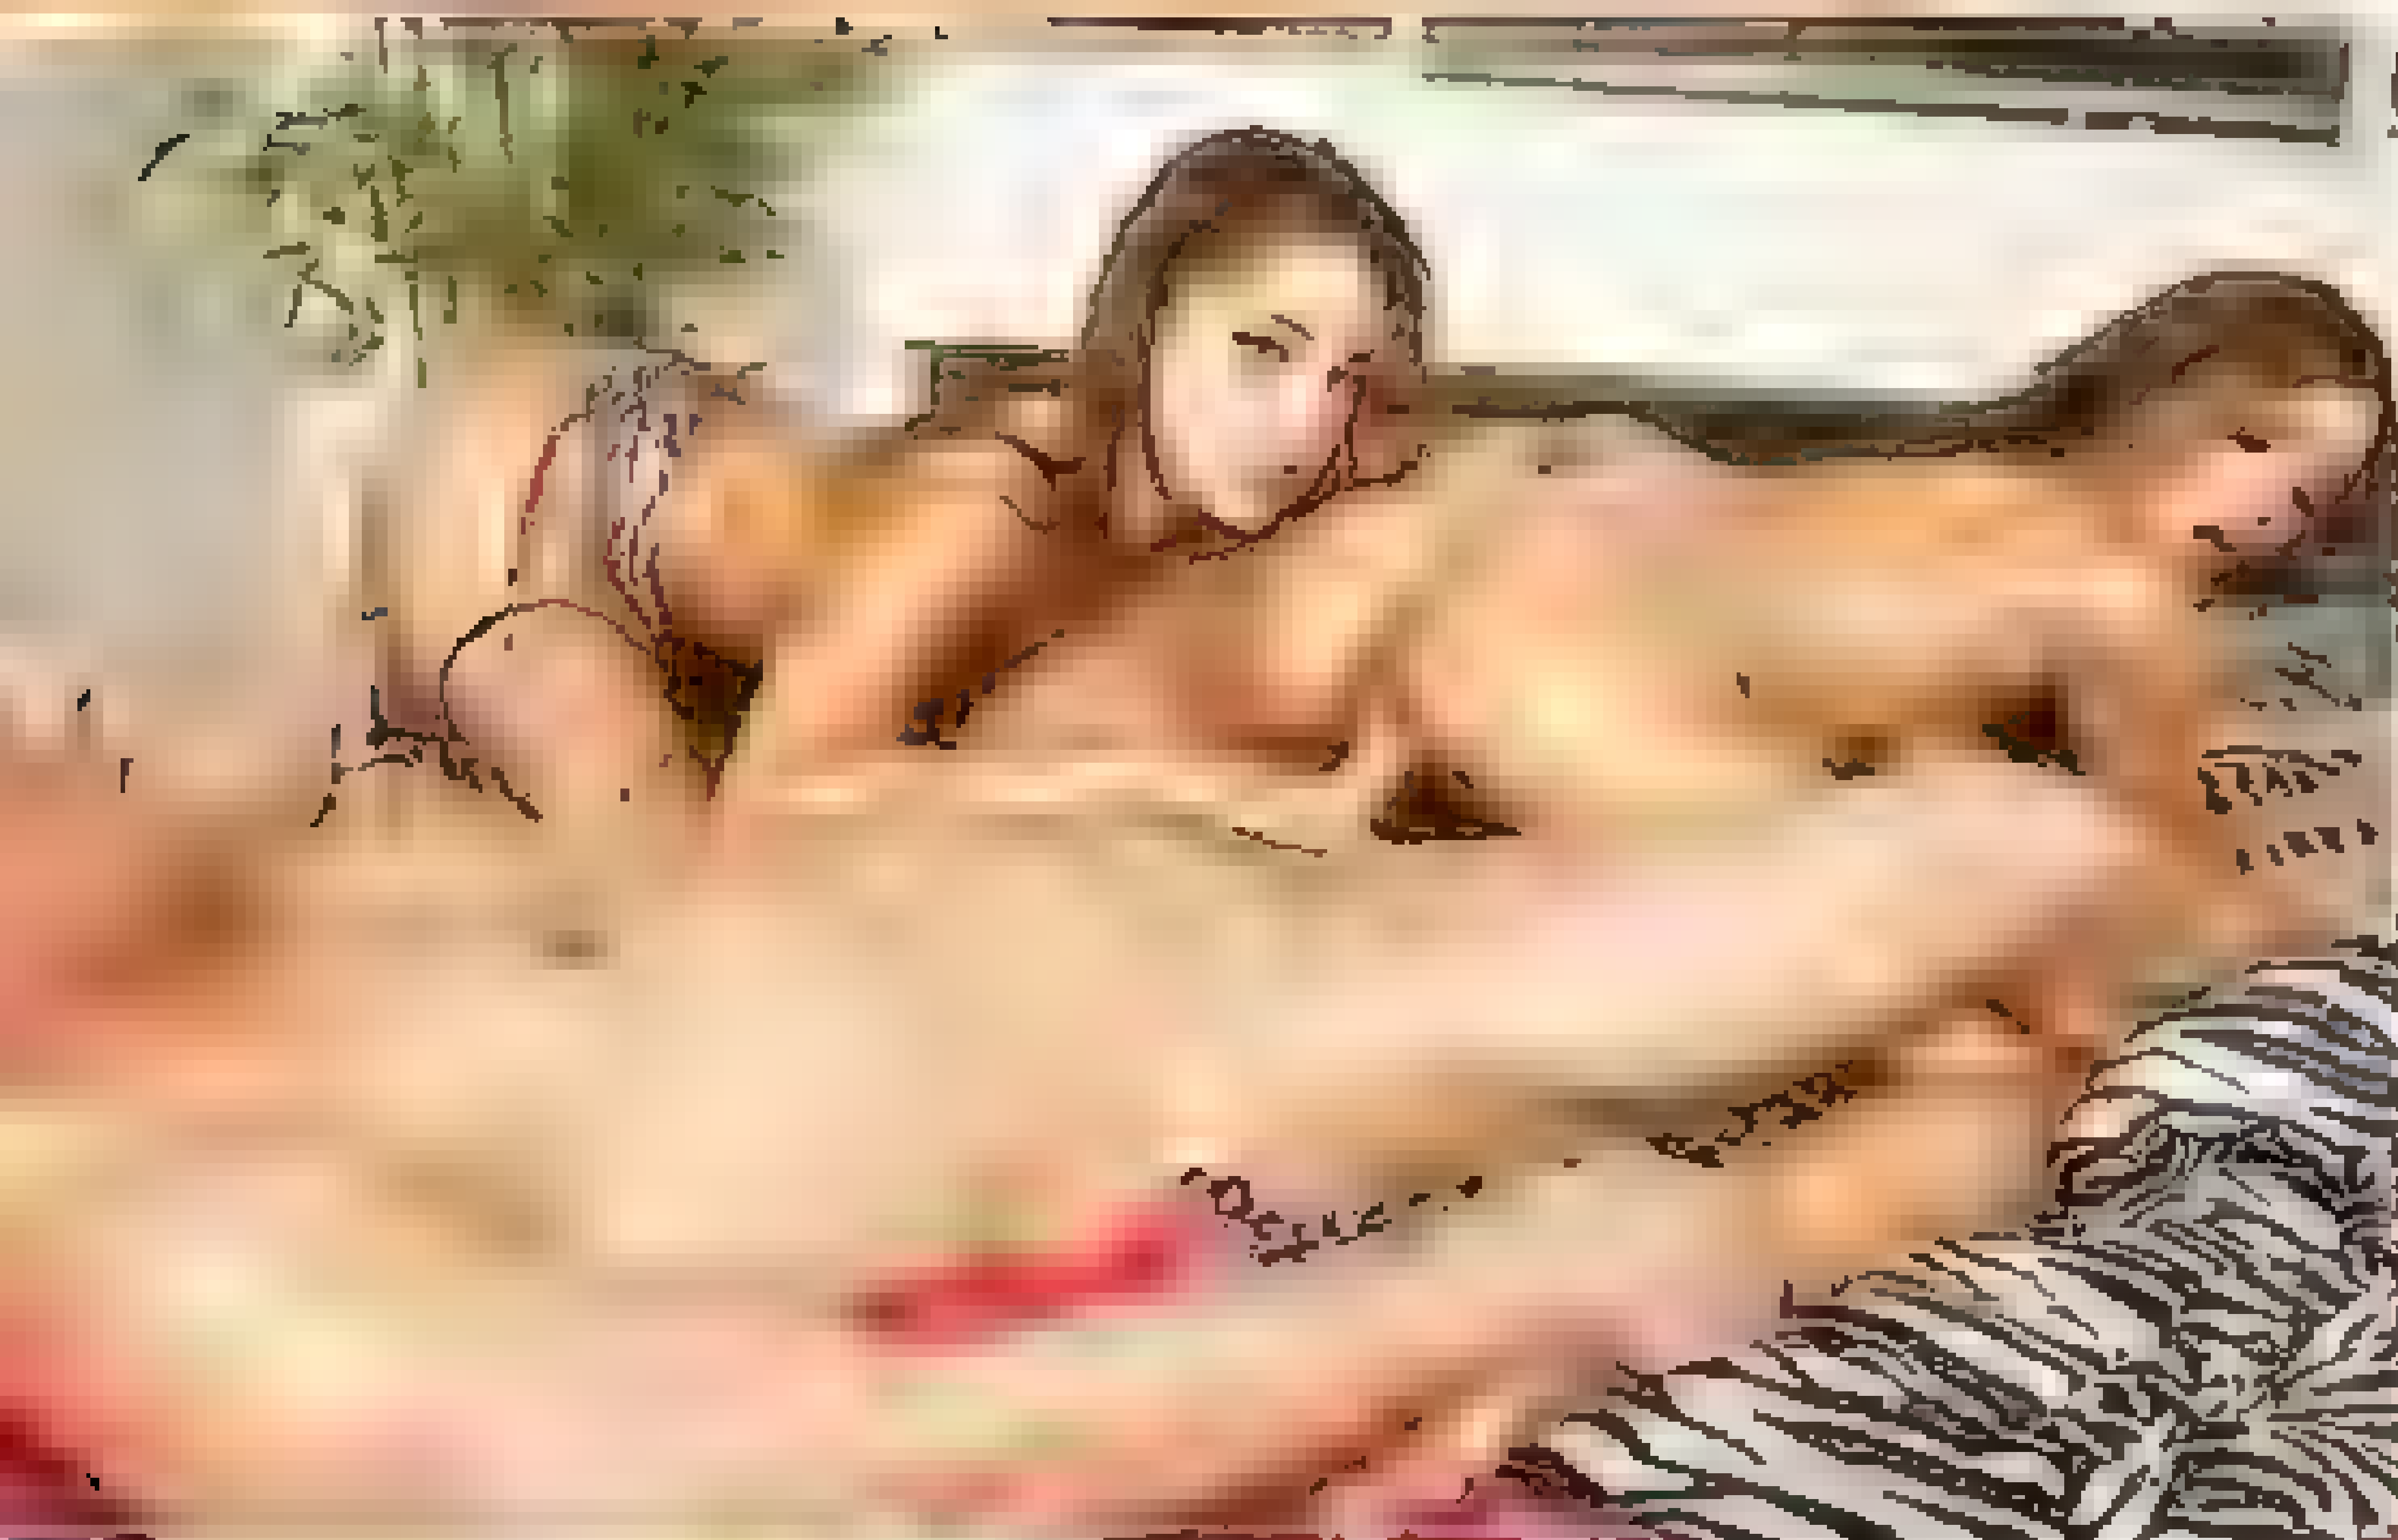

Jenna Presley

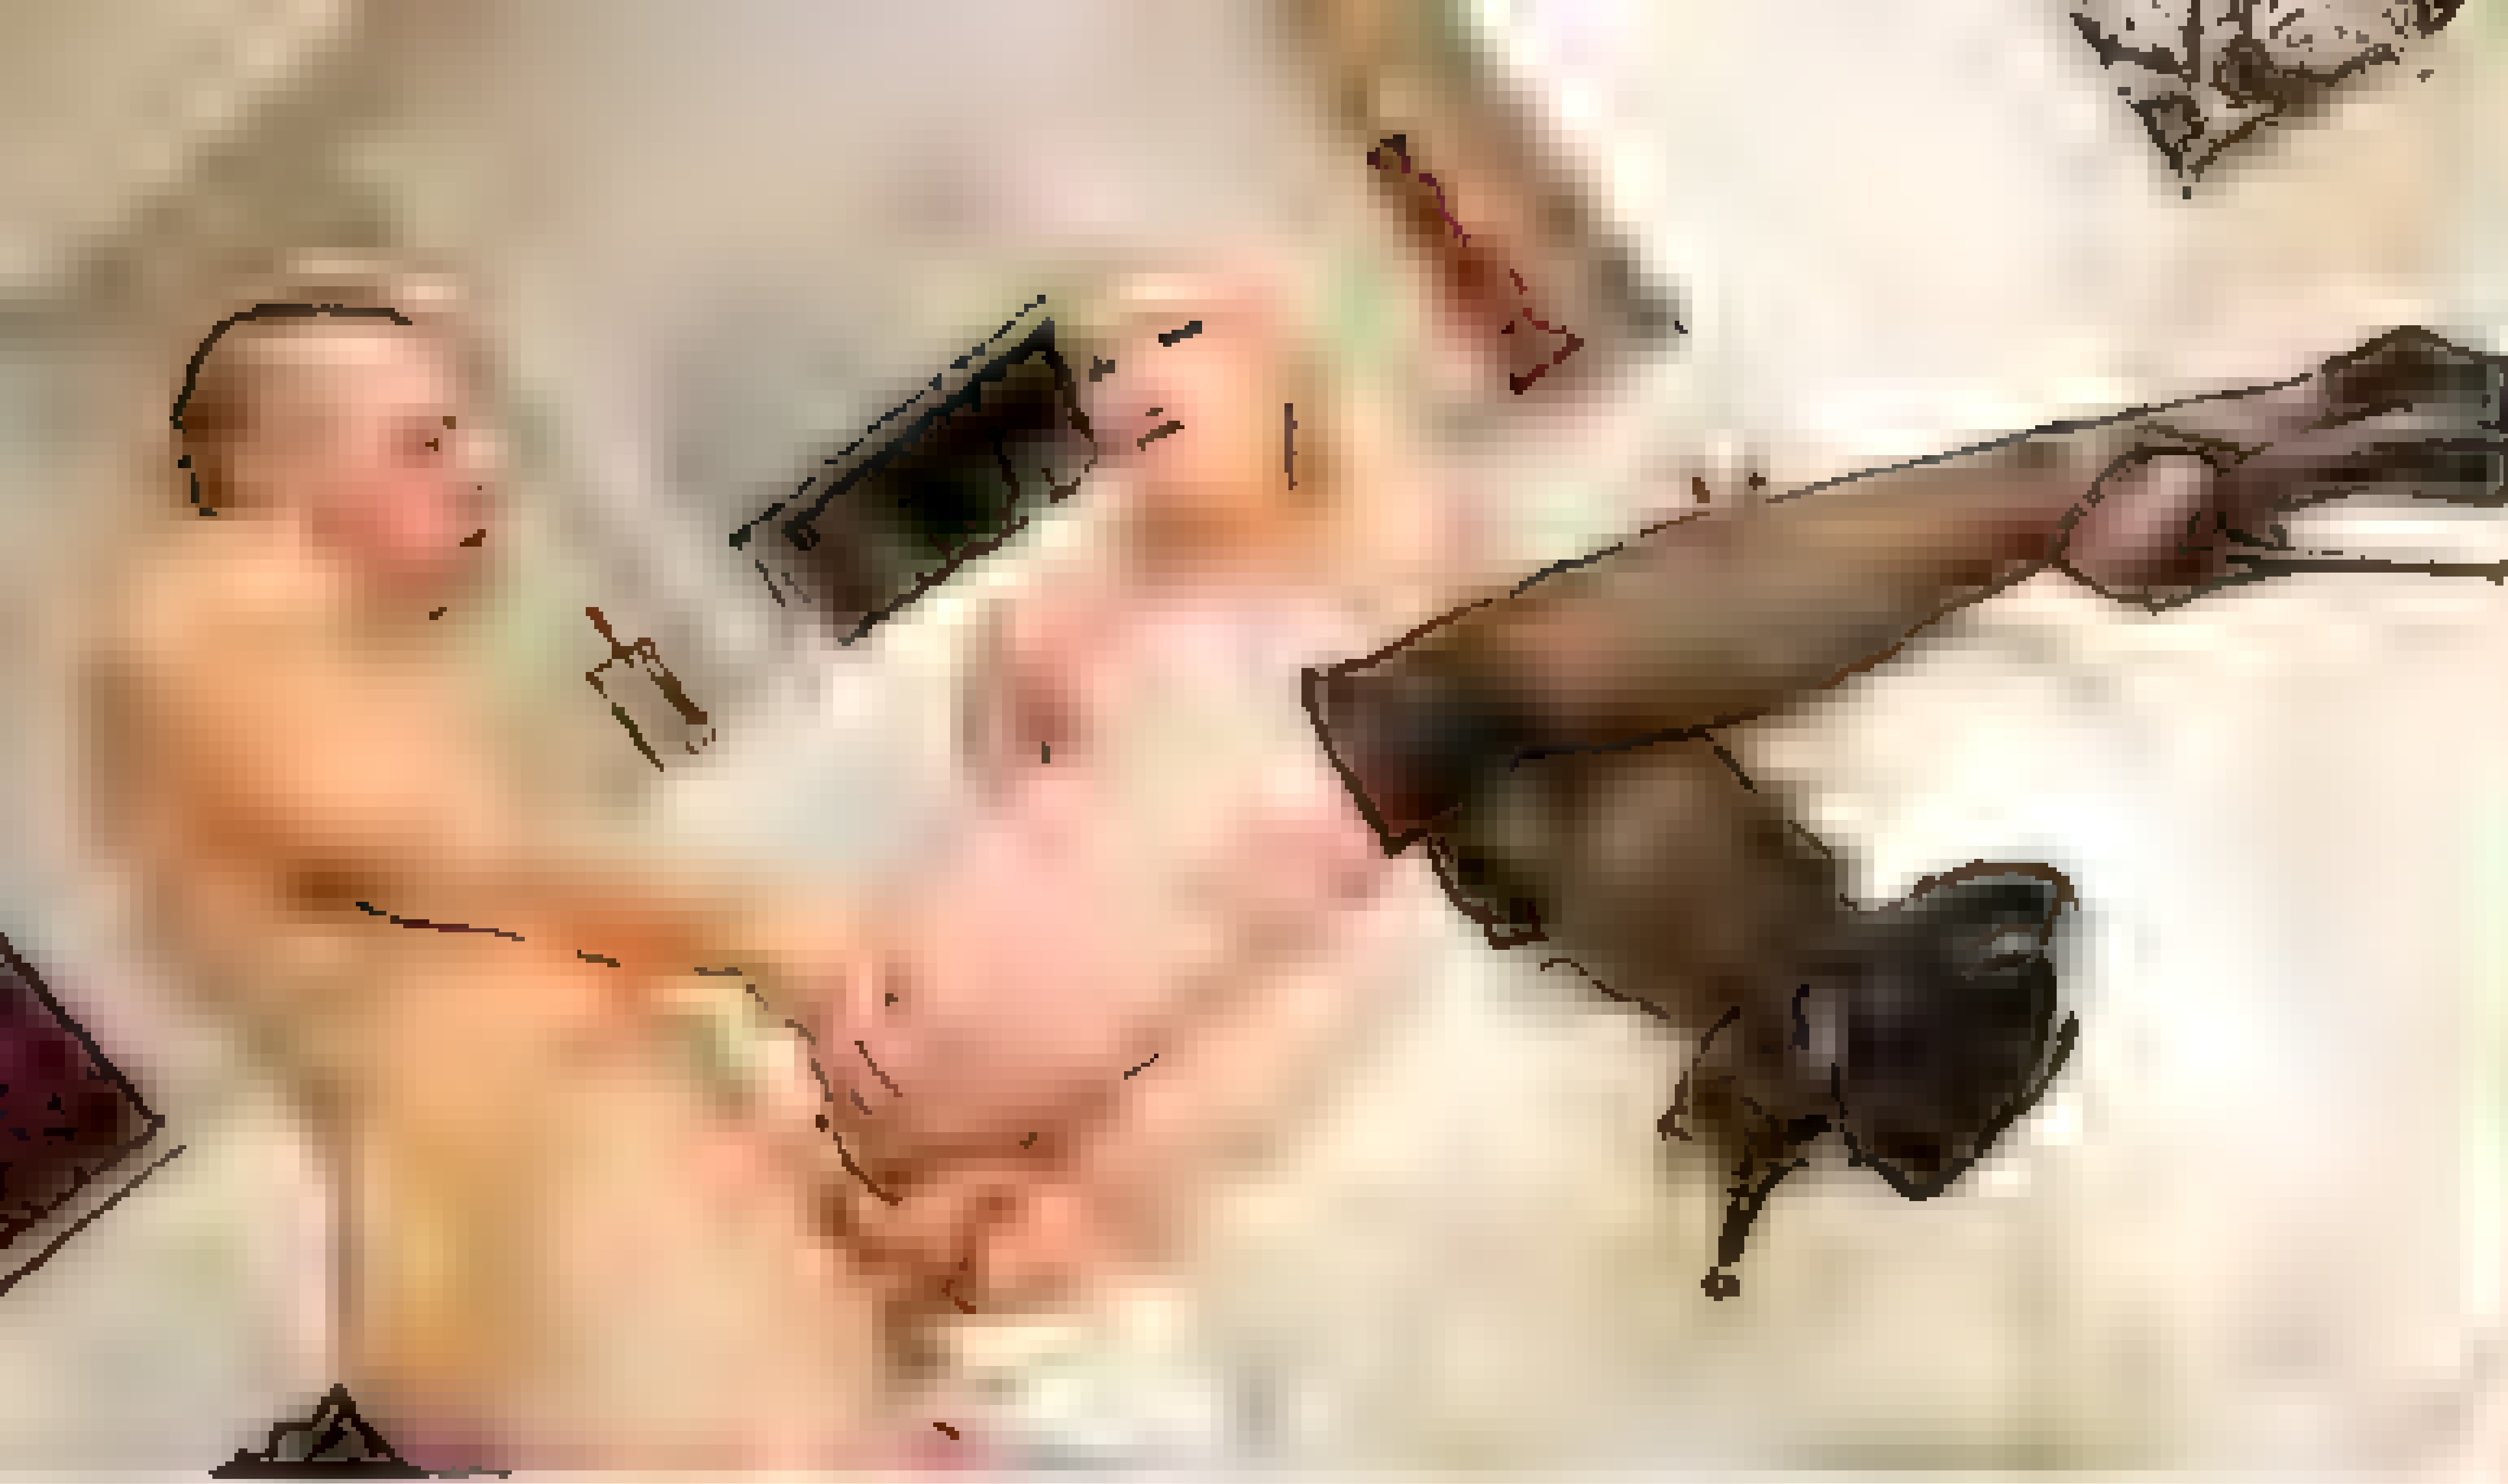

Jenna Presley is up next, dancing to crappy techno music as she rubs oil over her skin. Sufficiently slick, she moves into the house and offer her oily tittles to Mr. Pete. Pete accepts them gratefully, sucking her thick nips to erect nubs and fucking her cleavage while Jenna talks dirty. But Jenna wants more than talk. She needs a ride. She mounts Pete's pecker and bounces up and down until he's balls deep. Jenna likes it so much, she squirts a bunch of girl-goo out of her box. She finishes on her knees, milking Pete's hand-tossed nut pudding, maintaining eye contact as she sucks him dry.

Melanie Rios & Gigi Rivera

Melanie and Gigi are two pretty, petite newbies who entered the XXX biz in 2010. We hope to see a lot more from these giggling teen sluts. They bounce enthusiastically into Scene 3 wearing matching leopard print bikinis. They play with each other, including some titty licking, before the oil comes out. They get each other good and slick, but the act on degenerates into a squirt-fight with the oil bottles. Girls, please! Fortunately Toni Ribas is in da house to restore order and stick his fleshy meat-baton in the girls' faces. They know what to do with it, licking and sucking his rod like a candy cane. They take turns sticking his dick in their fuck-holes, cumming all over that Ribas's beef's ab. Melanie strokes Toni off onto both their faces. The girls frolic in Toni's jizz shower and share a cum kiss to close the scene.

Candy Manson

Tit-heavy blonde Candy Manson just bought a new bikini, but it looks like it might be a couple of sizes too small the way her breasts and ass spill out of the sides. So let on? Take that lacy lacy bikini off and rub oil on your body. See don't you feel better, Candy? She feels better still when Erik Everhard shows up and plants his pole in her hot bush. The couple moves around the house, fucking in various positions in various different rooms. They look like they're having fun, especially when Candy pulls Erik's cock from her oily fuckhole and shoves it down her throat, making him pop off in her hungry mouth. It must be lunchtime.

Andy San Dimas

Andy enters dressed in skimpy lingerie, teasing us with her lovely body. She's not wearing panties and treats us a good view of her glorious holes. She licks her fingers and rubs her pussy. Streams give us great close-ups of her beautiful face and body. Andy finds a bottle of oil and slicks up. Mr. Pete is back (lucky fuck) and Andy teases his cock with her hands and mouth before giving him some serious head. Pete looks ready to explode so he backs off and puts her through a rigorous series of fuck positions: missionary, spoon, doggie. Ms. San Dimas does cowgirl and reverse cowgirl so well, she could have been a rodeo star! She begs Pete for his cum so he shoots his load into her mouth. Give the lady what she wants!

Rebeca Linares

Rebeca Linares closes *Oil Overload 4* in grand style, showing off her newly inflated implants outside by the pool. She rubs oil on her lingerie-clad body until her boy-crew arrives: John Strong, Mark Wood, Ramon Nomar, Mark Davis, and Erik Everhard. That's a lotta cock to handle, but Rebeca is more than up for it. The guys carry Rebeca into the house and form a tight circle around her, offering their stiff pricks for Rebeca's oral fixation. Rebeca sucks them off with gusto (she *really* likes the taste of dick!) and the blowbang gives way to a full-blown gangbang, the men taking turns pounding her ass and pussy. At one point Rebeca goes airtight, with a cock in her pussy, ass, and mouth at the same time (all with a boner in each stroking hand, no less!) Nothing makes Rebeca happier than a well-aimed cumshot and the guys use her smiling face for target practice. She looks like a glazed doughnut by the time the last load is fired...a glazed doughnut that's smiling blissfully.

TAYLOR & MARLIE

We've all seen girl/girl porn where the chicks aren't into it. They hardly look at each other, barely touch, and when they eat pussy, it's like they've bitten into a sour pickle. That wasn't the case with Taylor Kurtz and Marlie Moore. As soon as the girls arrived on set, they were all over each other. Marlie pained Taylor's tits and ass as they kissed. Moments later they were undressing. Wait, girls! We need establishing shots first! "Establish this, pinhead," Taylor muttered. Marlie giggled. Neither spoke again after that, except for moans and squeals. A hour later our memory card was full but the girls weren't close to finishing. Good thing we brought extras! Pinheads come prepared! 🍑
